AN ACT relating to critical facility mapping, making an appropriation therefor, and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 158.4433 is amended to read as follows:

(1) As used in this section, "school mapping data" means mapping information provided in an electronic or a digital format to assist first responders in responding to emergencies at schools.

(2) (a) The General Assembly does hereby establish the School Mapping Data Program to be administered by the ***Kentucky 911 Services Board***~~[Center for School Safety]~~. The ***Kentucky 911 Services Board***~~[Center for School Safety]~~ shall utilize available funds to develop school mapping data for each public school, public charter school, and any private school that requests to participate in the program. The program shall be administered by the ***Kentucky 911 Services Board***~~[Center for School Safety]~~ pursuant to this section, which may include contracting for services pursuant to the relevant provisions of the Kentucky Model Procurement Code in KRS Chapter 45A. The ***Kentucky 911 Services Board***~~[Center for School Safety]~~ shall be responsible for ensuring that all funds received for and expended related to the School Mapping Data Program are utilized for the purposes of school mapping.

(b) The ***Kentucky 911 Services Board***~~[Center for School Safety]~~ shall provide the data developed by the program to the state school security marshal, participating schools, participating districts, and local law enforcement and public safety agencies for use in response to emergencies and for conducting drills required under KRS 158.162(5). The school mapping data shall be excluded from the application of KRS 61.870 to 61.884.

(c) The ***Kentucky 911 Services Board***~~[Center for School Safety]~~ shall apply for

any federal grant funds that may be used to accomplish the purposes of the program. The ***Kentucky 911 Services Board***~~[Center for School Safety]~~ may also solicit private funds to support the program.

(3) The School Mapping Data Program shall establish a single verified source of mapping data for each participating school campus in the state that is standardized, accurate, and accessible to public safety agencies to ensure efficient response to any emergency on a school campus. The school mapping data provided shall:

(a) Be compatible with software platforms used by local, county, state, and federal public safety agencies that provide emergency services to the specific school for which the data is provided without requiring such agencies to purchase additional software or requiring a fee to view or access the data;

(b) Be compatible with security software platforms in use by the participating school or district for which the data is provided without requiring the school or district to purchase additional software or requiring a fee to view or access the data;

(c) Be in a printable format and, if requested by a law enforcement or public safety agency or participating school or district in addition to those described in paragraph (a) of this subsection, be in a digital file format that can be integrated into interactive mobile platforms in use;

(d) Be verified by the ***Kentucky 911 Services Board, or any entity contracted by the Kentucky 911 Services Board to develop the mapping data pursuant to this section***~~[Center for School Safety]~~ for accuracy by a walk-through of school buildings and grounds;

(e) Be oriented to true north;

(f) Include accurate floor plans overlaid on current, verified aerial imagery of campus;

(g) Contain site-specific labeling that matches the structure of school buildings

that includes:

1. Room labels;
2. Hallway names or identifiers;
3. External door or stairwell numbers;
4. Locations of hazards;
5. Critical utility locations;
6. Key boxes;
7. Automated external defibrillators; and
8. Trauma kits;

(h) Contain site-specific labeling that matches the school grounds that includes:

1. Parking areas;
2. Athletic fields;
3. Surrounding roads; and
4. Neighboring properties;

(i) Be overlaid with a gridded coordinate system;

(j) Not be modified or updated independently without corresponding updates to school mapping data within software platforms used by local, county, state, and federal public safety agencies that provide emergency services to the specific school; and

(k) Provide to public safety agencies and participating schools or districts the school mapping data developed pursuant to the program perpetually and at no cost to the public safety agencies or participating schools or districts.

(4) A participating school district or campus shall not be required to adopt new school mapping data if, as of July 1, 2024, the school district or campus previously implemented school mapping data with capabilities that meet the requirements of subsection (3)(a) to (k) of this section.

➔Section 2. KRS 65.7629 is amended to read as follows:

The board shall administer the provisions of KRS 65.7621 to 65.7643, and shall have the following powers and duties:

(1) To review, evaluate, and approve or disapprove the plans or plan modifications that are submitted to the board for complying with the wireless E911 service requirements established by the FCC order and by any rules or regulations which are or may be adopted by the Federal Communications Commission in carrying out the FCC order;

(2) To develop standards to be followed by the board in reviewing, evaluating, approving, or disapproving the plans or plan modifications that are submitted to the board;

(3) (a) To collect the CMRS service charge from each CMRS connection:

1. With a place of primary use, as defined in 4 U.S.C. sec. 124, within the Commonwealth; or

2. For prepaid CMRS connections, until January 1, 2017, at which time the CMRS prepaid service charge imposed under KRS 65.7634 and collected under KRS 142.100 to 142.135 shall take effect and this subparagraph shall no longer be in force:

a. With a place of primary use, as defined in 4 U.S.C. sec. 124, within the Commonwealth; or

b. With a geographical location associated with the first six (6) digits, or NPA/NXX, of the mobile telephone number is inside the geographic boundaries of the Commonwealth.

