3           incidental use in any other proper public functions. The lease may be for any  
4           initial term commencing with the date of the lease and ending with the next  
5           ensuing June 30, which is the close of the then-current fiscal biennium of the  
6           Commonwealth, with exclusive options in favor of the board to renew the  
7           same for successive ensuing bienniums, July 1 in each even year to June 30 in  
8           the next ensuing even year; and the rentals may be fixed at the sums in each  
9           biennium, if renewed, sufficient to enable the State Property and Buildings  
10          Commission to pay therefrom the maturing principal of and interest on, and  
11          provide reserves for, any revenue bonds which the State Property and  
12          Buildings Commission may determine to be necessary and sufficient, in  
13          agreement with the board, to provide the cost of acquiring the television and  
14          related facilities with appurtenances and costs as may be incident to the  
15          issuance of the bonds.

- 16          (b) Each option of the Kentucky Board of Education to renew the lease for a  
17          succeeding biennial term may be exercised at any time after the adjournment

25          thereof, unless a written notice of the board's election not to renew shall have  
26          been delivered in the office of the secretary of the Finance and Administration

2 (c) The Kentucky Board of Education shall not itself operate leased television

6 Commonwealth having, or able to provide, a staff with proper technical  
7 qualifications, upon which agency and instrumentality the board, through the  
8 chief state school officer and the Department of Education, is represented in  
9 such manner as to coordinate matters of curriculum with the curricula  
10 prescribed for the public schools of the Commonwealth. Any contract for the  
11 operation of the leased television or related facilities may permit limited and  
12 special uses of the television or related facilities for other programs in the  
13 public interest, subject to the reasonable terms and conditions as the board and  
14 the operating agency and instrumentality may agree upon; but any contract  
15 shall affirmatively forbid the use of the television or related facilities, at any  
16 time or in any manner, in the dissemination of political propaganda or in  
17 furtherance of the interest of any political party or candidate for public office,  
18 or for commercial advertising. No lease between the board and the State  
19 Property and Buildings Commission shall bind the board to pay rentals for  
20 more than one (1) fiscal biennium at a time, subject to the aforesaid renewal  
21 options. The board may receive and may apply to rental payments under any  
22 lease and to the cost of providing for the operation of the television or related  
23 facilities not only appropriations which may be made to it from state funds,  
24 from time to time, but also contributions, gifts, matching funds, devises, and  
25 bequests from any source, whether federal or state, and whether public or  
26 private, so long as the same are not conditioned upon any improper use of the  
27 television or related facilities in a manner inconsistent with the provisions of

1           this subsection.

- 2   (4)   The state board may, on the recommendation and with the advice of the chief state  
3       school officer, prescribe, print, publish, and distribute at public expense such  
4       administrative regulations, courses of study, curriculums, bulletins, programs,  
5       outlines, reports, and placards as each deems necessary for the efficient  
6       management, control, and operation of the schools and programs under its  
7       jurisdiction. All administrative regulations published or distributed by the board  
8       shall be enclosed in a booklet or binder on which the words "informational copy"  
9       shall be clearly stamped or printed.
- 10   (5)   Upon the recommendation of the chief state school officer or his or her designee,  
11       the state board shall establish policy or act on all matters relating to programs,  
12       services, publications, capital construction and facility renovation, equipment,  
13       litigation, contracts, budgets, and all other matters which are the administrative  
14       responsibility of the Department of Education.
