314.131; and

23 (3) The Council on Postsecondary Education, in consultation with the Advisory
24 Conference of Presidents pursuant to KRS 164.021, shall develop criteria and
25 conditions upon which an advanced practice doctoral degree program may be
26 approved. The criteria shall include but not be limited to a determination of the
27 academic and workforce needs for a program, consideration of whether the program

can be effectively delivered through a collaborative effort with an existing program
at another public university within the Commonwealth, and the capacity of a
university to effectively offer the program. A university requesting approval of an
advanced practice doctoral program shall be required to provide assurance that
funding for the program will not impair funding of any existing program at any
other public university.

- (4) The council shall promulgate administrative regulations setting forth the agreed-on criteria and conditions identified under subsection (3) of this section.
- 9 (5) The council shall review advanced practice doctorates consistent with its review schedule for all other academic programs.
- 11 (6) A comprehensive university shall not:

- (a) Offer the terminal degrees of Doctor of Philosophy or Doctor of Musical Arts; doctor's degrees required for professional practice and licensure in medicine, veterinary medicine, chiropractic, dentistry, pharmacy, law, or optometry; or the primary degree required for professional practice and licensure in architecture. The existing school of law at Northern Kentucky University is exempted from the requirements of this paragraph <u>and Murray State</u>

 <u>University may offer doctor's degrees required for professional practice and licensure in veterinary medicine</u>; or
- (b) Describe itself in official publications or in marketing materials as a research university or research institution. Nothing in this paragraph shall be construed as precluding a comprehensive university from conducting basic, applied, or translational research.
