8 on Committees.

9 **Rule 2. Quorum.** A majority of the members elected to the House shall  
10 constitute a quorum. If a quorum is not present at the time fixed for a meeting of the  
11 House, five members may adjourn or recess from day to day or from time to time and  
12 fifteen members may order a call of the House and send for absent members.

13 On any session day during which remote voting is authorized under House Rule

19 limited to a video call in which the member's face can be seen.

20 **Rule 3. Call of the House.** Upon a call of the House, the Clerk shall call the  
21 roll. Absentees are then only noted, but no excuses shall be made until the full roll is  
22 called. The Clerk shall then call the absentees again. Excuses will be heard at this time.  
23 The doors of the House Chamber shall then be closed and the absentees not excused by  
24 the House may be sent for and arrested by the Sergeant-at-Arms and the House shall  
25 determine upon what conditions they shall be discharged from arrest. Members who  
26 voluntarily appear shall be immediately admitted to the floor of the House and names  
27 returned upon the Journal as present unless the House otherwise directs. Excuses for

1 leaves of absence must receive a consent approval of two-thirds of the members elected.

21 upon adjournment shall have precedence in the class of business to which it properly  
22 belongs upon the next succeeding legislative day.

23 **MOTIONS**

24 **Rule 6. Reading of Motions.** When a motion has been made and seconded, it  
25 shall be stated by the Speaker, or, being in written form, it shall be read by the Clerk  
26 before debate, amendment or motion concerning it shall be in order.

27 **Rule 7. Withdrawal of Motions.** Every oral motion after it has been stated by

1 the Speaker, and every written motion, bill, resolution or other paper, after it has been  
2 read by the Clerk, shall be the property and in the possession of the House and shall not  
3 be withdrawn without consent of the House. Every written motion, report or measure  
4 may be committed or recommitted at the pleasure of the House.

5 **Rule 8. Order of Questions.** All questions, whether in Committee of the Whole  
6 or in the House, when not privileged questions, shall be propounded in the order in which  
7 they were moved, except that in filling blanks the smallest sum and the most remote date  
8 shall be put first.

9 **Rule 9. Precedence of Motions.** When a question is under consideration, no  
10 motion shall be in order except:

- 11 1. To call the House when there is no quorum present.
- 12 2. To fix the time to which the House shall adjourn.
- 13 3. To adjourn.
- 14 4. To take recess.
- 15 5. To lay on the table.
- 16 6. For the previous question.
- 17 7. To limit or extend limits of debate.
- 18 8. To postpone to a fixed time.
- 19 9. To lay on the Clerk's desk.
- 20 10. To refer or commit.
- 21 11. To amend.
- 22 12. To postpone indefinitely.

23 The above several motions shall have precedence in the order in which they are  
24 arranged and the first seven of them shall not be debatable.

25 A second motion to adjourn, to take a recess, to lay on the table, for the previous  
26 question, to limit or extend limits of debate, to postpone to a time certain, to lay on the  
27 Clerk's desk, to refer or commit or to postpone indefinitely shall not be in order on the

1 same day, upon the same question, and at the same status unless other business  
2 intervenes; provided, however, that amendments may be made to the time to which it is  
3 proposed to adjourn, to take a recess or to postpone to a fixed time.

4 **Rule 10. Motion to Adjourn.** A motion to adjourn, to take a recess, or a motion  
5 to adjourn to a time certain, shall always be in order, except when a member is speaking,  
6 while a vote is being taken or when the Committee on Committees is reporting; subject,  
7 however, to the limitations set out in Rule 9. A motion to adjourn or a motion to adjourn  
8 to a time certain shall be taken by roll call vote, unless the motion is made after the  
9 House has reached adjournment in the order of business under Rule 4, in which case  
10 adjournment shall be by voice vote unless a roll call is ordered by a majority of the  
11 members.

12 **Rule 11. Motion to Table.** The adoption of the motion to table, under these rules,  
13 defeats the subject matter under consideration. The reconsideration of the motion to table  
14 shall require approval of a majority of the members elected.

15 **Rule 12. Previous Question.** The previous question may be ordered by a three-  
16 fifths majority of the members elected. On the call of the roll, ~~and subject to any motion~~  
17 ~~to limit debate,~~ no member shall be allowed to speak more than three ~~[two]~~ minutes to  
18 explain a vote, ~~and no more than one minute if the member has already spoken on the~~  
19 ~~measure,~~ and shall not speak at all if the question is not a debatable question. The effect  
20 of the previous question shall be to put an end to debate on any pending amendment; to  
21 prevent the offering of additional amendments and to bring the House to an immediate  
22 vote upon any amendment that has been called and is in order. Once the previous  
23 question has been ordered, and any pending amendment has been voted upon, the  
24 opponents of the measure shall have ten minutes, and proponents of the measure shall  
25 have ten minutes, ~~[all debate shall cease and the House shall immediately]~~ before the  
26 vote upon ~~[on]~~ the main question.

