

1 A RESOLUTION recognizing February 16 to 22, 2025, as Engineers Week 2025.

2 WHEREAS, engineering stands at the cutting edge of innovation, playing a crucial  
3 role in crafting the solutions that will define tomorrow. From the rise of artificial  
4 intelligence and clean energy to advancements in semiconductors and biotechnology,  
5 engineers have consistently driven progress, enhancing our lives to be more efficient,  
6 comfortable, and interconnected; and

7 WHEREAS, through their ingenuity, knowledge, and commitment, engineering  
8 teams design solutions to tackle global challenges, propel technological progress, and  
9 contribute positively to the future of society; and

10 WHEREAS, Engineers Week was founded by the National Society of Professional  
11 Engineers in 1951; and

12 WHEREAS, Engineers Week is now a formal coalition of more than 70  
13 engineering, education, and cultural societies, and more than 50 corporations and  
14 government agencies; and

15 WHEREAS, the theme for this year's Engineers Week is "Design Your Future,"  
16 which will celebrate the accomplishments of engineers past and present who have  
17 designed the future that became our reality and look to the next generation and how our  
18 society can inspire young people to pursue engineering careers that will be focused on  
19 designing our nation's future; and

20 WHEREAS, each year, Engineers Week reaches thousands of schools, businesses,  
21 and community groups across the United States; and

22 WHEREAS, Engineers Week is dedicated to raising public awareness of engineers'  
23 positive contributions to quality of life, and it promotes recognition among parents,  
24 teachers, and students of the importance of a technical education and a high level of  
25 math, science, and technology literacy; and

26 WHEREAS, Engineers Week motivates youth to pursue engineering careers in  
27 order to ensure a diverse and well-educated future engineering workforce by increasing

1 understanding of and interest in engineering and technology careers;

2 NOW, THEREFORE,
