23 Kentucky Employees Retirement System, or July 1, 1958, in the case of the
24 County Employees Retirement System, and the participation date of the
25 employer, for present employees of the county or department who have
26 elected coverage under KRS 61.525(2) or 78.540(1), provided the employee
27 began participating in the system prior to January 1, 2014.

- 1 (b) A Kentucky Employees Retirement System employer shall pay the cost of the
2 service credit within the fiscal year the election is made to purchase the
3 service credit. A County Employees Retirement System employer may
4 purchase the service, with interest at the rate actuarially assumed by the board,
5 over a period not to exceed ten (10) years.
- 6 (c) If an employer elects to purchase service under the provisions of this
7 subsection, any present employee who would be eligible to receive service
8 credit under the provisions of this subsection and has purchased service credit
9 under subsection (5)(a) of this section shall have his or her payment for the
10 service credit refunded with interest at the rate paid under KRS 61.575 or
11 78.640, ~~and~~
- 12 (d) Any payments made by an employer under this subsection shall be deposited
13 to the retirement allowance account of the system and these funds shall not be
14 considered accumulated contributions of the individual members.
- 15 (9) (a) An employee participating in the system may purchase service credit under
16 any of the provisions of KRS 16.505 to 16.652, 61.510 to 61.705, or 78.510 to
17 78.852 for which he or she is eligible to purchase, or as otherwise required by
18 38 U.S.C. ch. 43, by:
- 19 1. Making a lump-sum payment on a before-tax basis as provided in
20 subparagraph 3. of this paragraph, or on an after-tax basis if the
21 employee is purchasing service credit under subsection (1) or (3) of this
22 section, service available pursuant to 38 U.S.C. ch. 43 not otherwise
23 provided for in this section, or grandfathered service as defined in
24 paragraph (b) of this subsection;
 - 25 2. Entering into an agreement to purchase service credit through an
26 installment purchase of service agreement with the systems as provided
27 by paragraph (c) of this subsection:

- 1 a. On a before-tax basis in which the service is purchased pursuant to
2 the employer pick-up provisions in 26 U.S.C. sec. 414(h)(2); or
3 b. On an after-tax basis if the employee is purchasing service credit
4 under subsection (1) or (3) of this section, service available
5 pursuant to 38 U.S.C. ch. 43 not otherwise provided for in this
6 section, or grandfathered service as defined in paragraph (b) of this
7 subsection; or
- 8 3. Transferring funds to the system through a direct trustee-to-trustee
9 transfer as permitted under the applicable sections of the Internal
10 Revenue Code and any regulations or rulings issued thereunder, through
11 a direct rollover as contemplated by and permitted under 26 U.S.C. sec.
12 401(a)(31) and any regulations or rulings issued thereunder, or through a
13 rollover of funds pursuant to and permitted under the rules specified in
14 26 U.S.C. secs. 402(c) and 408(d)(3). The system shall accept the
15 transfer or rollover to the extent permitted under the rules specified in
16 the applicable provisions of the Internal Revenue Code and any
17 regulations and rulings issued thereunder.
- 18 (b) For purposes of this subsection, "grandfathered service" means service
19 purchases for which a member, whose membership date in the system is prior
20 to July 1, 1999, is eligible to purchase under KRS 16.505 to 16.652, 61.510 to
21 61.705, or 78.510 to 78.852, that were available for all members of the system
22 to purchase on August 5, 1997.
- 23 (c) 1. For service purchased under a before-tax or after-tax installment
24 purchase of service agreement as provided by paragraph (a)2. of this
25 subsection, the cost of the service shall be computed in the same manner
26 as for a lump-sum payment which shall be the principal, except that
27 interest compounded annually at the actuarial rate in effect at the time

- 1 the member elects to make the purchase shall be added for the period
2 that the installments are to be made.
- 3 2. Multiple service purchases may be combined under a single installment
4 agreement, except that no employee may make more than one (1)
5 installment purchase at the same time.
- 6 3. For after-tax installment purchase of service agreements, the employee
7 may elect to stop the installment payments by notifying the system; may
8 have the installment purchase recalculated to add one (1) or more
9 additional service purchases; or may pay by lump sum the remaining
10 principal or a portion of the remaining principal.
- 11 4. Before-tax installment purchase of service agreements shall be
12 irrevocable, and the employee shall not be able to stop installment
13 payments or to pay off the remaining balance of the purchase of service
14 agreement, except upon termination of employment or death.
- 15 5. One (1) year of installment payments shall be made for each one
16 thousand dollars (\$1,000) or any part thereof of the total cost, except
17 that the total period allowed for installments shall not be less than one
18 (1) year and shall not exceed five (5) years.
- 19 6. The employee shall pay the installments by payroll deduction for after-
20 tax purchase of service agreements, and the employer shall pick up
21 installments for before-tax purchase of service agreements. Upon
22 notification by the system, the employer shall report the installment
23 payments monthly continuously over each twelve (12) month period at
24 the same time as, but separate from, regular employee contributions on
25 the forms or by the computer format specified by the board.
- 26 7. The system shall determine how much of the total cost represents
27 payment for one (1) month of the service to be purchased and shall

1 credit one (1) month of service to the member's account each time this
2 amount has been paid. The first service credited shall represent the first
3 calendar month of the service to be purchased and each succeeding
4 month of service credit shall represent the succeeding months of that
5 service.

6 8. If the employee utilizing an installment purchase of service agreement
7 dies, retires, does not continue employment in a position required to
8 participate in the system, or elects to stop an after-tax installment
9 purchase of service agreement, the member, or in the case of death, the
10 beneficiary, shall have sixty (60) days to pay the remaining principal or
11 a portion of the remaining principal of the installment purchase of
12 service agreement by lump sum, subject to the restrictions of paragraph
13 (a)1. of this subsection, or by transfer of funds under paragraph (a)3. of
14 this subsection, except that payment by the member shall be filed with
15 the system prior to the member's effective retirement date. If the
16 member or beneficiary does not pay the remaining cost, the system shall
17 refund to the member or the beneficiary the payment, payments, or
18 portion of a payment that does not represent a full month of service
19 purchased, except as provided by subsection (6) of this section.

20 9. If the employer does not report installment payments on an employee
21 for sixty (60) days for an after-tax installment purchase of service
22 agreement, except in the case of employees on military leave or sick
23 leave without pay, the installment purchase shall cease and the system
24 shall refund to the employee the payment, payments, or portion of a
25 payment that does not represent a full month of service purchased.

26 10. Installment payments of employees on military leave or sick leave
27 without pay shall be suspended during the period of leave and shall

1 resume without recalculation upon the employee's return from leave.

2 11. If payments have ceased under subparagraph 8. or 9. of this paragraph
3 and the member later becomes a participating employee in the County
4 Employees Retirement System, Kentucky Employees Retirement
5 System, or State Police Retirement System, the employee may complete
6 the adjusted original installment purchase by lump sum or installment
7 payments, subject to the restrictions of this subsection. If the employee
8 elects to renew the installment purchase, the cost of the remaining
9 service shall be recalculated in accordance with subsection (10) of this
10 section.

11 (d) Member payments, including interest, properly received pursuant to this
12 subsection, shall be deposited to the member's account and considered as
13 accumulated contributions of the individual member.

14 (10) (a) The cost of purchasing service credit under any provision of this section,
15 except as provided by subsections (1) to (3) of this section, shall be
16 determined by multiplying the higher of the employee's current rate of pay,
17 final rate of pay, or final compensation as of the end of the month in which
18 the purchase is made times the actuarial factor times the number of years of
19 service being purchased. The actuarial factor used to determine the cost of
20 purchasing service credit shall assume the earliest date the member may retire
21 without a reduction in benefits and the cost-of-living adjustments provided to
22 members upon retirement.

23 (b) Service purchased on or after August 1, 2004, under the provisions of KRS
24 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852, except for service
25 purchased under subsections (1) to (3) of this section or service purchased as
26 described by paragraph (d) of this subsection, shall not be used to determine
27 eligibility for or the amount of the monthly insurance contribution under KRS

1 61.702 or 78.5536.

2 (c) For a member whose membership date is~~[participation begins]~~ on or after
3 August 1, 2004, service purchased under the provisions of KRS 16.505 to
4 16.652, 61.510 to 61.705, or 78.510 to 78.852, except for service purchased
5 under subsections (1) to (3) of this section or service purchased as described
6 by paragraph (d) of this subsection:

7 1. Shall not be used to determine eligibility for a retirement allowance
8 under disability retirement, early retirement, normal retirement, or upon
9 death of the member under any of the provisions of KRS 16.505 to
10 16.652, 61.510 to 61.705, or 78.510 to 78.852; and

11 2. Shall only be used to determine the amount of the retirement allowance
12 of a member who is eligible for a retirement allowance under disability,
13 early retirement, normal retirement, or upon death of the member under
14 any of the provisions of KRS 16.505 to 16.652, 61.510 to 61.705, or
15 78.510 to 78.852, based on service earned as a participating employee.

16 (d) Paragraphs (b) and (c) of this subsection shall not apply to a member who was
17 bound by an educational contract as a conditional employee to the state of
18 Kentucky prior to December 31, 2003, regardless of ~~[participation date or]~~
19 membership date in the system. Educational leave, seasonal service, or any
20 other qualified service purchased by a member with this classification under
21 this section shall be used to determine eligibility for benefits, membership
22 dates~~[or participation dates]~~, and the amount of benefit for:

23 1. A retirement allowance under disability retirement, early retirement,
24 normal retirement, or death under any of the provisions of KRS 16.505
25 to 16.652, 61.510 to 61.705, and 78.510 to 78.852; and

26 2. The monthly insurance contribution under KRS 61.702 or 78.5536.

9 ➔Section 11. KRS 61.625 is amended to read as follows:

10 (1) (a) Prior to the member's effective retirement date, a member if living, or if not
11 living, his or her designated beneficiary, shall have the right to request a
12 refund of his or her accumulated account balance if the member's
13 employment has been terminated and the member is not participating in the
14 same system.

15 (b) Upon the death of a member occurring on or after his or her effective
16 retirement date, the member's beneficiary shall have the right to request a
17 refund of the member's accumulated contributions, reduced by the amount of
18 any retirement allowances previously received.

19 (c) If a member receives a refund of his or her accumulated account balance in
20 error while the member is employed or participating in the same system
21 from which the refund was issued in error:

22 1. The Authority shall notify the member;

23 2. The member shall repay the system the full amount of his or her
24 refunded accumulated account balance by lump sum or by
25 incremental payments made under an incremental payment agreement
26 with the Authority within twelve (12) months of the date the Authority
27 sent the notice; and

1 3. Upon full repayment of the accumulated account balance to the
2 system, the Authority shall reinstate the member's previous
3 membership date and associated service credit and take all other
4 actions necessary to correct the member's records to reflect the
5 reinstated membership date in accordance with Section 15 of this Act.

6 (2) Payments made under this section shall be in lieu of any other benefits due for the
7 period of service under any of the provisions of KRS 16.505 to 16.652, 61.510 to
8 61.705, and 78.510 to 78.852, unless the period of service is regained as provided
9 under KRS 61.552. Payments of taxable distributions made pursuant to this section
10 shall be subject to state and federal tax as appropriate.

11 (3) A refund of contributions of members whose benefits have been terminated
12 pursuant to KRS 6.696 shall be governed by that section.

13 (4) A refund of contributions to members whose benefits have been terminated
14 pursuant to KRS 61.535(3) shall be governed by the provisions of that subsection.

15 (5) If a member receives a refund of his or her accumulated account balance under
16 subsection (1) of this section, but is later reinstated without loss of pay by order of
17 the Personnel Board under KRS 18A.095, by order of the Kentucky Commission
18 on Human Rights, or by court order:

19 (a) The member shall repay the system the full amount of his or her refunded
20 accumulated account balance by lump sum or by incremental payments
21 made under an incremental payment agreement with the Authority within
22 twelve (12) months of the date of the final order by the Personnel Board, the
23 Kentucky Commission on Human Rights, or the court;

24 (b) Upon full repayment of the accumulated account balance to the system, the
25 Authority shall reinstate the member's previous membership date and
26 associated service credit; and

27 (c) A member's failure to pay the full amount of his or her refunded

1 *accumulated account balance as required under this subsection shall be*
2 *treated as an overpayment of benefits under Section 15 of this Act.*

3 ➔Section 12. KRS 61.637 is amended to read as follows:

- 4 (1) A retired member who is receiving monthly retirement payments under any of the
5 provisions of KRS 61.510 to 61.705 and 78.510 to 78.852 and who is reemployed
6 as an employee by a participating agency prior to August 1, 1998, shall have his or
7 her retirement payments suspended for the duration of reemployment. Monthly
8 payments shall not be suspended for a retired member who is reemployed if he or
9 she anticipates that he or she will receive less than the maximum permissible
10 earnings as provided by the Federal Social Security Act in compensation as a result
11 of reemployment during the calendar year. The payments shall be suspended at the
12 beginning of the month in which the reemployment occurs.
- 13 (2) Employer and employee contributions shall be made as provided in KRS 61.510 to
14 61.705 and 78.510 to 78.852 on the compensation paid during reemployment,
15 except where monthly payments were not suspended as provided in subsection (1)
16 of this section or would not increase the retired member's last monthly retirement
17 allowance by at least one dollar (\$1), and the member shall be credited with
18 additional service credit.
- 19 (3) In the month following the termination of reemployment, retirement allowance
20 payments shall be reinstated under the plan under which the member was receiving
21 payments prior to reemployment.
- 22 (4) (a) Notwithstanding the provisions of this section, the payments suspended in
23 accordance with subsection (1) of this section shall be paid retroactively to the
24 retired member, or his or her estate, if he or she does not receive more than
25 the maximum permissible earnings as provided by the Federal Social Security
26 Act in compensation from participating agencies during any calendar year of
27 reemployment.

1 (b) If the retired member is paid suspended payments retroactively in accordance
2 with this section, employee contributions deducted during his or her period of
3 reemployment, if any, shall be refunded to the retired employee, and no
4 service credit shall be earned for the period of reemployment.

5 (c) If the retired member is not eligible to be paid suspended payments for his or
6 her period of reemployment as an employee, his or her retirement allowance
7 shall be recomputed under the plan under which the member was receiving
8 payments prior to reemployment as follows:

9 1. The retired member's final compensation shall be recomputed using
10 creditable compensation for his or her period of reemployment;
11 however, the final compensation resulting from the recalculation shall
12 not be less than that of the member when his or her retirement allowance
13 was last determined;

14 2. If the retired member initially retired on or subsequent to his or her
15 normal retirement date, his or her retirement allowance shall be
16 recomputed by using the formula in KRS 61.595(1);

17 3. If the retired member initially retired prior to his or her normal
18 retirement date, his or her retirement allowance shall be recomputed
19 using the formula in KRS 61.595(2), except that the member's age used
20 in computing benefits shall be his or her age at the time of his or her
21 initial retirement increased by the number of months of service credit
22 earned for service performed during reemployment;

23 4. The retirement allowance payments resulting from the recomputation
24 under this subsection shall be payable in the month following the
25 termination of reemployment in lieu of payments under subparagraph 3.
26 of this paragraph. The member shall not receive less in benefits as a
27 result of the recomputation than he or she was receiving prior to

1 reemployment or would receive as determined under KRS 61.691; and
2 5. Any retired member who was reemployed prior to March 26, 1974, shall
3 begin making contributions to the system in accordance with the
4 provisions of this section on the first day of the month following March
5 26, 1974.

