Page 3 of 52

1	patients and staff. Nothing in this subsection shall be construed to require an
2	inpatient psychiatric hospital or pediatric teaching hospital to admit a child if
3	doing so would be in violation of federal law.
4	(7) (a) If the treatment plan approved or ordered by the court involves the
5	admission of a high acuity youth to an inpatient psychiatric hospital or
6	pediatric teaching hospital, then the provision of inpatient services by the

26	teaching hospital for treatment pursuant to a court order issued under this
27	section, and the high acuity youth commits an act of violence or incites violence

1	against any of the hospital's patients, staff, or visitors, the inpatient psychiatric
2	hospital or pediatric teaching hospital may file an affidavit with the department
3	or other designated representative of the cabinet, or the Department of Juvenile
4	Justice, as applicable, and with the court, and the youth shall be:
5	(a) Charged criminally;
6	(b) Discharged from the hospital; and
7	(c) Immediately returned to the youth's last place of custody or residence unless
8	another location is ordered by the court.
9	(9) If the treatment plan approved or ordered by the court involves the provision of

21	high acuity youth under this section, the cabinet, the department, the Department
22	of Juvenile Justice, and the Court of Justice shall adopt and provide a protocol
23	for twenty-four (24) hour access to comply with the requirements of this section.
24	(11) When a high acuity youth has received residential treatment and the treatment
25	has improved the youth's condition to a status that the need for continued
26	treatment at that facility is no longer medically indicated as determined by the
27	treating physician:

Page 5 of 52

1	(a) If the youth has a need for the continuum of care on an inpatient basis in

11	(c) As part of the continuum of care, the same representatives from the
12	department and the Department of Juvenile Justice who have evaluated and
13	provided treatment and recommendations for the youth shall, to the extent
14	possible, continue to review the medical treatment of the youth to provide
15	stability of care with the goal of improving the life and health of the youth.
16	(12) In the event a high acuity youth is delivered to an inpatient psychiatric hospital or
17	pediatric teaching hospital for a behavioral assessment without referral by the
18	department, the cabinet, or the Department of Juvenile Justice, the clinical
19	professional may present the affidavit referenced in subsection (3) of this section
20	to a law enforcement officer, a court designated worker, or a detention alternative
21	coordinator who shall then return the youth to the custody of the custodial
22	agency until such time as a court issues further orders regarding the appropriate
23	treatment for the high acuity youth. The inpatient psychiatric hospital or