27 **Rule 13. Motion to Set the Limits on Debate.** A motion to set a time limit for

1 debate on a measure,~~[ which may include a time limit for explanation of votes,]~~ in excess  
2 of that permitted under Rule 12, shall be in order unless the previous question shall have  
3 been ordered on the measure. The time limit set for debate~~[ and explanation of votes]~~  
4 under this rule shall be allotted by the Speaker evenly between the opponents of the  
5 measure and the proponents of the measure. Adoption of a motion under this rule does  
6 not prevent the offering of additional amendments.

7 **Rule 14. Motion to Reconsider.** A motion to reconsider a vote shall not be in  
8 order unless made by a member who voted upon the prevailing side of the question, nor  
9 shall that motion be in order unless made within two legislative days in which the House  
10 is in session next after the date the vote was taken and the bill or resolution is in the  
11 possession of the House; however, the motion to reconsider when coupled with the  
12 additional motion to lay that motion upon the table may be made by any member. For  
13 purposes of this rule, a member who is recorded as "not voting" on a proposition which  
14 failed is considered to have voted on the prevailing side. Procedural motions, such as a  
15 motion to lay on the table or lay on the clerk's desk, shall not be subject to a motion to  
16 reconsider.

17 **Rule 15. Motion to Lay on Clerk's Desk.** The effect of the adoption of a motion  
18 to lay on the Clerk's desk under these rules is to place in charge of the Clerk the pending  
19 question and everything adhering to it. A motion laid on the Clerk's desk may be taken  
20 from the desk and proceeded with at any time in the same order as when laid on the  
21 Clerk's desk.

22 **Rule 16. Motion to Strike Out Enacting Clause.** A motion to amend by striking  
23 out the enacting words of a bill or resolution shall have precedence over a motion to  
24 amend; and, if adopted, shall have the same effect as though the bill or resolution were  
25 regularly voted upon and rejected.

26 **Rule 17. Motion to Separate Part of a Measure.** A motion to commit,  
27 recommit, or postpone a part of a measure so as to separate that part of the measure from

1 the remainder shall not be in order.

2 **Rule 18. Postponement of Measure.** When a measure shall have been postponed  
3 indefinitely it shall not be in order again during the session.

4 **Rule 19. Reading of Pending Papers.** Any pending bill, resolution, motion or  
5 report shall be read upon the request of any member, with the concurrence of a majority  
6 of the members elected to the House, but it shall not again be read on the same day unless  
7 so ordered by the House.

8 **Rule 20. Nominations.** In all elections a previous nomination shall be made.

9 **MEMBERS**

10 **Rule 21. Attendance of Members.** No member shall be absent from a session of  
11 the House without leave from the House. For the purposes of this rule, a member shall be  
12 considered present if the member is in his or her Capitol Annex office during any session  
13 when remote voting is authorized pursuant to House Rule 67A or if the member is in his  
14 or her automobile on the Capitol Campus during any session when alternative voting is  
15 authorized pursuant to House Rule 68A.

16 **Rule 22. Decorum of Members.** No member shall designate another member by  
17 name. All members shall treat fellow members with the utmost courtesy and respect. All  
18 members' remarks in debate shall be confined to the subject under debate, avoiding  
19 personality. ~~[A sign, poster, or any other object, the purpose of which can be reasonably  
20 construed to indicate support or opposition to any measure before the House, and which  
21 is large enough to be generally visible from the chair, shall not be displayed in the House  
22 Chamber, or in a member's Capitol Annex office during any session when remote voting  
23 is authorized pursuant to House Rule 67A, by any member while the House is in session.]~~

24 **Rule 22A. Point of Personal Privilege.** To be in order, a point of personal  
25 privilege must relate to allegations regarding the rights, reputation, or conduct of a  
26 member personally, in the member's capacity as a representative, that, if true, would  
27 incapacitate them for membership. Members who have the floor after claiming a point of

1 personal privilege shall confine themselves to defending their own rights, reputations, or  
2 conduct, and not those of other members. Members wishing to make general comments  
3 about pending legislation, media coverage, or other matters that would be out of order if  
4 raised as a point of personal privilege shall use Motions, Petitions, Communications, and  
5 Announcements.

6 **Rule 22B. Required Training.** Each member of the House shall complete  
7 workplace harassment prevention training at the beginning of each session of the General  
8 Assembly.