6 (5) A retired member, or his or her estate, shall pay to the retirement fund the total
7 amount of payments which are not suspended in accordance with subsection (1) of
8 this section if the member received more than the maximum permissible earnings as
9 provided by the Federal Social Security Act in compensation from participating
10 agencies during any calendar year of reemployment, except the retired member or
11 his or her estate may repay the lesser of the total amount of payments which were
12 not suspended or fifty cents (\$0.50) of each dollar earned over the maximum
13 permissible earnings during reemployment if under age sixty-five (65), or one
14 dollar (\$1) for every three dollars (\$3) earned if over age sixty-five (65).

15 (6) (a) "Reemployment" or "reinstatement" as used in this section shall not include a
16 retired member who has been ordered reinstated by the Personnel Board under
17 authority of KRS 18A.095.

18 (b) 1. A retired member who has been ordered reinstated ***without loss of pay***
19 by the Personnel Board under authority of KRS 18A.095 or by court
20 order or by order of the ~~Kentucky~~~~Human Rights~~ Commission ***on***

22 the Kentucky Employees Retirement System, ***State Police Retirement***

24 retirement by reimbursing the system in the full amount of his or her
25 retirement allowance payments received, ***including any health***
26 ***insurance benefits paid to or on behalf of the member.***

27 2. Within twelve (12) months of the date of the final order of the

1 *Personnel Board, the Kentucky Commission on Human Rights, or the*
2 *court, the member shall repay the system the full amount of his or her*
3 *retirement allowance payments and health insurance benefits by lump*

6 *3. Once the system has been fully reimbursed for the benefits paid to the*
7 *member and on the member's behalf, additional contributions and*
8 *service credit based on the reinstated employment shall be added to the*
9 *member's account.*

10 (7) (a) Effective August 1, 1998, the provisions of subsections (1) to (4) of this
11 section shall no longer apply to a retired member who is reemployed in a
12 position covered by the same retirement system from which the member
13 retired. Reemployed retired members shall be treated as new members upon
14 reemployment. Any retired member whose reemployment date preceded
15 August 1, 1998, who does not elect, within sixty (60) days of notification by
16 the retirement systems, to remain under the provisions of subsections (1) to
17 (4) of this section shall be deemed to have elected to participate under this
18 subsection.

19 (b) A retired member whose disability retirement was discontinued pursuant to
20 KRS 61.615 and who is reemployed in one (1) of the systems administered by
21 the Kentucky Retirement Systems or County Employees Retirement System
22 prior to his or her normal retirement date shall have his or her accounts
23 combined upon termination for determining eligibility for benefits. If the
24 member is eligible for retirement, the member's service and creditable
25 compensation earned as a result of his or her reemployment shall be used in
26 the calculation of benefits, except that the member's final compensation shall
27 not be less than the final compensation last used in determining his or her

1 retirement allowance. The member shall not change beneficiary or payment
2 option designations. This provision shall apply to members reemployed on or
3 after August 1, 1998.

4 (8) If a retired member accepts employment or begins serving as a volunteer with an
5 employer participating in the systems administered by Kentucky Retirement
6 Systems or County Employees Retirement System within twelve (12) months of his
7 or her retirement date, the retired member shall notify the Authority and the
8 participating employer shall submit the information required or requested by the
9 Authority to confirm the individual's employment or volunteer status. The retired
10 member shall not be required to notify the Authority regarding any employment or
11 volunteer service with a participating agency that is accepted after twelve (12)
12 months following his or her retirement date.

13 (9) If the retired member is under a contract to provide services as an independent
14 contractor or leased employee to an employer participating in the systems
15 administered by Kentucky Retirement Systems or County Employees Retirement
16 System within twelve (12) months of his or her retirement date, the member shall
17 submit a copy of that contract to the Authority, and the Authority shall determine if
18 the member is an independent contractor or leased employee for purposes of
19 retirement benefits. The retired member and the participating employer shall submit
20 the information required or requested by the Authority to confirm the individual's
21 status as an independent contractor or leased employee. The retired member shall
22 not be required to notify the Authority regarding any services entered into as an
23 independent contractor or leased employee with a participating agency that the
24 employee enters into after twelve (12) months following his or her retirement date.

25 (10) If a member is receiving a retirement allowance, or has filed the forms required for
26 a retirement allowance, and is employed within one (1) month of the member's
27 initial retirement date in a position that is required to participate in the same

1 retirement system from which the member retired, the member's retirement shall be
2 voided and the member shall repay to the retirement system all benefits received.
3 The member shall contribute to the member account established for him or her prior
4 to his or her voided retirement. The retirement allowance for which the member
5 shall be eligible upon retirement shall be determined by total service and creditable
6 compensation.

7 (11) (a) If a member of the Kentucky Employees Retirement System retires from a
8 department which participates in more than one (1) retirement system and is
9 reemployed within one (1) month of his or her initial retirement date by the
10 same department in a position participating in another retirement system, the
11 retired member's retirement allowance shall be suspended for the first month
12 of his or her retirement, and the member shall repay to the retirement system
13 all benefits received for the month.

14 (b) A retired member of the County Employees Retirement System who after
15 initial retirement is hired by the county from which the member retired shall
16 be considered to have been hired by the same employer.

17 (12) (a) If a hazardous member who retired prior to age fifty-five (55), or a
18 nonhazardous member who retired prior to age sixty-five (65), is reemployed
19 within six (6) months of the member's termination by the same employer, the
20 member shall obtain from his or her previous and current employers a copy of
21 the job description established by the employers for the position and a
22 statement of the duties performed by the member for the position from which
23 he or she retired and for the position in which he or she has been reemployed.

24 (b) The job descriptions and statements of duties shall be filed with the retirement
25 office.

26 (13) If the retirement system determines that the retired member has been employed in a
27 position with the same principal duties as the position from which the member

1 retired:

2 (a) The member's retirement allowance shall be suspended during the period that
3 begins on the month in which the member is reemployed and ends six (6)
4 months after the member's termination;

5 (b) The retired member shall repay to the retirement system all benefits paid from
6 systems administered by Kentucky Retirement Systems or County Employees
7 Retirement System under reciprocity, including medical insurance benefits,
8 that the member received after reemployment began;

9 (c) Upon termination, or subsequent to expiration of the six (6) month period
10 from the date of termination, the retired member's retirement allowance based
11 on his or her initial retirement account shall no longer be suspended, and the
12 member shall receive the amount to which he or she is entitled, including an
13 increase as provided by KRS 61.691;

14 (d) Except as provided in subsection (7) of this section, if the position in which a
15 retired member is employed after initial retirement is a regular full-time
16 position, the retired member shall contribute to a second member account
17 established for him or her in the retirement system. Service credit gained after
18 the member's date of reemployment shall be credited to the second member
19 account; and

20 (e) Upon termination, the retired member shall be entitled to benefits payable
21 from his or her second retirement account.

22 (14) (a) If the retirement system determines that the retired member has not been
23 reemployed in a position with the same principal duties as the position from
24 which he or she retired, the retired member shall continue to receive his or her
25 retirement allowance.

26 (b) If the position is a regular full-time position, the member shall contribute to a
27 second member account in the retirement system.