(b) The CMRS postpaid service charge, and until January 1, 2017, the CMRS prepaid service charge, shall be seventy cents ($0.70) per month per CMRS connection, to be calculated, collected, and remitted in accordance with KRS 65.7635. The amount of the CMRS service charge shall not be increased except by act of the General Assembly;

(4) To deposit the proceeds of the CMRS prepaid service charge levied under KRS 65.7634 that are collected by the Department of Revenue into the CMRS fund established by KRS 65.7627 and to distribute those revenues in accordance with KRS 65.7631. The CMRS prepaid service charge shall be calculated, collected, and remitted in accordance with KRS 65.7634 and 142.100 to 142.135;

(5) To administer and maintain the CMRS fund according to the provisions of KRS 65.7627, and promptly to deposit all revenues from the CMRS service charges into the CMRS fund;

(6) To make disbursements from the CMRS fund, according to the allocations and requirements established in KRS 65.7631;

(7) To establish procedures and guidelines to be followed by the board in reviewing, evaluating, and approving or disapproving disbursements from the CMRS fund and requests for disbursements made in accordance with KRS 65.7631;

(8) To resolve conflicts regarding reimbursable costs and expenses under KRS 65.7631(4);

(9) To submit annual reports to the Auditor of Public Accounts no later than sixty (60) days after the close of each fiscal year, which shall provide an accounting for all CMRS service charges deposited into the CMRS fund during the preceding fiscal year and all disbursements to CMRS providers and PSAPs during the preceding fiscal year;

(10) To employ consultants, engineers, and other persons and employees as may be, in the judgment of the board, essential to the board's operations, functions, and responsibilities, and to fix and pay their compensation from funds available to the board;

(11) To acquire, by gift, purchase, installment purchase, or lease, any equipment necessary to carry out the board's purposes and duties;

(12) To retain any and all information, including all proprietary information, that is

submitted to the board by CMRS providers and PSAPs, for the purposes of maintaining it and verifying its accuracy;

(13) To retain, with approval by the Auditor of Public Accounts, an independent certified public accountant who shall audit, once every twenty-four (24) months, the books of the board, CMRS providers, and PSAPs eligible to request or receive disbursements from the CMRS fund under KRS 65.7631 for the following purposes:

(a) To verify the accuracy of collection, receipts, and disbursements of all revenues derived from the CMRS service charges and the number of wireless E911 calls received by each PSAP eligible to request or receive disbursements from the CMRS fund;

(b) To determine whether the revenues generated by the CMRS service charges equal, exceed, or are less than the costs incurred in order to comply with the FCC order;

(c) To determine the sufficiency of the funds currently being withheld for administrative purposes under KRS 65.7631(2); and

(d) To verify the accuracy of CMRS customer count information reported to the board by CMRS providers.

The independent certified public accountant shall make a report of the audits to the board and to the appropriate chief executive officer or officers of the CMRS providers and PSAPs, and to the local governments responsible for the formation of the PSAP. The independent certified public accountant shall also forward a copy of the audits conducted pursuant to this subsection to the Legislative Research Commission for referral to the appropriate committee or committees and to the Auditor of Public Accounts. Upon request, the independent certified accountant shall send any work papers related to the audits to the Auditor of Public Accounts. All information with respect to the audits shall be released to the public or

published only in aggregate amounts which do not identify or allow identification of numbers of subscribers or revenues attributable to individual CMRS providers;

(14) To ensure that all carriers have an equal opportunity to participate in the wireless E911 system;

(15) To ensure that wireless E911 systems are compatible with wireline E911 systems;

(16) To determine the appropriate method for disbursing funds to PSAP's based on wireless workload under KRS 65.7631(5)(b);

(17) To develop standards and protocols for the improvement and increased efficiency of 911 services in Kentucky;

(18) To provide direct grants or state matches for federal, state, or private grants for the establishment or improvement of the 911 emergency telecommunications system in the Commonwealth;~~[and]~~

(19) To develop and implement standards for advancements and new technology in the operation of emergency telecommunications in the state, including the development and implementation of next generation 911 service***; and***

(20) To administer and oversee the School Mapping Data Program established in Section 1 of this Act.

➔Section 3. KRS 158.442 is amended to read as follows:

(1) The General Assembly hereby authorizes the establishment of the Center for School Safety. The center's mission shall be to serve as the central point for data analysis; research; dissemination of information about successful school safety and school security programs, best practices, training standards, research results, and new programs; and, in collaboration with the Department of Education and others, to provide technical assistance for safe schools.

(2) To fulfill its mission, the Center for School Safety shall:
