5 ~~(5)~~~~(4)~~ If the application of any requirement of subsection (2) or (3)(b) of this section  
6 would be the sole cause of a health plan's failure to qualify as a Health Savings  
7 Account-qualified High Deductible Health Plan under 26 U.S.C. sec. 223, as  
8 amended, then the requirement shall not apply to that health plan until the minimum

10 **(6) Nothing in this section shall be construed to prohibit an insurer, pharmacy**  
11 **benefit manager, or any other administrator of pharmacy benefits from imposing**

24 coverage options determined by the competitive bid process under the  
25 provisions of KRS 45A.080, 45A.085, and 45A.090 and made available  
26 during annual open enrollment.

27 (b) The policy or policies shall be approved by the commissioner of insurance

1 and may contain the provisions the commissioner of insurance approves,

8 care coverage to employees shall also agree to rate all employees as a single  
9 entity, except for those retirees whose former employers insure their active  
10 employees outside the state-sponsored health insurance program and as  
11 otherwise provided in KRS 61.702(2)(b)3.b. and 78.5536(2)(b)3.b.

12 (d) Any carrier bidding to offer health care coverage to employees shall agree to

15 shall be owned by the Commonwealth; to provide data in an electronic form  
16 and within a time frame specified by the Personnel Cabinet; and to be subject  
17 to penalties for noncompliance with data reporting requirements as specified  
18 by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions  
19 to protect the confidentiality of each individual employee; however,  
20 confidentiality assertions shall not relieve a carrier from the requirement of  
21 providing stipulated data to the Commonwealth.

22 (e) The Personnel Cabinet shall develop the necessary techniques and capabilities  
23 for timely analysis of data received from carriers and, to the extent possible,  
24 provide in the request-for-proposal specifics relating to data requirements,  
25 electronic reporting, and penalties for noncompliance. The Commonwealth  
26 shall own the enrollment, claims, and utilization data provided by each carrier  
27 and shall develop methods to protect the confidentiality of the individual. The

1 Personnel Cabinet shall include in the October annual report submitted  
2 pursuant to the provisions of KRS 18A.226 to the Governor, the General  
3 Assembly, and the Chief Justice of the Supreme Court, an analysis of the  
4 financial stability of the program, which shall include but not be limited to  
5 loss ratios, methods of risk adjustment, measurements of carrier quality of  
6 service, prescription coverage and cost management, and statutorily required  
7 mandates. If state self-insurance was available as a carrier option, the report  
8 also shall provide a detailed financial analysis of the self-insurance fund  
9 including but not limited to loss ratios, reserves, and reinsurance agreements.

10 (f) If any agency participating in the state-sponsored employee health insurance  
11 program for its active employees terminates participation and there is a state  
12 appropriation for the employer's contribution for active employees' health  
13 insurance coverage, then neither the agency nor the employees shall receive  
14 the state-funded contribution after termination from the state-sponsored  
15 employee health insurance program.

16 (g) Any funds in flexible spending accounts that remain after all reimbursements  
17 have been processed shall be transferred to the credit of the state-sponsored  
18 health insurance plan's appropriation account.

19 (h) Each entity participating in the state-sponsored health insurance program shall  
20 provide an amount at least equal to the state contribution rate for the employer  
21 portion of the health insurance premium. For any participating entity that used  
22 the state payroll system, the employer contribution amount shall be equal to  
23 but not greater than the state contribution rate.

24 (3) The premiums may be paid by the policyholder:

25 (a) Wholly from funds contributed by the employee, by payroll deduction or  
26 otherwise;

27 (b) Wholly from funds contributed by any department, board, agency, public

1 postsecondary education institution, or branch of state, city, urban-county,  
2 charter county, county, or consolidated local government; or

3 (c) Partly from each, except that any premium due for health care coverage or  
4 dental coverage, if any, in excess of the premium amount contributed by any  
5 department, board, agency, postsecondary education institution, or branch of  
6 state, city, urban-county, charter county, county, or consolidated local  
7 government for any other health care coverage shall be paid by the employee.

8 (4) If an employee moves his or her place of residence or employment out of the  
9 service area of an insurer offering a managed health care plan, under which he or  
10 she has elected coverage, into either the service area of another managed health care  
11 plan or into an area of the Commonwealth not within a managed health care plan  
12 service area, the employee shall be given an option, at the time of the move or  
13 transfer, to change his or her coverage to another health benefit plan.

14 (5) No payment of premium by any department, board, agency, public postsecondary  
15 educational institution, or branch of state, city, urban-county, charter county,  
16 county, or consolidated local government shall constitute compensation to an  
17 insured employee for the purposes of any statute fixing or limiting the  
18 compensation of such an employee. Any premium or other expense incurred by any  
19 department, board, agency, public postsecondary educational institution, or branch  
20 of state, city, urban-county, charter county, county, or consolidated local  
21 government shall be considered a proper cost of administration.

22 (6) The policy or policies may contain the provisions with respect to the class or classes  
23 of employees covered, amounts of insurance or coverage for designated classes or  
24 groups of employees, policy options, terms of eligibility, and continuation of  
25 insurance or coverage after retirement.

26 (7) Group rates under this section shall be made available to the disabled child of an  
27 employee regardless of the child's age if the entire premium for the disabled child's

- 1 coverage is paid by the state employee. A child shall be considered disabled if he or  
2 she has been determined to be eligible for federal Social Security disability benefits.
- 3 (8) The health care contract or contracts for employees shall be entered into for a  
4 period of not less than one (1) year.
- 5 (9) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of  
6 State Health Insurance Subscribers to advise the secretary or the secretary's  
7 designee regarding the state-sponsored health insurance program for employees.  
8 The secretary shall appoint, from a list of names submitted by appointing  
9 authorities, members representing school districts from each of the seven (7)  
10 Supreme Court districts, members representing state government from each of the  
11 seven (7) Supreme Court districts, two (2) members representing retirees under age  
12 sixty-five (65), one (1) member representing local health departments, two (2)  
13 members representing the Kentucky Teachers' Retirement System, and three (3)  
14 members at large. The secretary shall also appoint two (2) members from a list of  
15 five (5) names submitted by the Kentucky Education Association, two (2) members  
16 from a list of five (5) names submitted by the largest state employee organization of  
17 nonschool state employees, two (2) members from a list of five (5) names submitted  
18 by the Kentucky Association of Counties, two (2) members from a list of five (5)  
19 names submitted by the Kentucky League of Cities, and two (2) members from a  
20 list of names consisting of five (5) names submitted by each state employee  
21 organization that has two thousand (2,000) or more members on state payroll  
22 deduction. The advisory committee shall be appointed in January of each year and  
23 shall meet quarterly.
- 24 (10) Notwithstanding any other provision of law to the contrary, the policy or policies  
25 provided to employees pursuant to this section shall not provide coverage for  
26 obtaining or performing an abortion, nor shall any state funds be used for the  
27 purpose of obtaining or performing an abortion on behalf of employees or their

1 dependents.

2 (11) Interruption of an established treatment regime with maintenance drugs shall be  
3 grounds for an insured to appeal a formulary change through the established appeal  
4 procedures approved by the Department of Insurance, if the physician supervising  
5 the treatment certifies that the change is not in the best interests of the patient.

6 (12) Any employee who is eligible for and elects to participate in the state health  
7 insurance program as a retiree, or the spouse or beneficiary of a retiree, under any  
8 one (1) of the state-sponsored retirement systems shall not be eligible to receive the  
9 state health insurance contribution toward health care coverage as a result of any  
10 other employment for which there is a public employer contribution. This does not  
11 preclude a retiree and an active employee spouse from using both contributions to  
12 the extent needed for purchase of one (1) state sponsored health insurance policy  
13 for that plan year.

14 (13) (a) The policies of health insurance coverage procured under subsection (2) of  
15 this section shall include a mail-order drug option for maintenance drugs for  
16 state employees. Maintenance drugs may be dispensed by mail order in  
17 accordance with Kentucky law.

18 (b) A health insurer shall not discriminate against any retail pharmacy located  
19 within the geographic coverage area of the health benefit plan and that meets  
20 the terms and conditions for participation established by the insurer, including  
21 price, dispensing fee, and copay requirements of a mail-order option. The  
22 retail pharmacy shall not be required to dispense by mail.

23 (c) The mail-order option shall not permit the dispensing of a controlled  
24 substance classified in Schedule II.

25 (14) The policy or policies provided to state employees or their dependents pursuant to  
26 this section shall provide coverage for obtaining a hearing aid and acquiring hearing  
27 aid-related services for insured individuals under eighteen (18) years of age, subject

- 1 to a cap of one thousand four hundred dollars (\$1,400) every thirty-six (36) months  
2 pursuant to KRS 304.17A-132.
- 3 (15) Any policy provided to state employees or their dependents pursuant to this section  
4 shall provide coverage for the diagnosis and treatment of autism spectrum disorders  
5 consistent with KRS 304.17A-142.
- 6 (16) Any policy provided to state employees or their dependents pursuant to this section  
7 shall provide coverage for obtaining amino acid-based elemental formula pursuant  
8 to KRS 304.17A-258.
- 9 (17) If a state employee's residence and place of employment are in the same county,  
10 and if the hospital located within that county does not offer surgical services,