- 1 (15) (a) If a retired member is reemployed at least one (1) month after initial
2 retirement in a different position, or at least six (6) months after initial
3 retirement in the same position, and prior to normal retirement age, the retired
4 member shall contribute to a second member account in the retirement system
5 and continue to receive a retirement allowance from the first member account.
- 6 (b) Service credit gained after reemployment shall be credited to the second
7 member account. Upon termination, the retired member shall be entitled to
8 benefits payable from the second member account.
- 9 (16) A retired member who is reemployed and contributing to a second member account
10 shall not be eligible to purchase service credit under any of the provisions of KRS
11 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852 which he or she was
12 eligible to purchase prior to his or her initial retirement.
- 13 (17) Notwithstanding any provision of subsections (1) to (7)(a) and (10) to (15) of this
14 section, the following shall apply to retired members who are reemployed by an
15 agency participating in one (1) of the systems administered by Kentucky
16 Retirement Systems or County Employees Retirement System on or after
17 September 1, 2008:
- 18 (a) If a member is receiving a retirement allowance from one (1) of the systems
19 administered by Kentucky Retirement Systems or County Employees
20 Retirement System, or has filed the forms required to receive a retirement
21 allowance from one (1) of the systems administered by Kentucky Retirement
22 Systems or County Employees Retirement System, and is employed in a
23 regular full-time position required to participate in one (1) of the systems
24 administered by Kentucky Retirement Systems or County Employees
25 Retirement System or is employed in a position that is not considered regular
26 full-time with an agency participating in one (1) of the systems administered
27 by Kentucky Retirement Systems or County Employees Retirement System

1 within one (1) month following the member's initial retirement date, the
2 member's retirement shall be voided, and the member shall repay to the
3 retirement system all benefits received, including any health insurance
4 benefits. If the member is returning to work in a regular full-time position
5 required to participate in one (1) of the systems administered by Kentucky
6 Retirement Systems:

- 7 1. The member shall contribute to a member account established for him or
8 her in one (1) of the systems administered by Kentucky Retirement
9 Systems or County Employees Retirement System, and employer
10 contributions shall be paid on behalf of the member by the participating
11 employer; and
- 12 2. Upon subsequent retirement, the member shall be eligible for a
13 retirement allowance based upon total service and creditable
14 compensation, including any additional service or creditable
15 compensation earned after his or her initial retirement was voided;

16 (b) If a member is receiving a retirement allowance from one (1) of the systems
17 administered by Kentucky Retirement Systems or County Employees
18 Retirement System and is employed in a regular full-time position required to
19 participate in one (1) of the systems administered by Kentucky Retirement
20 Systems or County Employees Retirement System after a one (1) month
21 period following the member's initial retirement date, the member may
22 continue to receive his or her retirement allowance during the period of
23 reemployment subject to the following provisions:

- 24 1. If a member is reemployed by a participating agency within twelve (12)
25 months of the member's retirement date, the participating agency shall
26 certify in writing on a form prescribed by the Authority that no
27 prearranged agreement existed between the employee and agency prior

1 to the employee's retirement for the employee to return to work with the
2 participating agency. If an elected official is reelected to a new term of
3 office in the same position as the elected official held prior to retirement
4 and takes office within twelve (12) months of his or her retirement date,
5 he or she shall be deemed by the Authority as having a prearranged
6 agreement under the provisions of this subparagraph and shall have his
7 or her retirement voided. If the participating agency fails to complete the
8 certification, the member's retirement shall be voided and the provisions
9 of paragraph (a) of this subsection shall apply to the member and the
10 employer. Employment that is accepted by the retired member after
11 twelve (12) months following the member's retirement date shall not
12 constitute a prearranged agreement under this paragraph;

13 2. Notwithstanding any other provision of KRS Chapter 16, 61, or 78 to
14 the contrary, the member shall not contribute to the systems and shall
15 not earn any additional benefits for any work performed during the
16 period of reemployment;

17 3. Except as provided by KRS 70.291 to 70.293, 95.022, and 164.952 and
18 except for any retiree employed as a school resource officer as defined
19 by KRS 158.441, the employer shall pay employer contributions as
20 specified by KRS 61.565, 61.702, and 78.635, as applicable, on all
21 creditable compensation earned by the employee during the period of
22 reemployment. The additional contributions paid shall be used to reduce
23 the unfunded actuarial liability of the systems; and

24 4. Except as provided by KRS 70.291 to 70.293, 95.022, and 164.952 and
25 except for any retiree employed as a school resource officer as defined
26 by KRS 158.441, the employer shall be required to reimburse the
27 systems for the cost of the health insurance premium paid by the

1 systems to provide coverage for the retiree, not to exceed the cost of the
2 single premium. Effective July 1, 2015, local school boards shall not be
3 required to pay the reimbursement required by this subparagraph for
4 retirees employed by the board for eighty (80) days or less during the
5 fiscal year;

6 (c) Notwithstanding paragraphs (a) and (b) of this subsection, a retired member
7 who qualifies as a volunteer for an employer participating in one (1) of the
8 systems administered by Kentucky Retirement Systems or County Employees
9 Retirement System and who is receiving reimbursement of actual expenses, a
10 nominal fee for his or her volunteer services, or both, shall not be considered
11 an employee of the participating employer and shall not be subject to
12 paragraphs (a) and (b) of this subsection if:

- 13 1. Prior to the retired member's most recent retirement date, he or she did
14 not receive creditable compensation from the participating employer in
15 which the retired member is performing volunteer services;
- 16 2. Any reimbursement or nominal fee received prior to the retired
17 member's most recent retirement date has not been credited as creditable
18 compensation to the member's account or utilized in the calculation of
19 the retired member's benefits;
- 20 3. The retired member has not purchased or received service credit under
21 any of the provisions of KRS 61.510 to 61.705 or 78.510 to 78.852 for
22 service with the participating employer for which the retired member is
23 performing volunteer services; and
- 24 4. Other than the status of volunteer, the retired member does not become
25 an employee, leased employee, or independent contractor of the
26 employer for which he or she is performing volunteer services for a
27 period of at least twelve (12) months following the retired member's

1 most recent retirement date.

2 If a retired member, who provided volunteer services with a participating
3 employer under this paragraph violates any provision of this paragraph, then
4 he or she shall be deemed an employee of the participating employer as of the
5 date he or she began providing volunteer services and both the retired member
6 and the participating employer shall be subject to paragraphs (a) and (b) of
7 this subsection for the period of volunteer service;

8 (d) Notwithstanding any provision of this section, any mayor or member of a city
9 legislative body shall not be required to resign from his or her position as
10 mayor or as a member of the city legislative body in order to begin drawing
11 benefits from the systems administered by Kentucky Retirement Systems or
12 subject to any provision of this section as it relates solely to his or her service
13 as a mayor or member of the city legislative body if the mayor or member of a
14 city legislative body:

15 1. Has not participated in the County Employees Retirement System prior
16 to retirement, but is otherwise eligible to retire from the Kentucky
17 Employees Retirement System or the State Police Retirement System; or
18 2. Has been or is participating in the County Employees Retirement
19 System and is at least sixty-two (62) years of age. If a mayor or member
20 of a city legislative body who is at least sixty-two (62) years of age
21 retires from the systems administered by Kentucky Retirement Systems
22 but remains in office after his or her effective retirement date, the mayor
23 or member of the city legislative body shall not accrue any further
24 service credit or benefits in the systems administered by Kentucky
25 Retirement Systems for any employment occurring on or after the
26 effective retirement date;

27 (e) Notwithstanding any provision of this section, any current or future part-time

1 adjunct instructor for the Kentucky Fire Commission who has not participated
2 in the Kentucky Employees Retirement System prior to retirement, but who is
3 otherwise eligible to retire from the County Employees Retirement System,
4 shall not be:

- 5 1. Required to resign from his or her position as a part-time adjunct
6 instructor for the Kentucky Fire Commission in order to begin drawing
7 benefits from the County Employees Retirement System; or
- 8 2. Subject to any provision of this section as it relates solely to his or her
9 service as a part-time adjunct instructor for the Kentucky Fire
10 Commission;

11 (f) If a member is receiving a retirement allowance from any of the retirement
12 systems administered by the Kentucky Retirement Systems or County
13 Employees Retirement System and enters into a contract or becomes a leased
14 employee of an employer under contract with an employer participating in
15 one (1) of the systems administered by the Kentucky Retirement Systems or
16 County Employees Retirement System:

- 17 1. At any time following retirement, if the Authority determines the
18 employment arrangement does qualify as an independent contractor or
19 leased employee, the member may continue to receive his or her
20 retirement allowance during the period of the contract;
- 21 2. Within one (1) month following the member's initial retirement date, if
22 the Authority determines the employment arrangement does not qualify
23 as an independent contractor or leased employee, the member's
24 retirement shall be voided in accordance with paragraph (a) of this
25 subsection;
- 26 3. After one (1) month but within twelve (12) months following the

7 from other eligible employees and retirees for the purpose of
8 determining medical insurance premiums.