9 **Rule 23. Call to Order.** If any member, in speech or otherwise, transgresses the  
10 rules of order or decorum, the member shall immediately be called to order by the chair  
11 and shall be seated. *The Clerk shall reduce the objectionable words to writing and read*  
12 *them to the House.* After hearing a short explanation from the member called to order, or  
13 upon the withdrawal of the objectionable language, the Speaker may permit the member  
14 to proceed, or may compel silence upon the member until the matter is disposed of. The  
15 ruling of the chair shall be subject to an appeal to the House. A member offending the  
16 House shall be liable to censure.

17 **Rule 24. Debate.** No member may speak more than once to the same subject until  
18 all members desiring to be heard have spoken, but nothing in this rule shall do away with  
19 the previous question if then in effect, nor permit debate on an undebatable motion.

20 No member shall speak more than thirty minutes in the aggregate on any question  
21 or measure, at the end of which period, or any portion thereof, the floor shall be returned  
22 to the Speaker.

23 **Rule 25. Members Shall Vote at Seats.** Except when remote voting is  
24 authorized pursuant to House Rule 67A or alternative voting is authorized pursuant to  
25 House Rule 68A, a member shall vote only when at the member's seat or visibly  
26 approaching it.

27

1           **Rule 26. Duties of Speaker.** The Speaker shall take the chair every day precisely  
2 at the hour fixed for the meeting of the House and on the appearance of a quorum, shall  
3 cause the Journal of the preceding day to be read, unless the reading of the same is  
4 dispensed with by the House.

5           *In the order of business Introduction of Guests, the Speaker may appoint any*

22 underscored; and when an amendment proposes the elimination of matter in an existing  
23 law, that elimination shall be indicated on the bill by placing the material proposed to be  
24 eliminated in brackets, and by striking through the words to be eliminated with a single  
25 line so as not to render those words illegible. In any bill seeking to repeal existing  
26 sections of the Kentucky Revised Statutes, the sections sought to be repealed shall be  
27 identified by way of inclusion of the headnotes applied to each section as it appears in the

1 Kentucky Revised Statutes. All bills recommending or reauthorizing a study by an  
2 interim committee, task force, or special committee of the Legislative Research  
3 Commission shall include the following language: "Provisions of this statute to the  
4 contrary notwithstanding, the Legislative Research Commission shall have the authority  
5 to alternatively assign the issues identified herein to an interim joint committee or  
6 subcommittee thereof, and to designate a study completion date." The Legislative  
7 Research Commission staff shall see that all bills introduced have been prepared through  
8 the computerized bill preparation system of the Legislative Research Commission.

9 **Rule 51. Introduction of Bills.** A member may introduce bills and resolutions by  
10 filing them with the House Clerk on the floor or in the Clerk's office at any time the  
11 office is open. The member filing the bill or resolution shall be the primary sponsor of the  
12 bill or resolution, and with the sponsor's permission, one member may sign the bill as  
13 primary co-sponsor. Other members may co-sponsor the bill or resolution only with the  
14 sponsor's permission and by either filing the proper papers with the Clerk or by  
15 indicating their desire to co-sponsor the bill or resolution in the Legislative Research  
16 Commission Remote Voting System or, upon motion by the primary sponsor of a simple  
17 resolution to allow co-sponsorship by a roll call vote made immediately following  
18 adoption of the resolution, by indicating their desire to co-sponsor the resolution by an  
19 affirmative vote. Bills and resolutions must be signed by the sponsors and co-sponsors  
20 with the member's legislative district numbers beside their signature, except in the case  
21 of co-sponsorship by the Legislative Research Commission Remote Voting System or  
22 roll call vote as permitted by this rule. A co-sponsor may withdraw co-sponsorship of the  
23 bill or resolution with or without the sponsor's permission by filing the proper papers  
24 with the Clerk. Bills and resolutions filed after the House has concluded the Introduction  
25 and Reading of New Bills, in Rule 4, Order of Business, shall be considered as having  
26 been introduced the next succeeding legislative day. The House Clerk shall number bills  
27 in the order received and transmit a copy immediately after introduction on the House

1 floor to the Committee on Committees for reference to committee.

2 In a regular session in an even-numbered year, no bill or resolution having the force  
3 of law shall be introduced after the thirty-eighth legislative day of the session. In a  
4 regular session in an odd-numbered year, no bill or resolution having the force of law  
5 shall be introduced after the fourteenth legislative day of the session.

6 The last two legislative days preceding the veto recess shall be reserved by the  
7 House exclusively for the business of concurring in amended House bills, receding from  
8 House amendments, considering conference and free conference committee reports, and  
9 final passage and enrollment of legislation. No House bills or House resolutions having  
10 the force of law, other than those referred to in the previous sentence, shall be placed  
11 upon their passage later than the fifty-third legislative day in even-year regular sessions,  
12 nor later than the twenty-fifth legislative day in odd-year regular sessions; and on the  
13 fifty-fourth legislative day in an even-year regular session and on the twenty-sixth  
14 legislative day in an odd-year regular session, all bills other than those referred to in the  
15 previous sentence that remain in the Orders of the Day shall be returned to the Rules  
16 Committee.

