- 1. Cellphone;
- 2. Computer; or
- 3. Any other device capable of Internet connectivity.

(5) The legislative branch of state government shall implement controls to prevent the use of TikTok on state government-issued equipment or while connected to any network owned, operated, or otherwise under the control of state government.

(6) The judicial branch of state government may implement controls to prevent the use of TikTok on state government-issued equipment or while connected to any network owned, operated, or otherwise under the control of state government.

➔Section 2. Whereas preserving the safety, security, privacy, and way of life of the Commonwealth and its citizens is of paramount importance, and the state must take steps to prevent the collection of private data of Kentucky citizens by platforms such as TikTok that may share sensitive information with foreign governments, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming law.