9 (c) For recipients of a retirement allowance who are not eligible for the same
10 level of hospital and medical benefits as recipients living in Kentucky having

2 established pursuant to 26 U.S.C. sec. 401(h), within the funds
3 established in KRS 16.510 and 61.515, or the insurance trust fund
4 established under KRS 61.701. Notwithstanding the provisions of this
5 paragraph, a transfer of assets between the accounts established pursuant

26 16.505 to 16.652 or 61.510 to 61.705. No member may elect whether to
27 participate in, or choose the contribution amount to accounts established

2 16.510 and 61.515, or the insurance trust fund established under KRS

15 61.510 to 61.705.

16 5. The board of trustees, at its discretion, may direct that the contributions

10 member or spouse shall be applied toward the premium, and the
11 insurance trust fund established under KRS 61.701 or accounts
12 established pursuant to 26 U.S.C. sec. 401(h) within the funds

11 entered and duly recorded in the records of the governing body of the county
12 or school board. In cases where general purpose county government does not
13 participate, but the sheriff and his or her employees or the county clerk and
14 his or her employees do, the sheriff or the clerk shall retain the order in his or
15 her office. The authority to issue and properly record such order of
16 participation being hereby granted, permits such county to participate in the
17 system. The effective date of such participation shall be fixed in the order.

18 (b) Notwithstanding any statute to the contrary, after April 9, 2002, the systems
19 shall deny the request for participation of any agency which does not have an
20 irrevocable contract with the state Personnel Cabinet for health insurance
21 coverage under KRS 18A.225 to 18A.229 for its active employees, except
22 that:

- 23 1. County governments entering the system between April 9, 2002, and
24 July 1, 2003, under this section shall be excluded from this requirement;
25 2. Agencies entering the system on or after April 9, 2002, which were
26 established by a merger or an interlocal agreement to provide public
27 services shall be excluded from this requirement if any agencies entering

1 into the merger or interlocal agreement had an initial participation date
2 with the system prior to April 9, 2002; and

3 3. Any consolidated emergency services district.

4 (2) Once a county or school board participates, it shall thereafter continue to
5 participate, except as provided in KRS 78.535.

6 (3) (a) Concurrent with the adoption of the appropriate resolution to participate in the
7 system, a county may elect the alternate participation plan which will require
8 the county to purchase on behalf of each employee electing coverage, at the
9 time the county elected to participate in the system as provided under KRS
10 78.540(1)(b)~~and (c)~~, current service credit for employment in regular full-
11 time positions between July 1, 1958, and the participation date of the county.
12 Cities which participate in the system pursuant to subsection (6) of this
13 section, KRS 79.080, 90.400, 90.410, 95.520, 95.621, 95.761, 95.768, 95.852,
14 or 96.180 shall be required to purchase on behalf of each employee electing
15 coverage only as much service credit as the employee has accumulated in the
16 city-administered plan, up to the participation date of the city. Accumulated
17 service shall include service for which an employee received a refund
18 pursuant to KRS 95.620 or 95.866, if such refund has been repaid. If the
19 employee has not yet repaid the refund, he *or she* may make payment to the
20 system by any method acceptable to the system, and the requirement of five
21 (5) years of continuous reemployment prior to repayment of refunds shall not
22 apply. Upon the employee's repayment, the city shall purchase the associated
23 service credit for the employee. Cost of such service credit over and above
24 that which would be funded within the existing employer contribution rate
25 shall be determined by the board's consulting actuary. The expense of such
26 actuarial service shall be paid by the county.

27 (b) The county shall establish a payment schedule subject to approval by the

1 board for payment of the cost of such service over and above that which
2 would be funded within the existing employer contribution rate. The
3 maximum period allowed in a payment schedule shall be thirty (30) years,
4 with interest at the rate actuarially assumed by the board. A shorter period is
5 desirable and the board may approve any payment schedule provided it is not
6 longer than a thirty (30) year period, except that cities which participate in the
7 system pursuant to subsection (6) of this section, KRS 79.080, 90.400,
8 90.410, 95.520, 95.621, 95.761, 95.768, 95.852, or 96.180 may, at their
9 option, extend the payment schedule to a maximum of thirty (30) years, may
10 choose to make level payments at the interest rate actuarially assumed by the
11 board over the life of the payment schedule chosen, and may retain employer
12 contributions and the earnings thereon attributable to employees electing
13 coverage.

14 (c) A city entering the system under the alternate participation plan, may, by
15 ordinance, levy a special property tax to pay for current service credit
16 purchased for the period between July 1, 1958, and the participation date of
17 the city. The special tax shall be to pay, within a period of no more than
18 fifteen (15) years, for the cost of such service credit over that which would be
19 funded within the existing employer contribution rate, as determined by the
20 board's consulting actuary. The reason for levying the special tax and the
21 disposition of the proceeds shall be part of the ordinance levying the tax. The
22 special tax shall be rescinded when the unfunded prior service liability has
23 been amortized, and shall not be subject to the provisions of KRS 132.017 or
24 132.027. In addition, the city may maintain any tax, the proceeds of which
25 had been devoted to funding pension obligations under the locally
26 administered plan prior to participation in the system, for the purpose of
27 funding current service costs incurred after the date of participation. The city

1 may increase the tax to pay current service costs which exceed the local
2 pension system costs to which the tax had been devoted, but the city shall not
3 collect from the tax more revenues than are necessary to pay current service
4 costs incurred after the date of participation. The city may continue the tax so
5 long as it participates in the system, and the tax shall not be subject to the
6 provisions of KRS 132.017 or 132.027. The city shall not collect either tax
7 authorized by this paragraph if its participation has been terminated pursuant
8 to KRS 78.535.

9 (d) The county may at a later date purchase current service credit from July 1,
10 1958, to the participation date of the county by alternate participation plan for
11 those employees who rejected membership in the system at the time the
12 county first participated. In addition, the employer shall pay the employer
13 contributions on the creditable compensation of the employees who later elect
14 membership from the participation date of the county to the date the member
15 elects participation. The employee shall pay the employee contributions on his
16 or her creditable compensation from the participation date of the county to the
17 date he or she elects membership plus interest at the current actuarial rate
18 compounded annually on the employee and employer contributions. Cost of
19 the service credit over and above that which would be funded within the
20 existing employer contribution rate shall be determined by the board's
21 consulting actuary. The expense of the actuarial service shall be paid by the
22 county. The county shall pay the cost of the service by lump sum or by adding
23 it to the existing payment schedule established under paragraph (b) of this
24 subsection.

25 (e) A county which did not participate by alternate participation may, until July 1,
26 1991, purchase current service credit for those employees who rejected
27 membership in the system at the time the county first participated. The

1 employer shall pay the employer contributions on the creditable compensation
2 of the employees who later elect membership from the participation date of
3 the county to the date the member elects participation. The employee shall
4 pay the employee contributions on his or her creditable compensation from
5 the participation date of the county to the date he or she elects membership
6 plus interest at the current actuarial rate compounded annually on the
7 employee and employer contributions. The county shall pay the cost of the
8 service credit by lump sum or by establishing a payment schedule under
9 paragraph (b) of this subsection.