17 The House shall not consider any bills or resolutions having the force of law for  
18 concurrence, recession, adoption of conference or free conference committee reports, or  
19 final passage if they are received after 5 p.m. on the final concurrence day of a regular  
20 session. Any legislative day falling after the veto recess shall be reserved by the House  
21 exclusively for the purposes of considering gubernatorial veto messages.

22 **Rule 52. Statutory Fiscal Impact Statements.** The staff of the Legislative  
23 Research Commission shall analyze and prepare a fiscal statement for any bill which, if  
24 enacted, would fiscally affect local governments in a significant manner through the  
25 imposition of a local mandate; constitute a mandated health benefit; change the financial  
26 liability of any public retirement system administered by an agency of state government;  
27 or fiscally affect state or local corrections services in a significant manner, including any

1 bill which would modify or create a criminal penalty or otherwise affect the population of  
2 a correctional system or facility. No measure for which the preparation of a fiscal  
3 statement has been requested or is required pursuant to this rule shall be placed in the  
4 Orders of the Day until the fiscal statement is attached, unless the requirement is waived  
5 by a vote of a majority of the members elected to the House.

6 **Rule 52A. Member Requested Fiscal Notes.** A sponsor of a bill which, if enacted,  
7 would affect the revenues or expenditures of the Commonwealth generally, may at any  
8 time by request cause the staff of the Legislative Research Commission to analyze and  
9 prepare a fiscal note for the measure describing such impacts on revenues or  
10 expenditures. The fiscal note, if requested, shall be delivered to the sponsor.

11 The chair or a majority of the committee to which a bill has been referred may  
12 require that a fiscal note be attached to the bill prior to final committee action.

13 Members may require, by majority vote, that a fiscal note be prepared for any bill  
14 on the Orders of the Day. In that instance, the fiscal note shall be attached to the bill prior  
15 to final consideration on the floor of the House.

16 **Rule 53. Member Requested Fiscal Notes and Statutory Fiscal Impact**  
17 **Statements for Amendments.** Any member proposing an amendment from the floor for  
18 a measure to which a fiscal note or fiscal statement has been attached shall cause an  
19 amended fiscal note or fiscal statement, as appropriate, to be prepared and attached to the  
20 amendment.

21 **Rule 54. Reference of Bills.** The Committee on Committees ~~shall~~<sup>may</sup> refer all  
22 bills~~[a bill]~~ to the proper standing committee not later than the fifth day in which the  
23 House is in session after the date of introduction. When a House bill has been amended  
24 in the Senate and has been returned to the House for concurrence in the amendment, it  
25 shall be referred to the Rules Committee. In these instances, the Clerk shall distribute  
26 copies of the bill and its proposed amendment to each member of the Rules Committee.  
27 The Rules Committee may post these bills to the Orders of the Day for consideration of

1 the amendment, and final passage, giving precedence to these bills over all other matters  
2 posted. When bills with amendments for concurrence are reached in the Orders of the  
3 Day, the Speaker shall first put the question of concurrence in the amendment,  
4 whereupon if that is favorable, the bill shall be put immediately upon its final passage.  
5 Bills originating in and passed by the Senate when reported to the House shall be referred  
6 to the Committee on Committees and shall take the same course as other bills.

7 **Rule 55. Printing of Bills.** Upon receipt of a bill, the Legislative Research  
8 Commission shall examine the form of the bill to ensure that it is free from errors of form  
9 or typography and has been assigned the proper KRS section or chapter numbers. If a  
10 formal change is necessary the Commission shall request the sponsor of the bill to sign a  
11 form approving the specified changes. If a bill is found to be correct, or corrections have  
12 been approved, the Commission shall authorize its printing.

13 The Legislative Research Commission shall have printed for the use of the  
14 members a sufficient number of copies of each bill or resolution carrying the force and  
15 effect of law introduced in the House and of each bill or resolution carrying the force and  
16 effect of law acted on by the Senate and reported to the House. Bills shall be printed in  
17 the order in which they are introduced and shall be distributed to members immediately  
18 upon receipt from the printer. For the purposes of this rule, printing and distribution of  
19 bills and resolutions shall be considered satisfied when any bill or resolution is  
20 distributed electronically to each member's electronic bill book, provided that any  
21 member may at any time request the additional printing of a paper copy of any bill or  
22 resolution introduced in or reported to the House.

