AN ACT relating to child support.
Be it enacted by the General Assembly of the Commonwealth of Kentucky:
$\rightarrow$ Section 1. KRS 403.211 is amended to read as follows:
(1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child at any time following conception as defined in KRS 311.7701. The action may be brought in the county in which the child \{resides $\}$, mother, or twhere ]the defendant resides.
(2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 or 403.2121 shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.
(3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:
(a) A child's extraordinary medical or dental needs;
(b) A child's extraordinary educational, job training, or special needs;
(c) Either parent's own extraordinary needs, such as medical expenses;
(d) The independent financial resources, if any, of the child or children;
(e) Combined monthly adjusted parental gross income in excess of the Kentucky child support guidelines;
(f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no
such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the Federal Social Security Act; and
(g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.
(4) "Extraordinary" as used in this section shall be determined by the court in its discretion.
(5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212 or 403.2121.
(6) The court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, reasonable and necessary child care costs incurred due to employment, job search, or education leading to employment, in addition to the amount ordered under the child support guidelines.
(7) (a) Pursuant to 45 C.F.R. sec. 303.31(a)(2), for the purposes of this section, "health care coverage" includes fee for service, health maintenance organization, preferred provider organization, and other types of private health insurance and public health care coverage under which medical services could be provided to a dependent child. If health care coverage is reasonable in cost and accessible to either parent at the time the request for coverage is made, the court shall order the parent to obtain or maintain coverage, and the court shall allocate between the parents, in proportion to
their combined monthly adjusted parental gross income, the cost of health care coverage for the child, in addition to the support ordered under the child support guidelines.
(b) A parent, who has one hundred percent (100\%) of the combined monthly adjusted parental gross income, shall be entitled to a reduction in gross income of the entire amount of premiums incurred and paid.
(c) The court shall order the cost of health care coverage of the child to be paid by either or both parents of the child regardless of who has physical custody. The court order shall include:

1. A judicial directive designating which parent shall have financial responsibility for providing health care coverage for the dependent child, which shall include but not be limited to health care coverage, payments of necessary health care deductibles or copayments;
2. If appropriate, cash medical support. "Cash medical support" means an amount to be paid toward the cost of health care coverage, fixed payments for ongoing medical costs, extraordinary medical expenses, or any combination thereof; and
3. A statement providing that if the designated parent's health care coverage provides for covered services for dependent children beyond the age of majority, then any unmarried children up to twenty-five (25) years of age who are full-time students enrolled in and attending an accredited educational institution and who are primarily dependent on the insured parent for maintenance and support shall be covered.
(d) If health care coverage is not reasonable in cost and accessible at the time the request for the coverage is made, the court order shall provide for cash medical support until health care coverage becomes reasonable in cost and accessible.
(8) (a) For purposes of this section, "reasonable in cost" means that the cost of coverage to the responsible parent does not exceed five percent (5\%) of his or her gross income. The five percent (5\%) standard shall apply to the cost of adding the child to an existing policy, the difference in the cost between a single and a family policy, or the cost of acquiring a separate policy to cover the child. If the parties agree or the court finds good cause exists, the court may order health care coverage in excess of five percent (5\%) of the parent's gross income.
(b) For purposes of this section, "accessible" means that there are providers who meet the health care needs of the child and who are located no more than sixty (60) minutes or sixty (60) miles from the child's primary residence, except that nothing shall prohibit use of a provider located more than sixty (60) minutes or sixty (60) miles from the child's primary residence.
(9) The cost of extraordinary medical expenses shall be allocated between the parties in proportion to their combined monthly adjusted parental gross incomes. "Extraordinary medical expenses" means uninsured expenses in excess of two hundred fifty dollars (\$250) per child per calendar year. "Extraordinary medical expenses" includes but is not limited to the costs that are reasonably necessary for medical, surgical, dental, orthodontal, optometric, nursing, and hospital services; for professional counseling or psychiatric therapy for diagnosed medical disorders; and for drugs and medical supplies, appliances, laboratory, diagnostic, and therapeutic services.
(10) The court order shall include the Social Security numbers, provided in accordance with KRS 403.135, of all parties subject to a support order.
(11) In any case administered by the Cabinet for Health and Family Services, if the parent ordered to provide health care coverage is enrolled through an insurer but fails to enroll the child under family coverage, the other parent or the Cabinet for

Health and Family Services may, upon application, enroll the child.
(12) In any case administered by the cabinet, information received or transmitted shall not be published or be open for public inspection, including reasonable evidence of domestic violence or child abuse if the disclosure of the information could be harmful to the custodial parent or the child of the parent. Necessary information and records may be furnished as specified by KRS 205.175.
