

1 A JOINT RESOLUTION directing the Department of Fish and Wildlife Resources  
2 to evaluate and report on the repair or replacement of the Great Crossing Dam and  
3 declaring an emergency.

4 WHEREAS, the Great Crossing Dam is a low-head dam in Georgetown, Kentucky,  
5 located on North Elkhorn Creek near Great Crossing Park; and

6 WHEREAS, on May 5, 2021, Eduardo Ponce lost his life in a drowning accident  
7 while kayaking at the Great Crossing Dam due to abnormally high waters; and

8 WHEREAS, 15 months later, on August 7, 2022, Joe Wilkerson also lost his life in  
9 a drowning accident while rafting at the Great Crossing Dam, also due to abnormally  
10 high waters; and

11 WHEREAS, the Great Crossing Dam has been the center of controversy for quite  
12 some time, specifically with regard to whether the dam should be renovated or removed  
13 entirely; and

14 WHEREAS, in its current state, the Great Crossing Dam is a hazard to the local and  
15 tourist population of Scott County; and

16 WHEREAS, the Department of Fish and Wildlife Resources owns the Great  
17 Crossing Dam; and

18 WHEREAS, the Department of Fish and Wildlife Resources has proposed  
19 removing the Great Crossing Dam due to the dangers it presents; and

20 WHEREAS, removal of the Great Crossing Dam may cause irrigation issues and  
21 have an adverse impact on water recreation and fishing in the area; and

22 WHEREAS, the members of the General Assembly recognize the need to preserve  
23 and maintain the dams and waterways of the Commonwealth, while also prioritizing the  
24 safety of its citizens,

25 NOW, THEREFORE,

26 ***Be it resolved by the General Assembly of the Commonwealth of Kentucky:***

27 ➔Section 1. The Department of Fish and Wildlife Resources is hereby directed to

1 delay the demolition of the Great Crossing Dam until after December 31, 2027, if funds  
2 are not approved and appropriated for replacement of the dam by the General Assembly,  
3 the Department of Fish and Wildlife Resources, the Scott County Fiscal Court, the  
4 Georgetown City Council, or other sources before June 1, 2027.

5 ➔Section 2. The Department of Fish and Wildlife Resources is directed to:

6 (1) Hold quarterly, public, in-person meetings in Scott County, beginning on the  
7 effective date of this Resolution and continuing through December 31, 2026, to seek  
8 public input on the future of the Great Crossing Dam and update the public on the latest  
9 findings related to the project from the Department of Fish and Wildlife Resources or its  
10 designees;

11 (2) Provide monthly written updates to the Scott County Fiscal Court and the  
12 Georgetown City Council until December 31, 2027;

13 (3) Present in-person updates to the Scott County Fiscal Court and the  
14 Georgetown City Council twice annually until December 31, 2027;

15 (4) Solicit bids to make required structural repairs and add safety features and  
16 warning devices, such as signage, fencing, and buoys to the existing Great Crossing Dam  
17 by August 1, 2025, in order to mitigate the risk of injury and loss of human life. The  
18 department shall report all bids to the Scott County Fiscal Court, the Georgetown City  
19 Council, the Interim Joint Committee on Appropriations and Revenue, the Budget  
20 Review Subcommittee on Economic Development, Tourism, and Environmental  
21 Protection, and the Interim Joint Committee on Local Government by September 15,  
22 2025; and

23 (5) Solicit bids to replace the Great Crossing Dam, including the costs to add  
24 safety features and warning devices, such as signage, fencing, and buoys to mitigate the  
25 risk of injury and loss of human life, by October 1, 2025, The department shall report all  
26 bids to the Scott County Fiscal Court, the Georgetown City Council, the Interim Joint  
27 Committee on Appropriations and Revenue, the Budget Review Subcommittee on

1 Economic Development, Tourism, and Environmental Protection, and the Interim Joint  
2 Committee on Local Government by November 15, 2025.

3 →Section 3. (1) The Department of Fish and Wildlife Resources, or its  
4 contracted designee, is directed to conduct a study and report its findings to the Scott  
5 County Fiscal Court, the Georgetown City Council, the Interim Joint Committee on  
6 Appropriations and Revenue, the Budget Review Subcommittee on Economic  
7 Development, Tourism, and Environmental Protection, and the Interim Joint Committee  
8 on Local Government by December 31, 2025, on the consequences of demolishing the  
9 Great Crossing Dam for the following:

10 (a) Impact on current water quality;

11 (b) Impact on upstream and downstream pools of water;

12 (c) Impact of increased sewer discharge from the new Georgetown Municipal  
13 Water and Sewer Company's treatment facility;

14 (d) Impact on pedestrian, motor vehicle, and marine traffic at the Great Crossing  
15 Dam and the adjoining county park;

16 (e) Economic and socioeconomic impact on residential neighborhoods and  
17 sources of outdoor recreation, including but not limited to fishing, hunting, boating,  
18 kayaking, and golfing;

19 (f) Economic impact and feedback from small businesses located in Scott  
20 County, including but not limited to homeowners associations, restaurants, golf courses,  
21 fuel stations, grocery stores, and outdoor stores such as bait and tackle shops;

22 (g) Impact on traffic on Robinson Lane, also known as Elkview Road, and  
23 Robinson Dam due to increased congestion;

24 (h) Impact on agricultural community upstream and downstream of the Great  
25 Crossing Dam; and

26 (i) Impact on fish population and aquatic wildlife upstream and downstream of  
27 the Great Crossing Dam.

1 (2) The report required by subsection (1) of this section shall also include:

2 (a) Any safety measures that could be constructed for the current and potential  
3 new Great Crossing Dam to prevent access to foot traffic on top of the dam, upstream and  
4 downstream warning signage, and devices such as buoys;

5 (b) The identification of any restricted funds and funding sources within the  
6 Department of Fish and Wildlife Resources that could be utilized to make necessary  
7 repairs to the Great Crossing Dam, or any costs associated with replacing the dam,  
8 including but not limited to design, engineering, and construction; and

9 (c) The identification of any federal or state grant opportunities to assist with  
10 funding to repair or replace the Great Crossing Dam.

11 ➔Section 4. Before completion of the study directed in Section 3 of this  
12 Resolution, the Department of Fish and Wildlife or its designee is directed to consult with  
13 the following entities regarding the repair or replacement of the Great Crossing Dam, and  
14 include its findings within its report as required in Section 3 of this Resolution:

15 (1) Scott County Fiscal Court;

16 (2) Office of the Scott County Judge/Executive;

17 (3) Scott County Farm Bureau;