23 **Rule 56. Readings of Bills.** If a bill is reported with the expression of opinion  
24 that it should not pass, a vote may then be taken on whether it shall be read at length and  
25 be placed on the Calendar, if a majority of the members elected to the House shall concur  
26 therein. When reported favorably by the committee, the bill shall then be given its first  
27 reading at length and shall be placed by the Commission staff~~Clerk~~ upon the Calendar

1 to be kept by the staff, and shall then be entitled to its second reading the next succeeding  
2 legislative day.

3 Every bill shall be read at length on three different legislative days; but the second  
4 and third readings thereof at length may be dispensed with by a majority of all the  
5 members elected to the House and the bill read by its title.

6 **Rule 57. Calendar; Consent Calendar.** (1) In order to reduce the time required  
7 for final passage of bills posted in the Orders of the Day, a consent procedure for the  
8 consideration of uncontested~~[noncontroversial]~~ bills shall be established and designated  
9 as follows:

10 (a) The Commission staff~~[Clerk]~~ shall keep a Regular Calendar and a Consent  
11 Calendar for each legislative day showing the bills receiving their second reading.

12 (b) The Commission staff~~[Clerk]~~ shall also keep a Regular Orders and a Consent  
13 Orders showing bills posted for final passage by the Rules Committee.

14 (2) Bills reported by a Standing Committee with a regular "should pass" or  
15 "should pass with committee amendment/substitute attached" recommendation shall be  
16 shown in the Regular Calendar on the day on which they are entitled to a second reading.

17 (3) A Standing Committee may at the time of favorably reporting any House or  
18 Senate Bill, recommend that it be placed in the Consent Calendar provided:

19 (a) The primary sponsor has so requested when it is a House Bill, and

20 (b) The bill receives a "should pass" or "should pass with committee  
21 amendment/substitute attached" recommendation from the committee by a unanimous  
22 vote of the members present.~~[The Rules Committee may recommend that any House or~~

23 ~~Senate Bill having been favorably reported by a Standing Committee be placed in the~~  
24 ~~Consent Calendar, provided the bill receives a recommendation from the Rules~~  
25 ~~Committee by a unanimous vote of the members present.]~~

26 Any House or Senate Bill thus reported shall be first~~[recommended for consent~~  
27 ~~shall be]~~ placed in the Consent Calendar on the day on which it is entitled to a second

1 reading and shall continue to be shown in that Calendar until taken therefrom by the  
2 Rules Committee and posted in the Consent Orders. Bills receiving a second reading  
3 should be so designated to distinguish them from bills which have already received their  
4 second reading.

5 (4) A certificate shall be attached to each bill recommended for the Consent  
6 Calendar showing the unanimous recommendation of the members~~[of the Rules~~  
7 ~~Committee]~~ present~~[,]~~ signed by the Chair.

8 (5) After a sufficient number of bills have accumulated in the Consent Calendar,  
9 the Rules Committee may post any or all of those bills to the Consent Orders for a day  
10 certain. On that day, the Consent Orders shall be called before the Regular Orders.

11 (6) Upon the call of the Consent Orders each bill in those Orders shall be given a  
12 third reading by title only. The Speaker shall then allow a reasonable time for questions  
13 from the floor and any explanation necessary by the sponsor or committee chair. Consent  
14 Order bills may not be amended from the floor.

15 (7) The Commission staff~~[Clerk]~~ shall attach a roll call to each bill in the Consent  
16 Calendar and any member may at any time prior to passage of the Consent Orders record  
17 with the Commission staff~~[Clerk]~~ a "nay" or "pass" vote on any bill within the Consent  
18 Calendar or Consent Orders.

19 (8) Upon the call for the question on the Consent Orders, the Speaker shall  
20 instruct the Commission staff~~[Clerk]~~ to announce the "nay" and "pass" votes previously  
21 filed on each bill in the Consent Orders. All other members present in the chamber on the  
22 day and at the time the Consent Orders are called shall be considered as having voted  
23 "aye" and the roll call attached to each bill shall so reflect as the final vote.

24 (9) Upon the written petition of any member objecting to the placement or  
25 retention of any bill in the Consent Calendar or Consent Orders, or upon the filing of a  
26 floor amendment to the bill, the bill shall cease to be so considered and shall be placed  
27 in the Regular Calendar or Regular Orders as provided in these rules.

1           **Rule 58. Orders of the Day.** When a bill has had its second reading it shall be  
2 referred to the Rules Committee for consideration of whether it shall be placed in the  
3 Orders of the Day, or be recommitted, and when next reached in the House it shall be  
4 ready for recommitment, or to be read a third time and placed upon its passage, and the  
5 Speaker shall so announce to the House.

