1   AN ACT relating to digital precinct boundary requirements.

2   *Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

3   ➔Section 1.   KRS 117.055 is amended to read as follows:

4   Subject to KRS 117.0551 to 117.0555:

5   (1)   Each county shall be divided into election precincts by the county board of

6   elections. Each election precinct shall be composed of contiguous and, as nearly as

7   practicable, compact areas having clearly definable boundaries and wholly

8   contained within any larger district. The county board of elections shall establish

9   precincts so that no boundary of a precinct crosses the boundary of:

10   (a)   The Commonwealth;

11   (b)   A county or urban-county;

12   (c)   A congressional district;

13   (d)   A state senatorial district;

14   (e)   A state representative district;

15   (f)   A justice of the peace or county commissioner's district established under

16   KRS Chapter 67; or

17   (g)   An aldermanic ward established under KRS 83.440.

18 (2)   The county board of elections shall have the authority to draw precinct lines so as to

19   enable more than one (1) precinct to vote at one (1) location. The county board of

20   elections shall review election precinct boundaries as often as necessary. Without

21   exception, they shall review the boundaries of all election precincts exceeding

22   seven hundred (700) votes cast in the last regular election prior to each primary

23   election, and the State Board of Elections may require a written report at least sixty

24   (60) days prior to the candidate filing deadline set forth in KRS 118.165(1) and (2)

25   on each election precinct exceeding seven hundred (700) votes cast in the last

26   regular election. Consideration to the division of said election precincts should be

27   based on the anticipated growth factor within the specified boundaries; however,

1 the county board of elections shall not be prohibited from dividing election

2 precincts in excess of seven hundred (700) votes cast in the last regular election or

3 less than seven hundred (700) votes cast in the last regular election if they elect to

4 do so. However, the State Board of Elections may, in its discretion, withhold from a

5 county the expenses of an election under KRS 117.345 for any precinct containing

6 more than one thousand five hundred (1,500) registered voters, excluding those

7 precincts utilizing optical scan voting equipment and those periods of time in which

8 the precinct boundaries have been frozen under KRS 117.056.

9 (3) No election precinct shall be created, divided, abolished, or consolidated or the

10 boundaries therein changed prior to any primary to comply with the provisions of

11 KRS 117.055 to 117.0555 and KRS 117.0557 later than the last date prescribed by

12 election law generally for filing notification and declaration forms with the county

13 clerk or Secretary of State. No election precinct shall be created, divided, abolished,

14 or consolidated or the boundaries therein changed prior to any regular election to

15 comply with the provisions of KRS 117.055 to 117.0555 and KRS 117.0557 later

16 than the last date prescribed by election law generally for filing certificates or

17 petitions of nomination with the county clerk or Secretary of State.

18 (4) The county board of elections shall designate the name or number and the

19 boundaries of the election precincts. Each precinct shall contain, as nearly as

20 practicable, an equal number of voters, based on the number of registered voters in

21 the county.

8   *(7)*   If the county board of elections fails to perform any of the duties required by KRS

9   117.055 to 117.0555 and KRS 117.0557:

10   (a)   The State Board of Elections or any citizen and voter of the county may apply

11   to the Circuit Court of the county for a summary mandatory order requiring

12   the board to perform the duty. Appeals may be taken to the Court of Appeals

13   by either party; and

14   (b)   The State Board of Elections shall not submit claims for payments to the

15   county under KRS 117.343 and 117.345 until the State Board of Elections

16   determines in writing that the duty has been performed.
