l <b>→</b> Sec	ction 3. KRS	5 139.480 is	amended to	read as follows:
----------------	--------------	--------------	------------	------------------

2 Any other provision of this chapter to the contrary notwithstanding, the terms "sale at

- 3 retail," "retail sale," "use," "storage," and "consumption," as used in this chapter, shall not
- 4 include the sale, use, storage, or other consumption of:
- 5 (1) Locomotives or rolling stock, including materials for the construction, repair, or
- 6 modification thereof, or fuel or supplies for the direct operation of locomotives and
- 7 trains, used or to be used in interstate commerce;
- 8 (2) Coal for the manufacture of electricity;
- 9 (3) (a) All energy or energy-producing fuels used in the course of manufacturing,
- processing, mining, or refining and any related distribution, transmission, and
- transportation services for this energy that are billed to the user, to the extent
- that the cost of the energy or energy-producing fuels used, and related
- distribution, transmission, and transportation services for this energy that are
- billed to the user exceed three percent (3%) of the cost of production.
- 15 (b) Cost of production shall be computed on the basis of a plant facility, which
- shall include all operations within the continuous, unbroken, integrated
- manufacturing or industrial processing process that ends with a product
- packaged and ready for sale.
- 19 (c) A person who performs a manufacturing or industrial processing activity for a
- fee and does not take ownership of the tangible personal property that is
- incorporated into, or becomes the product of, the manufacturing or industrial
- 22 processing activity is a toller. For periods on or after July 1, 2018, the costs of
- 23 the tangible personal property shall be excluded from the toller's cost of
- 24 production at a plant facility with tolling operations in place as of July 1,
- 25 2018.
- 26 (d) For plant facilities that begin tolling operations after July 1, 2018, the costs of
- 27 tangible personal property shall be excluded from the toller's cost of

production if the toller:
---------------------------

1. Maintains a binding contract for periods after July 1, 2018, that governs the terms, conditions, and responsibilities with a separate legal entity, which holds title to the tangible personal property that is incorporated into, or becomes the product of, the manufacturing or industrial processing activity;

- 2. Maintains accounting records that show the expenses it incurs to fulfill the binding contract that include but are not limited to energy or energy-producing fuels, materials, labor, procurement, depreciation, maintenance, taxes, administration, and office expenses;
- Maintains separate payroll, bank accounts, tax returns, and other records that demonstrate its independent operations in the performance of its tolling responsibilities;
- 4. Demonstrates one (1) or more substantial business purposes for the tolling operations germane to the overall manufacturing, industrial processing activities, or corporate structure at the plant facility. A business purpose is a purpose other than the reduction of sales tax liability for the purchases of energy and energy-producing fuels; and
- 5. Provides information to the department upon request that documents fulfillment of the requirements in subparagraphs 1. to 4. of this paragraph and gives an overview of its tolling operations with an explanation of how the tolling operations relate and connect with all other manufacturing or industrial processing activities occurring at the plant facility;
- (4) Livestock of a kind the products of which ordinarily constitute food for human consumption, provided the sales are made for breeding or dairy purposes and by or to a person regularly engaged in the business of farming;

(5) Poultry for use in breeding or egg production;

1

- 2 (6) Farm work stock for use in farming operations;
- 3 (7)Seeds, the products of which ordinarily constitute food for human consumption or 4 are to be sold in the regular course of business, and commercial fertilizer to be applied on land, the products from which are to be used for food for human 5 6 consumption or are to be sold in the regular course of business; provided the sales 7 are made to farmers who are regularly engaged in the occupation of tilling and 8 cultivating the soil for the production of crops as a business, or who are regularly 9 engaged in the occupation of raising and feeding livestock or poultry or producing 10 milk for sale; and provided further that tangible personal property so sold is to be 11 used only by those persons designated above who are so purchasing;
- 12 (8) Insecticides, fungicides, herbicides, rodenticides, and other farm chemicals to be
  13 used in the production of crops as a business, or in the raising and feeding of
  14 livestock or poultry, the products of which ordinarily constitute food for human
  15 consumption;
- 16 (9) Feed, including pre-mixes and feed additives, for livestock or poultry of a kind the 17 products of which ordinarily constitute food for human consumption;
- 18 (10) Machinery for new and expanded industry;
- 19 (11) Farm machinery. As used in this section, the term "farm machinery":
- 20 (a) Means machinery used exclusively and directly in the occupation of:
- 21 1. Tilling the soil for the production of crops as a business;
- 22 2. Raising and feeding livestock or poultry for sale; or