10 (f) A county which participated in the system but did not elect the alternate
11 participation plan may at a later date elect the alternate participation plan. In
12 this case, the county shall purchase on behalf of each employee participating
13 in the system current service credit for employment in regular full-time
14 positions between July 1, 1958, or a later date selected by the county
15 government, and the participation date of the county. The county shall also
16 purchase, for employees who decide to participate when the county elects the
17 alternate participation plan, current service credit for employment in regular
18 full-time positions between July 1, 1958, or the later date selected by the
19 county government, and the participation date of the county. In addition, the
20 county shall pay the employer contributions on the creditable compensation of
21 the employees who later elect membership from the participation date of the
22 county to the date the member elects participation. The employee shall pay
23 the employee contributions on his or her creditable compensation from the
24 participation date of the county to the date he or she elects membership plus
25 interest at the current actuarial rate compounded annually on the employee
26 and employer contributions. Cost of the service credit over that which would
27 be funded within the existing employer contribution rate shall be determined

1 by the board's consulting actuary. The expense of the actuarial service shall be
2 paid by the county. The county shall pay the cost of the service by lump sum
3 or by a payment schedule established under paragraph (b) of this subsection.

4 (g) Notwithstanding any other provision of the Kentucky Revised Statutes to the
5 contrary, this subsection shall not apply to members who begin participating
6 in the system on or after January 1, 2014, and no county that elects to
7 participate in the system on or after January 1, 2014, shall be eligible to
8 participate under the alternate participation plan.

9 (4) Every school board not participating on June 21, 1974, shall enact a resolution of
10 participation no later than July 1, 1976.

11 (5) The order of the governing body of a county, as provided for in subsection (1) of
12 this section, may exclude from participation in the system hospitals and any other
13 semi-independent agency. Each such excluded agency shall be identified in the
14 order authorizing participation and such excluded agency may participate in the
15 system as a separate agency.

16 (6) (a) After August 1, 1988, except as permitted by KRS 65.156, no local
17 government retirement system shall be created pursuant to KRS 70.580 to
18 70.598 and any local government retirement systems created pursuant to KRS
19 79.080, 90.400, 90.410, 95.768, and KRS Chapter 96 shall be closed to new
20 members. New employees who would have been granted membership in such
21 retirement systems shall instead be granted membership in the County
22 Employees Retirement System. Employees who would have been granted
23 membership in retirement systems created pursuant to KRS 95.768, or any
24 other policemen or firefighters who would have been granted membership in
25 retirement systems created pursuant to KRS 79.080, 90.400, or 90.410, or any
26 such policemen or firefighter members employed on or prior to August 1,
27 1988, who transfer to the County Employees Retirement System, shall be

1 certified by their employers as working in hazardous positions. Each city
2 participating in the County Employees Retirement System pursuant to this
3 subsection shall execute the appropriate order authorizing such participation,
4 shall select the alternate participation plan as described in subsection (3) of
5 this section, and shall pay for the actuarial services necessary to determine the
6 additional costs of alternate participation. Cities which closed their local
7 pension systems to new members and participated in the system prior to July
8 15, 1988, whose employees at the time of transition were given the option to
9 join the system shall not be required to offer said employees a second option
10 to join the system.

11 (b) Notwithstanding any statute to the contrary, after April 9, 2002, the system
12 shall deny the request for participation of any agency which does not have an
13 irrevocable contract with the state Personnel Cabinet for health insurance
14 coverage under KRS 18A.225 to 18A.229 for its active employees, except that
15 agencies entering the system on or after April 9, 2002, which were established
16 by a merger or an interlocal agreement to provide public services shall be
17 excluded from this requirement if all agencies entering into the merger or
18 interlocal agreement had an initial participation date with the system prior to
19 April 9, 2002.

20 (7) Any city which closed a police and firefighter pension plan to new members
21 between January 1, 1988, and July 15, 1988, and participated in the system under
22 the alternate participation plan shall, if its police and firefighters were not covered
23 by Social Security, or any city which operates a pension under KRS 90.400 or
24 90.410, shall be required to certify that its police and firefighters are working in
25 hazardous positions, and shall offer its police and firefighters in service at the time
26 of entry a second option to participate under hazardous duty coverage if they were
27 not offered hazardous duty coverage at the time of their first option. The provisions

1 of subsection (3)(b) of this section notwithstanding, a city affected by this
2 subsection may, at its option, extend its payment schedule to the County Employees
3 Retirement System for alternate participation to thirty (30) years at the rate
4 actuarially assumed by the board.

5 ➔Section 20. KRS 78.540 is amended to read as follows:

6 Membership in the system shall consist of the following:

7 (1) (a) All persons who become employees of a participating county after the date the
8 county first participates in the system, except that:

- 9 1. Mayors and members of city legislative bodies may decline prior to their
10 participation in the system; and
- 11 2. City managers or other appointed local government executives who
12 participate in a retirement system, other than Social Security, may
13 decline prior to their participation in the system;

14 (b) All persons who are employees of a county on the date the county first
15 participates in the system, either in service or on authorized leave from
16 service, and who elect within thirty (30) days next following the county's
17 participation, or in the case of persons on authorized leave, within thirty (30)
18 days of their return to active service, to become members and thereby agree to
19 make contributions as provided in KRS 78.520 to 78.852; ***and***

20 (c) ~~[All persons who are employees of a county who did not elect to participate~~

23 ~~elect to participate the first day of a month after the county's date of~~
24 ~~participation;~~

25 (d) ~~All persons who declined participation as provided by paragraph (a) of this~~
26 ~~subsection and who later elect to participate. Persons who elect to participate~~
27 ~~under this paragraph may purchase service credit for any prior years in~~

1 ~~accordance with KRS 61.552(5)(a), provided the person began participating in~~
2 ~~the system prior to January 1, 2014. The service shall not be included in the~~

4 ~~78.5536; and~~

5 ~~(e)~~—]All persons electing coverage in the system under KRS 78.530(3)(d).

6 (2) The provisions of subsection (1)(a) ***and (b)***~~[(e)]~~ of this section notwithstanding,
7 cities which participate in the CERS and close existing local pension systems to
8 new, or all members pursuant to the provisions of KRS 78.530, 95.520, 95.621, or
9 95.852 shall not be required to provide membership in the County Employees
10 Retirement System to employees in any employee category not covered by a city
11 pension system at the date of participation.

12 (3) Membership in the system shall not include:

13 (a) Persons who are not eligible to participate in the system as provided by KRS
14 78.535; or

15 (b) Employees who are simultaneously participating in another state-administered
16 defined benefit plan within Kentucky other than those administered by the
17 Kentucky Retirement Systems or the County Employees Retirement System.

18 (4) (a) The membership of any person in the system shall cease:

19 1. Upon withdrawal of his or her accumulated account balance at or any
20 time after termination of employment, regardless of length of service;

21 2. Upon retirement;

22 3. Upon death;

23 4. For persons hired prior to August 1, 2000, upon termination of
24 employment with prejudice, as defined by paragraph (b) of this
25 subsection; or

26 5. For persons hired on or after August 1, 2000, upon conviction of a
27 felony relating to the person's employment as provided in paragraph (c)

1 of this subsection.

2 (b) For purposes of KRS 78.510 to 78.852, termination of employment with
3 prejudice shall mean termination as the result of conviction of the member in
4 a court of competent jurisdiction of embezzlement or larceny of public funds
5 or property or malfeasance in office, or the forcing of a member to make
6 restitution for any funds or property criminally taken by the member at the
7 time of termination of employment.

8 (c) Notwithstanding any provision of law to the contrary, an employee hired on
9 or after August 1, 2000, who participates in the system and who is convicted,
10 in any state or federal court of competent jurisdiction, of a felony related to
11 his or her employment shall forfeit rights and benefits earned under the
12 system, except for the return of his or her accumulated contributions and
13 interest credited on those contributions. The payment of retirement benefits
14 ordered forfeited shall be stayed pending any appeal of the conviction. If the
15 conviction is reversed on final judgment, no retirement benefit shall be
16 forfeited. The employer shall notify the system when an employee is
17 convicted under the provisions of this subsection.

