

1 A CONCURRENT RESOLUTION directing the Legislative Research Commission
2 to study access to sexual assault nurse examiners.

3 WHEREAS, a sexual assault nurse examiner (SANE) is a highly trained and
4 specialized registered nurse who provides compassionate and comprehensive care to
5 patients who have experienced sexual assault or abuse; and

6 WHEREAS, a registered nurse who holds a SANE A/A credential issued by the
7 Kentucky Board of Nursing is trained in the forensic examination of adults and
8 adolescents who have reached the onset of physiological normal puberty or older who
9 have been the victim of sexual assault or abuse; and

10 WHEREAS, a registered nurse who holds a SANE P/A credential issued by the
11 Kentucky Board of Nursing is trained in the forensic examination of pediatrics and
12 adolescents who have not reached the onset of physiological normal puberty or
13 individuals up to age 18 who have been the victim of sexual assault or abuse; and

14 WHEREAS, a SANE collects and preserves evidence and testifies in legal
15 proceedings of sexual assault or abuse cases; and

16 WHEREAS, a SANE works in collaboration with the investigative team,
17 prosecutors, the multidisciplinary healthcare team, and protection and advocacy centers
18 to ensure that sexual assault victims receive adequate trauma-informed care after a sexual
19 assault; and

20 WHEREAS, as of 2024, there were 449 credentialed SANE A/As and 41
21 credentialed SANE P/As; and

22 WHEREAS, in Kentucky there are six training centers for the SANE A/A
23 credential and two for the SANE P/A credential; and

24 WHEREAS, the Sexual Assault Forensic Evidence (SAFE) Act of 2016 has
25 increased the number of law enforcement officers trained to respond to and investigate
26 sexual assault, increased the number of credentialed SANEs and SANE-ready hospitals,
27 decreased the window of time to test forensic evidence, created a sexual assault forensic

1 evidence (SAFE) kit tracking portal, paved the way for funding additional sexual assault
2 investigators dedicated to solving these types of crimes, and more; and

3 WHEREAS, there are 22 hospitals in Kentucky with a SANE-ready designation,
4 but some do not employ more than one SANE who is available 24/7; and

5 WHEREAS, the Sexual Assault Response Team Advisory Committee identifies
6 increasing access to SANE care across the Commonwealth as one component of
7 addressing sexual violence that needs urgent action; and

8 WHEREAS, analysis of access to SANEs in the Commonwealth is necessary to
9 help identify policy options for improving access so that greater justice may be achieved
10 for citizens of the Commonwealth who are victims of sexual assault and abuse and
11 greater safety may be secured for all citizens of the Commonwealth;

12 NOW, THEREFORE,

13 ***Be it resolved by the House of Representatives of the General Assembly of the***
14 ***Commonwealth of Kentucky, the Senate concurring therein:***

15 ➔Section 1. The staff of the Legislative Research Commission is directed to
16 complete a study of the access to Sexual Assault Nurse Examiners (SANE) in emergency
17 care settings. Staff shall consult with the members of the Sexual Assault Response Team
18 Advisory Committee established in KRS 403.707 in conducting the study.

19 ➔Section 2. The study required by Section 1 of this Resolution shall include, to
20 the extent the data is available, but not be limited to an analysis of:

- 21 (1) The geographical gaps in SANE coverage by hospitals;
- 22 (2) The barriers to filling the geographic gaps in SANE coverage by hospitals;
- 23 (3) The geographic location of credentialed SANE A/As and SANE P/As;
- 24 (4) The number of credentialed SANE A/As and SANE P/As employed full-time
25 in emergency care settings and by which hospitals;
- 26 (5) The number of hospitals that employ a SANE full-time and the hospital
27 department of employment;

1 (6) The number of hospitals with SANEs employed full-time that are designated
2 as SANE-ready hospitals;

3 (7) The number of hospitals that contract with a SANE for on-call services;

4 (8) The number of hospitals that contract with a SANE for on-call services that
5 are designated as SANE-ready hospitals;

6 (9) The barriers to hospitals obtaining a SANE-ready designation; and

7 (10) For each of the preceding 5 years:

8 (a) The number of sexual violence victims who have been referred or transferred
9 from a hospital emergency department in the Commonwealth to another hospital
10 emergency department for completion of a sexual assault forensic examination, the
11 reason for the referral, and the county where the referral was made; and

12 (b) The number of sexual assault forensic examinations (SAFE) completed in
13 each hospital, the credentials of the person completing each SAFE, and whether a rape
14 crisis center advocate was contacted as required by 502 KAR 12:010.

15 ➔Section 3. (1) The report of the completed study required by Section 1 of
16 this Resolution shall include but not be limited to a:

17 (a) Description of the problem;

18 (b) Detailed analysis of the data listed in Section 2 of this Resolution;

19 (c) Discussion of any data in Section 2 of this Resolution that is not available for
20 analysis; and

21 (d) Discussion of any policy options to improve data collection and to address the
22 need for greater access to credentialed sexual assault nurse examiners.

23 (2) A report of the completed study shall be submitted to the Legislative Research
24 Commission for referral to the Interim Joint Committee on Health Services and the
25 Interim Joint Committee on Judiciary no than December 1, 2025.

26 ➔Section 4. Provisions of this Resolution to the contrary notwithstanding, the
27 Legislative Research Commission shall have the authority to alternatively assign the

- 1 issues identified herein to an interim joint committee or subcommittee thereof, and to
- 2 designate a study completion date.