6           A bill may be recommitted or amended in accordance with these rules at any time  
7 before its passage. Bills shall be placed in the Orders of the Day in the order in which  
8 they have been given their first reading, and shall be taken therefrom in accordance with  
9 Rule 41. When a House bill is in the Orders of the Day, it shall be in order on motion of  
10 the author to substitute for it an identical Senate bill which is in the Calendar of the  
11 House.

12           No bill shall be taken from the Orders of the Day unless it shall have been printed  
13 and previously distributed to members, which for the purposes of this rule shall include  
14 electronic distribution to each member's electronic bill book. No bill, amendment, or  
15 committee substitute relating to congressional or legislative redistricting shall be taken  
16 from the Orders of the Day unless it shall have been verified by Legislative Research  
17 Commission staff using the Commission's redistricting software, for plan integrity and  
18 geographic integrity. The verification shall be evidenced by the Legislative Record  
19 summary notation "PLAN INTEGRITY VERIFIED" and the "Geographic Integrity  
20 Verified" notation on amendments.

21           **Rule 59. Final Passage.** When a House bill has been amended in the Senate and  
22 the House has concurred in the amendment, or a Senate bill has been amended in the  
23 House, but the Senate refuses to concur, and the House recedes from its amendment, the  
24 bill shall immediately be placed upon its passage.

25           **Rule 60. Amendments to Bills.** All amendments offered shall be on sheets with a  
26 proper heading printed in black, furnished by the Commission staff, and shall bear the  
27 signature and district number of the members offering the same. An amendment prepared

1 for one member but signed by another shall be considered the amendment of the member  
2 signing the amendment. All amendments shall give the proper page and line of the  
3 printed bill. An original and one copy of each amendment shall be introduced. No  
4 amendment shall be in order that is not germane to the matter under consideration and  
5 unless it shall have been printed and previously distributed by the Clerk to members at  
6 least one legislative day prior to consideration of the bill or resolution; and the Speaker,  
7 when the question is raised, shall rule as to the admissibility of the proposed amendment,  
8 subject to appeal to the House.

9 ~~Any~~~~[No]~~ amendment to a bill under consideration ~~containing~~~~[shall be in order if it~~  
10 ~~contains]~~ the substantial text of the language of any other bill introduced during the  
11 session **shall require for its consideration the affirmative vote of a majority of the**  
12 **members of**~~[which has not passed]~~ the House. The commission staff shall cause those  
13 amendments to be identified when the bill proposed to be amended thereby is posted on  
14 the Orders of the Day. When a question is raised as to the identity of the proposed  
15 amendment containing the substantial text of any other bill introduced during the session,  
16 the Speaker shall rule thereon, subject to appeal to the House.

17 A committee substitute, upon its adoption, shall be considered as the original bill  
18 for purposes relating to the permissible degree of further amendment of the bill.

19 A proposal to amend the title of a bill shall be by separate title amendment. The  
20 question of adoption of an offered title amendment for a bill shall be presented to the  
21 body immediately after adoption of the bill.

22 A proposal to amend the Constitution of Kentucky shall be introduced as a bill, and  
23 no such proposal shall be in order if it is offered as an amendment to any bill.

24 If a proposed floor amendment to a branch budget bill will result, if adopted, in a  
25 loss of revenues or an increase in expenditures for a budget unit, the amendment shall  
26 specify by budget unit the amount and source of funds that will offset the loss of revenues  
27 or specify the budget unit or other source of funds that will support the increased

1 expenditures. If a budget unit or other source of funds is specified, the amendment shall  
2 include all necessary language to effect the changes. It shall be out of order for a floor  
3 amendment to a branch budget bill to: (a) specify in general language that funds to  
4 support the change shall come from broadly defined sources, such as the budget of a  
5 particular cabinet, branch of government, or multiple unrelated budget units, unless the  
6 effect on each of these is specifically defined by program and amount; (b) require or  
7 permit any other branch or unit of government to determine which specific programs  
8 would be affected; or (c) reduce the Budget Reserve Trust Fund.

9 **Rule 61. Engrossment of Bills.** Every House bill and joint resolution, together  
10 with the amendments thereto, which has been passed by the House and not subject to  
11 further amendment or motion, shall be engrossed by the Commission staff~~Clerk~~. The  
12 Clerk shall endorse thereon the day of passage or adoption. The bill shall be delivered to  
13 the Senate in open session by the Clerk or someone designated by the Clerk, and Senate  
14 concurrence asked therein. A like procedure shall be observed toward Senate bills.

15 When engrossing a bill, the Commission staff~~Clerk~~ may incorporate amendments  
16 by means of typing or by generating a replacement original of the bill through  
17 computerized process.

