20 (1) The fiscal court of each county having a population of thirty thousand (30,000) or
21 more may by ordinance impose license fees on franchises, provide for licensing any
22 business, trade, occupation, or profession, and the using, holding, or exhibiting of

22 **if the city license fee is equal to or greater than the license fee rate imposed**
23 **by the county at the time of the annexation;**

24 **(b) If the city license fee is less than the license fee imposed by the county at the**
25 **time of the annexation, only the portion of the county license fee that**

23 county license fee except by agreement between the county and the city in
24 accordance with subsection (6) of this section;

21 application of this section that can be given effect without the invalid
22 provision or application, and to this end the provisions of this subsection are
23 severable.

24 (11) Pursuant to this section, no fiscal court shall regulate any aspect of the manner in
25 which any duly ordained, commissioned, or denominationally licensed minister of
26 religion may perform his or her duties and activities as a minister of religion. Duly
