

1 AN ACT relating to state-operated mental health facilities.

2 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

3 ➔Section 1. KRS 210.040 is amended to read as follows:

4 The Cabinet for Health and Family Services shall:

- 5 (1) Exercise all functions of the state in relation to the administration and operation of  
6 the state facilities~~[institutions]~~ for the care and treatment of persons with mental  
7 illness;
- 8 (2) Establish or acquire, in accordance with the provisions of KRS 56.440 to 56.550,  
9 other or additional facilities for psychiatric care and treatment of persons who are or  
10 may become state charges;
- 11 (3) Cooperate with other state agencies for the development of a statewide mental  
12 health program looking toward the prevention of mental illness and the  
13 aftercare~~[post-institutional care]~~ of persons released from public or private mental  
14 hospitals;
- 15 (4) Provide for the custody, maintenance, care, and medical and psychiatric treatment  
16 of the patients of the facilities~~[institutions]~~ operated by the cabinet, including  
17 emergency and other medical care required to be provided outside of the facility  
18 while the patient is admitted to the facility. Expenses of the outside medical  
19 provider, other than elective procedures or elective surgery, shall be paid by the  
20 cabinet and included in the determination of the patient liability when not  
21 covered by the patient's third-party payor;
- 22 (5) Provide psychiatric consultation for the state penal and correctional institutions, and  
23 for the state facilities~~[institutions]~~ operated for children or for persons with an  
24 intellectual disability;
- 25 (6) Administer and supervise programs for the ~~[noninstitutional]~~ care of persons with  
26 mental illness outside of state facilities;
- 27 (7) Administer and supervise programs for the care of persons with chronic mental

- 1 illness, including but not limited to provision of the following:
- 2 (a) Identification of persons with chronic mental illness residing in the area to be  
3 served;
- 4 (b) Assistance to persons with chronic mental illness in gaining access to  
5 essential mental health services, medical and rehabilitation services,  
6 employment, housing, and other support services designed to enable persons  
7 with chronic mental illness to function outside inpatient facilities~~[institutions]~~  
8 to the maximum extent of their capabilities;
- 9 (c) Establishment of community-based transitional living facilities with twenty-  
10 four (24) hour supervision and community-based cooperative facilities with  
11 part-time supervision; provided that, no more than either one (1) transitional  
12 facility or one (1) cooperative facility may be established in a county  
13 containing a city of the first class or consolidated local government with any  
14 funds available to the cabinet;
- 15 (d) Assurance of the availability of a case manager for each person with chronic  
16 mental illness to determine what services are needed and to be responsible for  
17 their provision; and
- 18 (e) Coordination of the provision of mental health and related support services  
19 with the provision of other support services to persons with chronic mental  
20 illness;
- 21 (8) Require all providers who receive public funds through state contracts, state grants,  
22 or reimbursement for services provided to have formalized quality assurance and  
23 quality improvement processes, including but not limited to a grievance procedure;  
24 and
- 25 (9) Supervise private mental hospitals receiving patients committed by order of a court.
