22 options. The board may receive and may apply to rental payments under any  
23 lease and to the cost of providing for the operation of the television or related  
24 facilities not only appropriations which may be made to it from state funds,  
25 from time to time, but also contributions, gifts, matching funds, devises, and  
26 bequests from any source, whether federal or state, and whether public or  
27 private, so long as the same are not conditioned upon any improper use of the

1 television or related facilities in a manner inconsistent with the provisions of  
2 this subsection.