(13) In the case in which a parent is obligated to provide health care coverage, and changes employment, and the new employer provides health care coverage, the Cabinet for Health and Family Services shall transfer notice of the provision for coverage for the child to the employer, which shall operate to enroll this child in the obligated parent's health plan, unless the obligated parent contests the notice as specified by KRS Chapter 13B.
(14) Notwithstanding any other provision of this section, any wage or income shall not be exempt from attachment or assignment for the payment of current child support or owed or to-be-owed child support.
(15) A payment of money received by a child as a result of a parental disability shall be credited against the child support obligation of the parent. A payment shall not be counted as income to either parent when calculating a child support obligation. An amount received in excess of the child support obligation shall be credited against a child support arrearage owed by the parent that accrued subsequent to the date of the parental disability, but shall not be applied to an arrearage that accrued prior to the date of disability. The date of disability shall be as determined by the paying agency.
$\rightarrow$ Section 2. KRS 403.212 (Effective until July 1, 2025) is amended to read as follows:
(1) The following provisions and child support table shall be the child support guidelines established for the Commonwealth of Kentucky.
(2) The Cabinet for Health and Family Services shall:
(a) Promulgate an administrative regulation in accordance with KRS Chapter 13A establishing a child support obligation worksheet; and
(b) Make accessible on its website[Web site] a manual providing examples or illustrations of the application of the child support guidelines and the child support obligation worksheet.
(3) For the purposes of the child support guidelines:
(a) "Income" means actual gross income of the parent if employed to full capacity or potential income if unemployed or underemployed;
(b) "Gross income" includes income from any source, except as excluded in this subsection, and includes but is not limited to income from salaries, wages, retirement and pension funds, commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, Social Security benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, Supplemental Security Income (SSI), gifts, prizes, and alimony or maintenance received. Specifically excluded are benefits received from means-tested public assistance programs, including but not limited to public assistance as defined under Title IV-A of the Federal Social Security Act, and food stamps;
(c) For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required for self-employment or business operation. Straight-line depreciation, using Internal Revenue Service (IRS) guidelines, shall be the only allowable method of calculating depreciation expense in determining gross income. Specifically excluded from ordinary and necessary expenses for purposes of this guideline shall be investment tax credits or any other business
expenses inappropriate for determining gross income for purposes of calculating child support. Income and expenses from self-employment or operation of a business shall be carefully reviewed to determine an appropriate level of gross income available to the parent to satisfy a child support obligation. In most cases, this amount will differ from a determination of business income for tax purposes. Expense reimbursement or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business or personal use of business property or payments of expenses by a business, shall be counted as income if they are significant and reduce personal living expenses such as a company or business car, free housing, reimbursed meals, or club dues;
(d) "Self-support reserve" means a low-income adjustment amount to the obligor [obligated parent] of nine hundred fifteen dollars (\$915) per month that considers the subsistence needs of the obligor with a limited ability to pay in accordance with 45 C.F.R. sec. 302.56(c)(1)(ii), and as applied under subsection (5) of this section;
(e) 1. If there is a finding that a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of potential income, except that a finding of voluntary unemployment or underemployment and a determination of potential income shall not be made for a parent who is incarcerated, physically or mentally incapacitated, or is caring for a very young child, age three (3) or younger, for whom the parents owe a joint legal responsibility;
2. A court may find a parent is voluntarily unemployed or underemployed without finding that the parent intended to avoid or reduce the child support obligation; and
3. Imputation of potential income, when applicable, shall include
consideration of the following circumstances of the parents, to the extent known:
a. Assets and residence;
b. Employment, earning history, and job skills;
c. Educational level, literacy, age, health, and criminal record that could impair the ability to gain or continue employment;
d. Record of seeking work;
e. Local labor market, including availability of employment for which the parent may be qualified and employable;
f. Prevailing earnings in the local labor market; and
g. Other relevant background factors, including employment barriers;
(f) "Obligor" has the same meaning as in KRS 205.710;
(g) "Imputed child support obligation" means the amount of child support the parent would be required to pay from application of the child support guidelines;
(h) Income statements of the parents shall be verified by documentation of both current and past income. Suitable documentation shall include, but shall not be limited to, income tax returns, paystubs, employer statements, or receipts and expenses if self-employed;
(i) "Combined monthly adjusted parental gross income" means the combined monthly gross incomes of both parents, less any of the following payments made by the parent:

1. The amount of pre-existing orders for current maintenance for prior spouses to the extent payment is actually made and the amount of current maintenance, if any, ordered paid in the proceeding before the court;
2. The amount of pre-existing orders of current child support for prior-born
children to the extent payment is actually made under those orders; and
3. A deduction for the support to the extent payment is made, if a parent is legally responsible for and is actually providing support for other priorborn children who are not the subject of a particular proceeding. If the prior-born children reside with that parent, an "imputed child support obligation" shall be allowed in the amount which would result from application of the guidelines for the support of the prior-born children; and
(j) "Split custody arrangement" means a situation where each parent has sole custody and decision-making authority while the child or children is in his or her residence. Visitation only occurs when the child is in residence with the other parent.
