→ Section 1. KRS 158.175 is amended to read as follows:

Pupils shall be informed 11 that these exercises are not meant to influence an individual's personal religious 12 beliefs in any manner. The exercises shall be conducted so that pupils shall learn of 13 our great freedoms, including the freedom of religion symbolized by the recitation 14 of the Lord's prayer.

15 (2) The board of education of each school district shall establish a policy and develop
procedures whereby the pupils in each elementary and secondary school may

the flag of the United States of America, including instruction in etiquette, the
correct use and display of the flag, and other patriotic exercises as may be related.