18 **Rule 62. Enrollment of Bills.** All House bills and resolutions which have passed  
19 both the Senate and the House shall be delivered by the Commission staff~~Clerk~~ to the  
20 Enrolling Clerk, taking a receipt therefor, in the order in which passed. The Commission  
21 staff~~Clerk~~ shall keep the number and title of all bills and joint and concurrent  
22 resolutions carrying the force and effect of law, passed by the House of Representatives  
23 and the Senate in a suitable record book attesting the fact and date of passage.

24 If a bill which originates in the House is amended by the Senate and the House  
25 concurs in the amendments proposed and adopted by the Senate, the Commission  
26 staff~~Clerk~~ shall engross those amendments in the original copy of the bill by typing or  
27 may generate a replacement original copy of the House bill through computerized

1 process, before delivering the bill to the Enrolling Clerk of the House.

2 In cases of extreme emergency and during the last three days prior to sine die  
3 adjournment, where no correct printed copy can be produced, the Enrolling Clerk may  
4 enroll the bill or resolution by typing the same.

5 The original bill or resolution or replacement therefor, if applicable, and an enrolled  
6 copy shall be delivered to the Committee on Enrollment. The Enrolling Clerk shall certify  
7 that each is in the exact form as finally passed prior to their delivery. The Committee on  
8 Enrollment and the Enrolling Clerk shall jointly compare the original bill with the  
9 enrolled copy, and if the enrollment is ascertained to be correctly done, the Committee  
10 shall report the same to the House. If any bill or resolution is found not correctly enrolled,  
11 it shall be returned to the Enrolling Clerk to be properly enrolled and delivered to the  
12 Committee on Enrollment as is first provided herein.

13 **Rule 63. Signing of Bills.** The Enrolling Clerk of the House shall deliver the  
14 enrolled copies of House bills and resolutions signed by the Speaker to the Chair of the  
15 Enrollment Committee of the Senate for presentation to the President of the Senate for  
16 the President's signature. When signed by the President of the Senate, the enrolled bill or  
17 resolution and the original copy thereof shall be returned by the Enrolling Clerk to the  
18 Clerk of the House who shall present the enrolled bill or resolution to the Governor for  
19 the Governor's approval and take a receipt for same.

20 **Rule 64. Resolutions.** Resolutions having the force and effect of law shall be  
21 treated and considered as bills in all respects under these rules. A simple resolution  
22 expressing the will of the House shall upon its introduction be automatically referred to  
23 the Committee on Committees, which may refer it to the floor if it is honorary,  
24 benevolent, and does not direct further action; otherwise, it shall be referred to a standing  
25 committee. Simple resolutions referred to a standing committee may be considered for  
26 adoption only after receiving a recommendation from a standing committee and being  
27 posted for passage by the Rules Committee. A resolution shall not be accepted for

1 introduction if offered in lieu of a legislative citation. No resolution shall be considered  
2 unless it shall have been distributed to all members. All resolutions recommending or  
3 reauthorizing a study by an interim committee, task force, or special committee of the  
4 Legislative Research Commission shall include the following language: "Provisions of  
5 this resolution to the contrary notwithstanding, the Legislative Research Commission  
6 shall have the authority to alternatively assign the issues identified herein to an interim  
7 joint committee or subcommittee thereof, and to designate a study completion date." All  
8 resolutions recommending or reauthorizing a study, or which recommend or reauthorize  
9 creation of a task force or special committee of the Legislative Research Commission  
10 shall be concurrent or joint resolutions.

11 **Rule 65. Legislative Citations.** For the purpose of extending the commendations,  
12 condolences or congratulations of the General Assembly to a particular person, or to  
13 recognize a particular event or occasion, there may be issued a "Legislative Citation."  
14 Citations may not be used for procedural matters, matters of a controversial or partisan  
15 political nature, nor in place of resolutions memorializing the U.S. Congress, but only  
16 when appropriate to express the feeling of the House or of the General Assembly with  
17 reference to a person or event.

18 Staff of the Legislative Research Commission shall prepare proposed legislative  
19 citations for adoption by the House and shall assign those citations a number. The  
20 sponsor shall receive the original citation and a copy shall also be transmitted to the Clerk  
21 of the House prior to adoption. Each citation shall bear the signature of the sponsor and  
22 the name of the person or event cited, and upon adoption shall be spread at length upon  
23 the Journal. Citations shall be read by title and sponsor only and considered in the order  
24 of business "Motions, Petitions, Communications and Announcements."

25 **VOTING**

26 **Rule 66. Roll Call.** Any member, with a second, may require a roll call on any  
27 matter pending before the House. The names of members shall be arranged alphabetically

1 when taking a yea and nay vote.

2 Any time these rules require a roll-call vote, or a yea and a nay vote of the  
3 members, that vote may be taken by either a voice roll call or the electrical voting system,  
4 as ordered by the Speaker.