18 (d) When membership ceases, except in the case of retirement, the member shall
19 thereafter lose all right to any retirement allowance or benefits under KRS
20 78.510 to 78.852 arising from service prior to the date of such cessation of
21 membership.

22 ➔Section 21. KRS 78.5528 is amended to read as follows:

4 through the promulgation of administrative regulation under which
5 members purchase individual health insurance coverage through a health
6 insurance exchange established under 42 U.S.C. sec. 18031 or 18041;
- 7 (b) "Monthly contribution rate" shall be the amount determined by the board
8 based upon the requirements of subsection (4)(a) to (d) of this section, except
9 that for members who began participating in the system on or after July 1,
10 2003, the term shall mean the amount determined in subsection (4)(e) of this
11 section; and
- 12 (c) "Months of service" shall mean the total months of combined service used to
13 determine benefits under the system, except service added to determine
14 disability benefits or service otherwise prohibited from being used to
15 determine retiree health benefits under KRS 78.510 to 78.852 shall not be
16 counted as "months of service."
- 17 (2) (a) 1. The board of trustees of the system shall arrange by appropriate contract
18 or on a self-insured basis to provide a group hospital and medical
19 insurance plan coverage for:
- 20 a. Present and future recipients of a retirement allowance from the
21 County Employees Retirement System; and
- 22 b. The spouse and each qualified dependent of a recipient who is a
23 former member or the beneficiary, provided the spouse and
24 dependent meet the requirements to participate in the hospital and
25 medical insurance plans established, contracted, or authorized by
26 the system.
- 27 2. Any recipient who chooses coverage under a hospital and medical

1 insurance plan shall pay, by payroll deduction from the retirement
2 allowance, electronic funds transfer, or by another method, the

11 benefits for recipients in the plan equal to those provided to state
12 employees having the same Medicare hospital and medical insurance
13 eligibility status. Notwithstanding the provisions of any other statute
14 except subparagraph 3.b. of this paragraph, system recipients shall be
15 included in the same class as current state employees for purposes of
16 determining medical insurance policies and premiums in the Kentucky
17 Employees Health Plan as provided by KRS 18A.225 to 18A.2287.
- 18 2. Regardless of age, if a recipient or the spouse or dependent child of a
19 recipient who elects coverage becomes eligible for Medicare, he or she
20 shall participate in the plans offered by the systems for Medicare
21 eligible recipients. Individuals participating in the Medicare eligible
22 plans may be required to obtain and pay for Medicare Part A and Part B
23 coverage in order to participate in the Medicare eligible plans offered by
24 the system.
- 25 3. The system shall continue to provide the same hospital and medical

- 1 a. The recipient is not eligible for Medicare coverage; or
- 2 b. The recipient would otherwise be eligible for Medicare coverage
- 3 but is subject to the Medicare Secondary Payer Act under 42
- 4 U.S.C. sec. 1395y(b) and has been reemployed by a participating
- 5 agency which offers the recipient a hospital and medical insurance
- 6 benefit or by a participating agency which is prevented from
- 7 offering a hospital and medical benefit to the recipient as a
- 8 condition of reemployment under KRS 70.293, 95.022, or
- 9 164.952. Individuals who are eligible, pursuant to this subdivision,
- 10 to be included in the Kentucky Employees Health Plan as provided
- 11 by KRS 18A.225 to 18A.2287 may be rated as a separate class
- 12 from other eligible employees and retirees for the purpose of
- 13 determining medical insurance premiums.
- 14 (c) For recipients of a retirement allowance who are not eligible for the same
- 15 level of hospital and medical benefits as recipients living in Kentucky having
- 16 the same Medicare hospital and medical insurance eligibility status, the board
- 17 shall provide a medical insurance reimbursement plan as described in
- 18 subsection (6) of this section.
- 19 (d) Notwithstanding anything in KRS Chapter 78 to the contrary, the board of
- 20 trustees, in its discretion, may take necessary steps to ensure compliance with
- 21 42 U.S.C. secs. 300bb-1 et seq.
- 22 (3) (a) Each employer participating in the County Employees Retirement System as
- 23 provided in KRS 78.510 to 78.852 shall contribute to the insurance trust fund
- 24 established by KRS 61.701 the amount necessary to provide the monthly
- 25 contribution rate as provided for under this section. Such employer
- 26 contribution rate shall be developed by appropriate actuarial method as a part
- 27 of the determination of each respective employer contribution rate determined

1 under KRS 78.635.

- 2 (b) 1. Each employer described in paragraph (a) of this subsection shall deduct
3 from the creditable compensation of each member whose membership
4 date begins on or after September 1, 2008, an amount equal to one
5 percent (1%) of the member's creditable compensation. The deducted
6 amounts shall, at the discretion of the board, be credited to accounts
7 established pursuant to 26 U.S.C. sec. 401(h), within the funds
8 established in KRS 78.520, or the insurance trust fund established under
9 KRS 61.701. Notwithstanding the provisions of this paragraph, a
10 transfer of assets between the accounts established pursuant to 26 U.S.C.
11 sec. 401(h), within the funds established in KRS 78.520, and the
12 insurance trust fund established under KRS 61.701 shall not be allowed.
- 13 2. The employer shall file the contributions as provided by subparagraph 1.
14 of this paragraph at the retirement office in accordance with KRS
15 78.625. Any interest or penalties paid on any delinquent contributions
16 shall be credited to accounts established pursuant to 26 U.S.C. sec.
17 401(h), within the funds established in KRS 78.520, or the insurance
18 trust fund established under KRS 61.701. Notwithstanding any
19 minimum compensation requirements provided by law, the deductions
20 provided by this paragraph shall be made, and the compensation of the
21 member shall be reduced accordingly.
- 22 3. Each employer shall submit payroll reports, contributions lists, and other
23 data as may be required by administrative regulation promulgated by the
24 board of trustees pursuant to KRS Chapter 13A.
- 25 4. Every member shall be deemed to consent and agree to the deductions
26 made pursuant to this paragraph, and the payment of salary or
27 compensation less the deductions shall be a full and complete discharge

1 of all claims for services rendered by the person during the period
2 covered by the payment, except as to any benefits provided by KRS
3 78.510 to 78.852. No member may elect whether to participate in, or
4 choose the contribution amount to accounts established pursuant to 26
5 U.S.C. sec. 401(h) within the funds established in KRS 78.520, or the
6 insurance trust fund established under KRS 61.701. The member shall
7 have no option to receive the contribution required by this paragraph
8 directly instead of having the contribution paid to accounts established
9 pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS
10 78.520, or the insurance trust fund established under KRS 61.701. No
11 member may receive a rebate or refund of contributions. If a member
12 establishes a membership date prior to September 1, 2008, pursuant to
13 KRS 61.552(2) or (3), then this paragraph shall not apply to the member
14 and all contributions previously deducted in accordance with this
15 paragraph shall be refunded to the member without interest. The
16 contribution made pursuant to this paragraph shall not act as a reduction
17 or offset to any other contribution required of a member or recipient
18 under KRS 78.510 to 78.852.

19 5. The board of trustees, at its discretion, may direct that the contributions
20 required by this paragraph be accounted for within accounts established
21 pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS
22 78.520, or the insurance trust fund established under KRS 61.701,
23 through the use of separate accounts.

