14 (b) For the purposes of paragraph (a)2. of this subsection, "ordinances,

26 ➔Section 2. KRS 199.881 is amended to read as follows:

27 The General Assembly finds and declares that the purpose of KRS 199.881 to 199.888

1 and 199.990(8) is to support Kentucky families by incentivizing employers to contribute
2 to the child-care costs of its employees. In enacting this legislation, it is the intention of
3 the General Assembly to enable the Cabinet for Health and Family Services to facilitate
4 this public and private partnership ~~[pilot]~~ program, herein known as the Employee Child
5 Care Assistance Partnership, and administer program funds to achieve this purpose.

6 ➔Section 3. KRS 199.887 is amended to read as follows:

7 (1) Termination of an active contract between an employer, employee, child-care
8 provider, and the cabinet pursuant to this program shall occur in the following
9 circumstances:

10 (a) If the relationship between the employee and employer is severed, the
11 employer shall notify the child-care provider and the cabinet within three (3)
12 business days of the separation, and the contract is terminated on the calendar
13 date provided by the employer in the notification. If the employer fails to
14 make this notification and the cabinet issues a state match to the provider on
15 behalf of that employer's employee, then the employer shall reimburse the
16 cabinet for the unnecessary state match;~~[or]~~

17 (b) If the employer fails to make a contribution or contributions for the eligible
18 child-care costs in accordance to the terms of the contract, the child-care
19 provider shall notify the cabinet within five (5) business days. After receiving
20 notification from the provider, the cabinet shall temporarily cease providing a
21 state match and shall notify the employer that the contract will be terminated
22 unless the employer remedies the nonpayment within five (5) business days of
23 receiving notification from the cabinet. If the provider fails to make this
24 notification and receives a state match from the cabinet on behalf of that
25 employer's employee, the provider shall reimburse the cabinet for the
26 unnecessary state match; or

27 (c) If the relationship between the employee and the child care provider is

1 *severed and the employee ceases to utilize the child care provider's services,*
2 *the employee shall notify the employer within three (3) business days, and*
3 *the employer shall notify the cabinet and terminate the contract.*

4 (2) Termination of an active contract between an employer, employee, child-care
5 provider, and the cabinet pursuant to this program may occur in the following
6 circumstances:

7 (a) If the employee fails to pay the child-care provider for costs not covered by
8 the employer contribution and the state match in accordance to the terms of
9 the contract, the child-care provider may give the employee reasonable time to
10 remedy the nonpayment. The child-care provider may notify the cabinet and
11 terminate the contract on the date that the notification was issued. If the child-
12 care provider voluntarily excuses the employee's nonpayment or the child-
13 care provider does not notify the cabinet within two (2) calendar months from
14 the date of the employee's nonpayment and continues to provide services, then
15 the contract made between all the parties will automatically reflect the
16 reduction in value;

17 (b) If the child-care provider ceases participation or otherwise loses its rating in
18 the rating system described in KRS 199.8943, it shall notify all parties to the
19 agreement immediately; and

20 (c) The employer, employee, or child-care provider may terminate the contract at
21 any time and for any reason. The terminating party shall notify all the parties
22 to the contract and specify the desired termination date, which shall occur no
23 sooner than two (2) weeks from the date of notification unless the child-care
24 provider gives its consent to an earlier termination date. All parties to the
25 contract shall be financially obligated, according to the provisions of the
26 contract, up to the termination date.

27 *(3) Any child-care provider who receives an employer contribution as part of this*

1 program or a state match for services not rendered and which will not be
2 rendered after the relationship between the employee and child care provider is
3 severed or after the termination of an active contract in accordance with this
4 section shall return those employer contributions and match funds to the
5 respective parties within five (5) days of receipt of the funds.