5 The Speaker, before each roll-call vote is taken, shall instruct the Clerk to sound the  
6 warning chimes installed in that part of the Capitol assigned to the use of the House.

7 During a roll call any one member, with a second, may request and be afforded a  
8 delay of two minutes prior to the closing of the roll. Except when remote voting is  
9 authorized pursuant to House Rule 67A or alternative voting is authorized pursuant to  
10 House Rule 68A, only one such motion shall be observed during any one roll call.

11 **Rule 67. Electrical Voting System.** When the House is ready to vote upon any  
12 question requiring a roll call, and the vote is to be taken by the electrical roll call system,  
13 the Speaker shall announce:

14 "The question is on the passage of (designating the matter to be voted upon). All in  
15 favor of the question shall vote 'yea,' and all opposed shall vote 'nay.' The House roll is  
16 now open for voting."

17 The Speaker shall recognize any member who rises for the purpose of explaining a  
18 vote. No member shall be allowed to speak more than ~~three~~<sup>two</sup> minutes to explain a  
19 vote, ~~and no more than one minute if the member has already spoken on the measure,~~  
20 and shall not speak at all if the question is not a debatable question. ~~The recognition of a  
21 member for the purpose of explaining a vote and the time limit allotted by this rule for  
22 explanation are subject to, and may be further limited by, a motion to set limits on  
23 debate.~~

24 When sufficient time has been allowed the members to vote and to explain their  
25 vote, the Speaker shall announce: "Have all voted?" "Does anyone desire to change their  
26 vote?" and, after sufficient pause, shall lock the roll call system and instruct the Clerk to  
27 record the vote. Except when alternative voting is authorized pursuant to House Rule

1 68A, it shall be the responsibility of each member to determine the accuracy of the  
2 member's individual vote as registered opposite the member's name on the electrical roll  
3 call board and advise the Speaker of any desired change before the roll call system is  
4 locked. If alternative voting is authorized pursuant to House Rule 68A, either the member  
5 or the designee of the member's caucus that is permitted to cast votes on behalf of the  
6 member may determine the accuracy of the member's individual vote and advise the  
7 Speaker of any desired change before the roll call system is locked. In the case of  
8 alternative voting, the Speaker shall recognize each caucus designee that is permitted to  
9 cast votes on behalf of any member for an affirmation that all member votes are  
10 registered correctly before the roll call system is locked.

11 The Clerk shall immediately start the recording equipment, and when completely  
12 recorded, shall present the result to the Speaker who shall announce same to the House.  
13 The Clerk shall enter upon the Journal the result in the manner provided by the rules of  
14 the House.

15 At the same time the vote is recorded by the electric recording equipment an  
16 original and five duplicate roll call sheets shall be made showing the vote, two of which  
17 duplicates shall be for use of the press, and one copy shall be furnished to the Legislative  
18 Research Commission.

19 With respect to any roll call vote on a question that is not on the passage of a bill,  
20 adoption of an amendment or committee substitute, concurrence or recession from a  
21 Senate amendment, adoption of a conference committee or free conference committee  
22 report, or override of a gubernatorial veto, the electrical voting system shall indicate that  
23 the question subject of the roll call vote is procedural in nature, and the roll call vote shall  
24 be described as a procedural vote on the original roll call sheet and on all duplicates.

25 **Rule 67A. Remote Voting Permitted.** At any time, the Speaker, or other presiding  
26 officer as specified in House Rule 26, may authorize remote voting procedures for the  
27 members on any matter pending before the House. At any time, a committee chair may

1 authorize remote voting procedures for the members of the committee on any matter  
2 pending before the committee.

3 If remote voting is authorized in the House, any member physically present in their  
4 Capitol Annex office may cast a vote on any matter pending before the House by  
5 utilizing the Legislative Research Commission Remote Voting System to indicate the  
6 member's yea or nay vote on the matter. Any votes cast by members in person in a  
7 member's Capitol Annex office through the Legislative Research Commission Remote  
8 Voting System shall be reflected on the electrical voting system.

9 **Rule 67B. Vote Modification.** Following the close of any vote, a member may  
10 only enter a new vote or modify a previously cast vote by motion, and only if the  
11 member's vote will not change the outcome of the original vote on the measure. If the  
12 member's motion is granted, the member shall file with the Clerk the vote the member  
13 wishes the Clerk to enter or modify on a form provided by the Clerk, and the Clerk shall  
14 thereafter enter upon the Journal the member's new or modified vote; provided that no  
15 vote cast or modified by motion under this rule shall amend an original roll call sheet.

16 **Rule 68. Voting for Others Prohibited.** Except when alternative voting is  
17 authorized pursuant to House Rule 68A, no member shall vote for another member, nor  
18 shall any person not a member cast a vote for a member. In addition to any penalties as