24 (4) (a) The premium required to provide hospital and medical insurance plan
25 coverage under this section shall be paid wholly or partly from funds
26 contributed by:

27 1. The recipient of a retirement allowance, by payroll deduction from his

1 or her retirement allowance, electronic funds transfer, or by other
2 method;

- 3 2. The insurance trust fund established by KRS 61.701 or accounts
4 established pursuant to 26 U.S.C. sec. 401(h) within the funds
5 established in KRS 78.520;
- 6 3. Another state-administered retirement system, including the systems
7 administered by Kentucky Retirement Systems, under a reciprocal
8 arrangement, except that any portion of the premium paid from the
9 funds specified by subparagraph 2. of this paragraph under a reciprocal
10 agreement shall not exceed the amount that would be payable under this
11 section if all the member's service were in the County Employees
12 Retirement System. If the board provides for cross-referencing of
13 insurance premiums, the employer's contribution for the working
14 member or spouse shall be applied toward the premium, and the
15 insurance trust fund established under KRS 61.701 or accounts
16 established pursuant to 26 U.S.C. sec. 401(h) within the funds
17 established in KRS 78.520, shall pay the balance; or
- 18 4. A combination of the fund sources described by subparagraph 1. to 3. of
19 this paragraph.

20 Group rates under the hospital and medical insurance plan shall be made
21 available to the spouse, each dependent child, and each disabled child,
22 regardless of the disabled child's age, of a recipient who is a former member
23 or the beneficiary, if the premium for the hospital and medical insurance for
24 the spouse, each dependent child, and each disabled child, or beneficiary is
25 paid by payroll deduction from the retirement allowance, electronic funds
26 transfer, or by another method. For purposes of this subsection only, a child
27 shall be considered disabled if he or she has been determined to be eligible for

1 federal Social Security disability benefits or meets the dependent disability
2 standard established by the Department of Employee Insurance in the
3 Personnel Cabinet.

4 (b) For a member who began participating in the system prior to July 1, 2003, the
5 monthly contribution rate shall be paid by the system from the funds specified
6 under paragraph (a)2. of this subsection and shall be equal to a percentage of
7 the single premium to cover the retired member as follows:

- 8 1. One hundred percent (100%) of the monthly premium for single

13 duty-related injury as defined in KRS 61.621;
- 14 2. Seventy-five percent (75%) of the monthly premium for single coverage
15 shall be paid for a retired member who had less than two hundred forty

17 service upon retirement, provided such retired member agrees to pay the
18 remaining twenty-five percent (25%) by payroll deduction from his or
19 her retirement allowance, electronic funds transfer, or by another
20 method;
- 21 3. Fifty percent (50%) of the monthly premium for single coverage shall be
22 paid for a retired member who had less than one hundred eighty (180)
23 months of service but had at least one hundred twenty (120) months of
24 service upon retirement, provided such retired member agrees to pay the
25 remaining fifty percent (50%) by payroll deduction from his or her
26 retirement allowance, electronic funds transfer, or by another method; or
- 27 4. Twenty-five percent (25%) of the monthly premium for single coverage

1 shall be paid for a retired member who had less than one hundred twenty
2 (120) months of service but had at least forty-eight (48) months of
3 service upon retirement, provided such retired member agrees to pay the
4 remaining seventy-five percent (75%) by payroll deduction from his or
5 her retirement allowance, electronic funds transfer, or by another
6 method.

7 (c) Notwithstanding paragraph (b) of this subsection, for a member participating
8 in the system prior to July 1, 2003, who:

- 9 1. Dies as a direct result of an act in line of duty as defined in KRS 78.510

25 61.621 and is eligible for the benefits provided by KRS 61.621(5)(a), the
26 monthly premium shall be paid for each dependent child as defined in
27 KRS 78.510, so long as the member remains eligible for a monthly

1 retirement benefit, unless deceased, and each dependent child

4 (b) At least once every five (5) years, the Auditor of Public Accounts shall
5 perform the audit described by this subsection, and the system shall reimburse
6 the Auditor of Public Accounts for all costs of the audit. The Auditor of
7 Public Accounts shall determine which fiscal year during the five (5) year
8 period the audit prescribed by this paragraph will be completed.

9 (13) All expenses incurred by or on behalf of the system and the board in the

14 specific to the County Employees Retirement System that are not otherwise covered
15 by KRS 61.505(11)(a).

16 (14) Except as provided under subsection (16) of this section or KRS 61.665, any person
17 adversely affected by a decision of the board involving KRS 78.510 to 78.852 may

26 (b) A trustee discharges his or her duties on an informed basis if, when he or she
27 makes an inquiry into the business and affairs of the system or into a

2 care an ordinary prudent person in a like position would exercise under
3 similar circumstances.

4 (c) In discharging his or her duties, a trustee may rely on information, opinions,
5 reports, or statements, including financial statements and other financial data,
6 if prepared or presented by:

- 7 1. One (1) or more officers or employees of the system or Authority whom
8 the trustee honestly believes to be reliable and competent in the matters
9 presented;

11 matters the trustee honestly believes are within the person's professional
12 or expert competence; or
- 13 3. A committee of the board of trustees of which he or she is not a member
14 if the trustee honestly believes the committee merits confidence.

15 (d) A trustee shall not be considered as acting in good faith if he or she has
16 knowledge concerning the matter in question that makes reliance otherwise
17 permitted by paragraph (c) of this subsection unwarranted.

18 (e) Any action taken as a trustee, or any failure to take any action as a trustee,
19 shall not be the basis for monetary damages or injunctive relief unless:

- 20 1. The trustee has breached or failed to perform the duties of the trustee's
21 office in compliance with this section; and
- 22 2. In the case of an action for monetary damages, the breach or failure to

25 (f) A person bringing an action for monetary damages under this section shall
26 have the burden of proving by clear and convincing evidence the provisions of

2 system.

3 (g) In discharging his or her administrative duties under this section, a trustee
4 shall strive to administer the system in an efficient and cost-effective manner
5 for the taxpayers of the Commonwealth of Kentucky and shall take all actions
6 available under the law to contain costs for the trusts, including costs for
7 participating employers, members, and retirees.

8 (16) When an order by the system substantially impairs the benefits or rights of a
9 member, retired member, or recipient, except action which relates to entitlement to
10 disability benefits, or when an employer disagrees with an order of the system as
11 provided by KRS 61.598, the affected member, retired member, recipient, or
12 employer may request a hearing to be held in accordance with KRS Chapter 13B.
13 The board may establish an appeals committee whose members shall be appointed
14 by the chair and who shall have authority to act upon the recommendations and
15 reports of the hearing officer on behalf of the board. The member, retired member,
16 recipient, or employer aggrieved by a final order of the board following the hearing
17 may appeal the decision to the Franklin Circuit Court, in accordance with KRS

9 financing, and investing of the system. If a trustee fails to complete the annual
10 required training during the calendar or fiscal year, the retirement system shall
11 withhold payment of the per diem and travel expenses due to the board
12 member under this section until the board member has met the annual training
13 requirements; and

- 14 (c) The system shall incorporate by reference in an administrative regulation,
15 pursuant to KRS 13A.2251, the trustee education program.

19 available to the public:

8 subject to reduction or impairment by alteration, amendment, or repeal.
- 9 (2) (a) For members who begin participating in the County Employees Retirement
10 System on or after January 1, 2014, the General Assembly reserves the right
11 to amend, suspend, or reduce the benefits and rights provided under KRS
12 78.510 to 78.852 if, in its judgment, the welfare of the Commonwealth so
13 demands, except that the amount of benefits the member has accrued at the
14 time of amendment, suspension, or reduction shall not be affected.
- 15 (b) For purposes of this subsection, the amount of benefits the member has

20 Assembly's authority to change any other benefit or right specified by KRS
21 78.510 to 78.852, except the benefits specified by paragraph (b) of this
22 subsection, for members who begin participating in the County Employees
23 Retirement System on or after January 1, 2014.

2 (4) The responsibility for funding the provisions of KRS 78.510 to 78.852 shall be the
3 responsibility of the employers participating in the County Employees Retirement