(4) Any child support obligation shall be calculated by using the number of children for whom the parents share a joint legal responsibility.
(5) (a) Except as provided in paragraph (b) of this subsection, the child support obligation set forth in the child support guidelines table shall be divided between the parents in proportion to their combined monthly adjusted parental gross income.
(b) The child support obligation of an obligor fobligated parent] whose monthly adjusted gross income is equal to or less than the amounts in subparagraphs 1. to 5 . of this paragraph shall be calculated using the monthly adjusted gross income of the obligor[obligated parent] alone to provide for the self-support reserve. The following monthly adjusted gross income amounts shall qualify an individual for the self-support reserve:
4. One thousand one hundred dollars $(\$ 1,100)$ with one $(1)$ child;
5. One thousand three hundred dollars $(\$ 1,300)$ with two (2) children;
6. One thousand four hundred dollars $(\$ 1,400)$ with three (3) children;
7. One thousand five hundred dollars ( $\$ 1,500$ ) with four (4) or five (5) children; or
8. One thousand six hundred dollars $(\$ 1,600)$ with six $(6)$ or more children.
(c) The obligor[fobligated parent] shall pay the lesser support amount calculated in accordance with:
9. Paragraph (a) of this subsection;
10. Paragraph (b) of this subsection; and
11. As determined under KRS 403.2121 if the shared parenting time credit is applicable.
(6) The minimum amount of child support shall be sixty dollars (\$60) per month, except as provided in KRS 403.2121(3).
(7) The court may use its judicial discretion in determining child support in circumstances where combined adjusted parental gross income exceeds the uppermost levels of the guideline table.
(8) The child support obligation in a split custody arrangement shall be calculated in the following manner:
(a) Two (2) separate child support obligation worksheets shall be prepared, one (1) for each household, using the number of children born of the relationship in each separate household, rather than the total number of children born of the relationship.
(b) The parent with the greater monthly obligation amount shall pay the difference between the obligation amounts, as determined by the worksheets, to the other parent.
(9) A child support order established under Section 1 of this Act shall be calculated using the guidelines table in subsection (10) of this section and shall be retroactive to the date of the filing of a motion pursuant to KRS 403.160.

$\rightarrow$ Section 3. KRS 403.212 (Effective July 1, 2025) is amended to read as follows:
(1) The following provisions and child support table shall be the child support guidelines established for the Commonwealth of Kentucky.
(2) The Office of the Attorney General shall:
(a) Promulgate an administrative regulation in accordance with KRS Chapter 13A establishing a child support obligation worksheet; and
(b) Make accessible on its website a manual providing examples or illustrations of the application of the child support guidelines and the child support obligation worksheet.
