3 (1) The cabinet shall fund, directly or through a contracting entity or entities, in each
4 district, a program of essential services which shall have as its primary purpose the
5 prevention of unnecessary institutionalization of functionally impaired elderly
6 persons. The cabinet may use funds appropriated under this section to contract with
7 public and private agencies, long-term care facilities, local governments, and other
8 providers to provide core and essential services. The cabinet may provide core and
9 essential services when such services cannot otherwise be purchased.

10 (2) In providing essential services, all existing community resources available to
11 functionally impaired elderly persons shall be utilized. Additional services may be
12 provided, but shall not be funded from funds appropriated under this section.
13 Volunteers may be used where practicable to provide essential services to
14 functionally impaired elderly persons. The cabinet or contracting entity shall
15 provide or arrange for the provision of training and supervision of volunteers to
16 ensure the delivery of quality services. The cabinet or contracting entity shall
17 provide or arrange for appropriate insurance coverage to protect volunteers from
18 personal liability while acting within the scope of their volunteer duties. In
19 providing essential services under this section, the cabinet shall provide services to
20 meet the needs of the minority elderly as identified by the cabinet pursuant to KRS
21 205.201.

22 (3) Entities contracting with the cabinet to provide essential services under KRS
23 205.455 and this section shall provide a minimum of fifteen percent (15%) of the
24 funding necessary for the support of program operations. No local match is required
25 for assessment and case management. Local contributions, whether materials,
26 commodities, transportation, office space, personal services, or other types of
27 facilities services, or funds may be evaluated and counted toward the fifteen percent

1 (15%) local funding requirements.
2 (4) When possible, funding for core services may be obtained under:
3 (a) The Comprehensive Annual Social Services Program plan under Title XX of
4 the Social Security Act;
5 (b) The Medical Assistance Plan under Titles XVIII and XIX of the Social
6 Security Act;
7 (c) The State Plan on Aging under the Older Americans Act; or
8 (d) Veteran's benefit programs under the provisions of 38 U.S.C. secs. 1 et seq.,
9 as amended.
10 The cabinet may***, except as provided in Section 1 of this Act,*** seek federal waivers
11 if necessary to enable the use of funds provided through Titles XVIII and XIX of
12 the Social Security Act for the provision of essential services.
13 (5) Providers contracting with the cabinet to provide essential services shall be
14 responsible for the collection of fees and contributions for services in accordance
15 with administrative regulations promulgated by the cabinet. Providers are
16 authorized to assess and collect fees for services rendered in accordance with those
17 administrative regulations. To help pay for essential services received, a
18 functionally impaired elderly person shall pay an amount of money based on an
19 overall ability to pay in accordance with a schedule of fees established by the
20 cabinet. Fees shall reflect the degree to which the cabinet or contracting entity uses
21 volunteers in the provision of services. Where essential services are provided by
22 volunteers, fees shall only be assessed in an amount that will cover the cost of
23 materials and other goods used in the provision of services. The cost of materials
24 and other goods used by volunteers shall be reasonably similar to the cost of goods
25 when paid personnel are used. Fees shall not be required of any person who is
26 "needy aged" as defined in KRS 205.010; however, voluntary contributions may be
27 encouraged. This subsection shall not apply to programs utilizing federal funds

1 when administrative regulations require contributions to revert to the original
2 funding source.

11 secretary for health and family services may***, except as provided in Section 1 of***
12 ***this Act,*** by regulation comply with any requirement that may be imposed or
13 opportunity that may be presented by federal law. Nothing in KRS 205.510 to

16 XIX of the Social Security Act which require that the Kentucky Medical Assistance
17 Program recover from third parties which have a legal liability to pay for care and
18 services paid by the Kentucky Medical Assistance Program.

19 (5) The Kentucky Medical Assistance Program shall be the payor of last resort and its
20 right to recover under KRS 205.622 to 205.630 shall be superior to any right of
21 reimbursement, subrogation, or indemnity of any liable third party.