(3) For the purposes of the child support guidelines:
(a) "Income" means actual gross income of the parent if employed to full capacity or potential income if unemployed or underemployed;
(b) "Gross income" includes income from any source, except as excluded in this subsection, and includes but is not limited to income from salaries, wages, retirement and pension funds, commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, Social Security
benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, Supplemental Security Income (SSI), gifts, prizes, and alimony or maintenance received. Specifically excluded are benefits received from means-tested public assistance programs, including but not limited to public assistance as defined under Title IV-A of the Federal Social Security Act, and food stamps;
(c) For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required for self-employment or business operation. Straight-line depreciation, using Internal Revenue Service (IRS) guidelines, shall be the only allowable method of calculating depreciation expense in determining gross income. Specifically excluded from ordinary and necessary expenses for purposes of this guideline shall be investment tax credits or any other business expenses inappropriate for determining gross income for purposes of calculating child support. Income and expenses from self-employment or operation of a business shall be carefully reviewed to determine an appropriate level of gross income available to the parent to satisfy a child support obligation. In most cases, this amount will differ from a determination of business income for tax purposes. Expense reimbursement or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business or personal use of business property or payments of expenses by a business, shall be counted as income if they are significant and reduce personal living expenses such as a company or business car, free housing, reimbursed meals, or club dues;
(d) "Self-support reserve" means a low-income adjustment amount to the obligor $[$ obligated parent] of nine hundred fifteen dollars (\$915) per month
that considers the subsistence needs of the obligor with a limited ability to pay in accordance with 45 C.F.R. sec. 302.56(c)(1)(ii), and as applied under subsection (5) of this section;
(e) 1. If there is a finding that a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of potential income, except that a finding of voluntary unemployment or underemployment and a determination of potential income shall not be made for a parent who is incarcerated, physically or mentally incapacitated, or is caring for a very young child, age three (3) or younger, for whom the parents owe a joint legal responsibility;
2. A court may find a parent is voluntarily unemployed or underemployed without finding that the parent intended to avoid or reduce the child support obligation; and
3. Imputation of potential income, when applicable, shall include consideration of the following circumstances of the parents, to the extent known:
a. Assets and residence;
b. Employment, earning history, and job skills;
c. Educational level, literacy, age, health, and criminal record that could impair the ability to gain or continue employment;
d. Record of seeking work;
e. Local labor market, including availability of employment for which the parent may be qualified and employable;
f. Prevailing earnings in the local labor market; and
g. Other relevant background factors, including employment barriers;
(f) "Obligor" has the same meaning as in KRS 15.800;
(g) "Imputed child support obligation" means the amount of child support the
parent would be required to pay from application of the child support guidelines;
(h) Income statements of the parents shall be verified by documentation of both current and past income. Suitable documentation shall include, but shall not be limited to, income tax returns, paystubs, employer statements, or receipts and expenses if self-employed;
(i) "Combined monthly adjusted parental gross income" means the combined monthly gross incomes of both parents, less any of the following payments made by the parent:

1. The amount of pre-existing orders for current maintenance for prior spouses to the extent payment is actually made and the amount of current maintenance, if any, ordered paid in the proceeding before the court;
2. The amount of pre-existing orders of current child support for prior-born children to the extent payment is actually made under those orders; and
3. A deduction for the support to the extent payment is made, if a parent is legally responsible for and is actually providing support for other priorborn children who are not the subject of a particular proceeding. If the prior-born children reside with that parent, an "imputed child support obligation" shall be allowed in the amount which would result from application of the guidelines for the support of the prior-born children; and
(j) "Split custody arrangement" means a situation where each parent has sole custody and decision-making authority while the child or children is in his or her residence. Visitation only occurs when the child is in residence with the other parent.
(4) Any child support obligation shall be calculated by using the number of children for
whom the parents share a joint legal responsibility.
(5) (a) Except as provided in paragraph (b) of this subsection, the child support obligation set forth in the child support guidelines table shall be divided between the parents in proportion to their combined monthly adjusted parental gross income.
(b) The child support obligation of an obligor [obligated parent] whose monthly adjusted gross income is equal to or less than the amounts in subparagraphs 1. to 5 . of this paragraph shall be calculated using the monthly adjusted gross income of the obligorfobligated parent alone to provide for the self-support reserve. The following monthly adjusted gross income amounts shall qualify an individual for the self-support reserve:
4. One thousand one hundred dollars $(\$ 1,100)$ with one $(1)$ child;
5. One thousand three hundred dollars $(\$ 1,300)$ with two (2) children;
6. One thousand four hundred dollars $(\$ 1,400)$ with three (3) children;
7. One thousand five hundred dollars $(\$ 1,500)$ with four (4) or five (5) children; or
8. One thousand six hundred dollars $(\$ 1,600)$ with six (6) or more children.
(c) The obligor febligated parent\} shall pay the lesser support amount calculated in accordance with:
9. Paragraph (a) of this subsection;
10. Paragraph (b) of this subsection; and
11. As determined under KRS 403.2121 if the shared parenting time credit is applicable.
(6) The minimum amount of child support shall be sixty dollars (\$60) per month, except as provided in KRS 403.2121(3).
(7) The court may use its judicial discretion in determining child support in circumstances where combined adjusted parental gross income exceeds the
uppermost levels of the guideline table.
(8) The child support obligation in a split custody arrangement shall be calculated in the following manner:
(a) Two (2) separate child support obligation worksheets shall be prepared, one (1) for each household, using the number of children born of the relationship in each separate household, rather than the total number of children born of the relationship.
(b) The parent with the greater monthly obligation amount shall pay the difference between the obligation amounts, as determined by the worksheets, to the other parent.
(9) A child support order established under Section 1 this Act shall be calculated using guidelines table in subsection (10) of this section and shall be retroactive to the date of the filing of a motion pursuant to KRS 403.160.
(10) The child support guidelines table is as follows:
