

1 AN ACT relating to critical facility mapping, making an appropriation therefor, and  
2 declaring an emergency.

3 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

4 ➔Section 1. KRS 158.4433 is amended to read as follows:

5 (1) As used in this section, "school mapping data" means mapping information  
6 provided in an electronic or a digital format to assist first responders in responding  
7 to emergencies at schools.

8 (2) (a) The General Assembly does hereby establish the School Mapping Data  
9 Program to be administered by the ***Kentucky 911 Services Board***~~[Center for~~  
10 ~~School Safety]~~. The ***Kentucky 911 Services Board***~~[Center for School Safety]~~  
11 shall utilize available funds to develop school mapping data for each public  
12 school, public charter school, and any private school that requests to  
13 participate in the program. The program shall be administered by the  
14 ***Kentucky 911 Services Board***~~[Center for School Safety]~~ pursuant to this  
15 section, which may include contracting for services pursuant to the relevant  
16 provisions of the Kentucky Model Procurement Code in KRS Chapter 45A.  
17 The ***Kentucky 911 Services Board***~~[Center for School Safety]~~ shall be  
18 responsible for ensuring that all funds received for and expended related to the  
19 School Mapping Data Program are utilized for the purposes of school  
20 mapping.

21 (b) The ***Kentucky 911 Services Board***~~[Center for School Safety]~~ shall provide the  
22 data developed by the program to the state school security marshal,  
23 participating schools, participating districts, and local law enforcement and  
24 public safety agencies for use in response to emergencies and for conducting  
25 drills required under KRS 158.162(5). The school mapping data shall be  
26 excluded from the application of KRS 61.870 to 61.884.

27 (c) The ***Kentucky 911 Services Board***~~[Center for School Safety]~~ shall apply for

1 any federal grant funds that may be used to accomplish the purposes of the  
2 program. The ***Kentucky 911 Services Board***~~[Center for School Safety]~~ may  
3 also solicit private funds to support the program.

4 (3) The School Mapping Data Program shall establish a single verified source of  
5 mapping data for each participating school campus in the state that is standardized,  
6 accurate, and accessible to public safety agencies to ensure efficient response to any  
7 emergency on a school campus. The school mapping data provided shall:

8 (a) Be compatible with software platforms used by local, county, state, and  
9 federal public safety agencies that provide emergency services to the specific  
10 school for which the data is provided without requiring such agencies to  
11 purchase additional software or requiring a fee to view or access the data;

12 (b) Be compatible with security software platforms in use by the participating  
13 school or district for which the data is provided without requiring the school  
14 or district to purchase additional software or requiring a fee to view or access  
15 the data;

16 (c) Be in a printable format and, if requested by a law enforcement or public  
17 safety agency or participating school or district in addition to those described  
18 in paragraph (a) of this subsection, be in a digital file format that can be  
19 integrated into interactive mobile platforms in use;

20 (d) Be verified by the ***Kentucky 911 Services Board, or any entity contracted by***  
21 ***the Kentucky 911 Services Board to develop the mapping data pursuant to***  
22 ***this section***~~[Center for School Safety]~~ for accuracy by a walk-through of  
23 school buildings and grounds;

24 (e) Be oriented to true north;

25 (f) Include accurate floor plans overlaid on current, verified aerial imagery of  
26 campus;

27 (g) Contain site-specific labeling that matches the structure of school buildings

1 that includes:

- 2 1. Room labels;
- 3 2. Hallway names or identifiers;
- 4 3. External door or stairwell numbers;
- 5 4. Locations of hazards;
- 6 5. Critical utility locations;
- 7 6. Key boxes;
- 8 7. Automated external defibrillators; and
- 9 8. Trauma kits;

10 (h) Contain site-specific labeling that matches the school grounds that includes:

- 11 1. Parking areas;
- 12 2. Athletic fields;
- 13 3. Surrounding roads; and
- 14 4. Neighboring properties;

15 (i) Be overlaid with a gridded coordinate system;

16 (j) Not be modified or updated independently without corresponding updates to  
17 school mapping data within software platforms used by local, county, state,  
18 and federal public safety agencies that provide emergency services to the  
19 specific school; and

20 (k) Provide to public safety agencies and participating schools or districts the  
21 school mapping data developed pursuant to the program perpetually and at no  
22 cost to the public safety agencies or participating schools or districts.

23 (4) A participating school district or campus shall not be required to adopt new school  
24 mapping data if, as of July 1, 2024, the school district or campus previously  
25 implemented school mapping data with capabilities that meet the requirements of  
26 subsection (3)(a) to (k) of this section.

27 ➔Section 2. KRS 65.7629 is amended to read as follows:

1 The board shall administer the provisions of KRS 65.7621 to 65.7643, and shall have the  
2 following powers and duties:

3 (1) To review, evaluate, and approve or disapprove the plans or plan modifications that  
4 are submitted to the board for complying with the wireless E911 service  
5 requirements established by the FCC order and by any rules or regulations which  
6 are or may be adopted by the Federal Communications Commission in carrying out  
7 the FCC order;

8 (2) To develop standards to be followed by the board in reviewing, evaluating,  
9 approving, or disapproving the plans or plan modifications that are submitted to the  
10 board;

11 (3) (a) To collect the CMRS service charge from each CMRS connection:

12 1. With a place of primary use, as defined in 4 U.S.C. sec. 124, within the  
13 Commonwealth; or

14 2. For prepaid CMRS connections, until January 1, 2017, at which time the  
15 CMRS prepaid service charge imposed under KRS 65.7634 and  
16 collected under KRS 142.100 to 142.135 shall take effect and this  
17 subparagraph shall no longer be in force:

18 a. With a place of primary use, as defined in 4 U.S.C. sec. 124,  
19 within the Commonwealth; or

20 b. With a geographical location associated with the first six (6) digits,  
21 or NPA/NXX, of the mobile telephone number is inside the  
22 geographic boundaries of the Commonwealth.

23 (b) The CMRS postpaid service charge, and until January 1, 2017, the CMRS  
24 prepaid service charge, shall be seventy cents (\$0.70) per month per CMRS  
25 connection, to be calculated, collected, and remitted in accordance with KRS  
26 65.7635. The amount of the CMRS service charge shall not be increased  
27 except by act of the General Assembly;

- 1 (4) To deposit the proceeds of the CMRS prepaid service charge levied under KRS  
2 65.7634 that are collected by the Department of Revenue into the CMRS fund  
3 established by KRS 65.7627 and to distribute those revenues in accordance with  
4 KRS 65.7631. The CMRS prepaid service charge shall be calculated, collected, and  
5 remitted in accordance with KRS 65.7634 and 142.100 to 142.135;
- 6 (5) To administer and maintain the CMRS fund according to the provisions of KRS  
7 65.7627, and promptly to deposit all revenues from the CMRS service charges into  
8 the CMRS fund;
- 9 (6) To make disbursements from the CMRS fund, according to the allocations and  
10 requirements established in KRS 65.7631;
- 11 (7) To establish procedures and guidelines to be followed by the board in reviewing,  
12 evaluating, and approving or disapproving disbursements from the CMRS fund and  
13 requests for disbursements made in accordance with KRS 65.7631;
- 14 (8) To resolve conflicts regarding reimbursable costs and expenses under KRS  
15 65.7631(4);
- 16 (9) To submit annual reports to the Auditor of Public Accounts no later than sixty (60)  
17 days after the close of each fiscal year, which shall provide an accounting for all  
18 CMRS service charges deposited into the CMRS fund during the preceding fiscal  
19 year and all disbursements to CMRS providers and PSAPs during the preceding  
20 fiscal year;
- 21 (10) To employ consultants, engineers, and other persons and employees as may be, in  
22 the judgment of the board, essential to the board's operations, functions, and  
23 responsibilities, and to fix and pay their compensation from funds available to the  
24 board;
- 25 (11) To acquire, by gift, purchase, installment purchase, or lease, any equipment  
26 necessary to carry out the board's purposes and duties;
- 27 (12) To retain any and all information, including all proprietary information, that is

1 submitted to the board by CMRS providers and PSAPs, for the purposes of  
2 maintaining it and verifying its accuracy;

3 (13) To retain, with approval by the Auditor of Public Accounts, an independent  
4 certified public accountant who shall audit, once every twenty-four (24) months, the  
5 books of the board, CMRS providers, and PSAPs eligible to request or receive  
6 disbursements from the CMRS fund under KRS 65.7631 for the following  
7 purposes:

8 (a) To verify the accuracy of collection, receipts, and disbursements of all  
9 revenues derived from the CMRS service charges and the number of wireless  
10 E911 calls received by each PSAP eligible to request or receive disbursements  
11 from the CMRS fund;

12 (b) To determine whether the revenues generated by the CMRS service charges  
13 equal, exceed, or are less than the costs incurred in order to comply with the  
14 FCC order;

15 (c) To determine the sufficiency of the funds currently being withheld for  
16 administrative purposes under KRS 65.7631(2); and

17 (d) To verify the accuracy of CMRS customer count information reported to the  
18 board by CMRS providers.

19 The independent certified public accountant shall make a report of the audits to the  
20 board and to the appropriate chief executive officer or officers of the CMRS  
21 providers and PSAPs, and to the local governments responsible for the formation of  
22 the PSAP. The independent certified public accountant shall also forward a copy of  
23 the audits conducted pursuant to this subsection to the Legislative Research  
24 Commission for referral to the appropriate committee or committees and to the  
25 Auditor of Public Accounts. Upon request, the independent certified accountant  
26 shall send any work papers related to the audits to the Auditor of Public Accounts.  
27 All information with respect to the audits shall be released to the public or

- 1 published only in aggregate amounts which do not identify or allow identification  
2 of numbers of subscribers or revenues attributable to individual CMRS providers;
- 3 (14) To ensure that all carriers have an equal opportunity to participate in the wireless  
4 E911 system;
- 5 (15) To ensure that wireless E911 systems are compatible with wireline E911 systems;
- 6 (16) To determine the appropriate method for disbursing funds to PSAP's based on  
7 wireless workload under KRS 65.7631(5)(b);
- 8 (17) To develop standards and protocols for the improvement and increased efficiency  
9 of 911 services in Kentucky;
- 10 (18) To provide direct grants or state matches for federal, state, or private grants for the  
11 establishment or improvement of the 911 emergency telecommunications system in  
12 the Commonwealth; ~~and~~
- 13 (19) To develop and implement standards for advancements and new technology in the  
14 operation of emergency telecommunications in the state, including the development  
15 and implementation of next generation 911 service; **and**
- 16 **(20) To administer and oversee the School Mapping Data Program established in**  
17 **Section 1 of this Act.**

18 ➔Section 3. KRS 158.442 is amended to read as follows:

- 19 (1) The General Assembly hereby authorizes the establishment of the Center for School  
20 Safety. The center's mission shall be to serve as the central point for data analysis;  
21 research; dissemination of information about successful school safety and school  
22 security programs, best practices, training standards, research results, and new  
23 programs; and, in collaboration with the Department of Education and others, to  
24 provide technical assistance for safe schools.
- 25 (2) To fulfill its mission, the Center for School Safety shall:
- 26 (a) Establish a clearinghouse for information and materials concerning school  
27 violence prevention;

- 1 (b) Provide program development and implementation expertise and technical  
2 support to schools, law enforcement agencies, and communities, which may  
3 include coordinating training for administrators, teachers, students, parents,  
4 and other community representatives;
- 5 (c) Analyze the data collected in compliance with KRS 158.444;
- 6 (d) Research and evaluate school safety programs so schools and communities are  
7 better able to address their specific needs;
- 8 (e) Administer a school safety grant program for local districts as directed by the  
9 General Assembly;

22 and the source of funding and method of employment for each position in  
23 accordance with KRS 158.4414;
- 24 (j) Develop and implement a school safety coordinator training program based on  
25 national and state best practices in collaboration with the Kentucky  
26 Department of Education for school safety coordinators appointed pursuant to  
27 KRS 158.4412. The training shall be approved by the board of directors of the

1 Center for School Safety and include instruction on at least the following:

- 2 1. Policies and procedures for conducting emergency response drills using  
3 an all-hazards approach including hostage and active shooter situations;
- 4 2. Identification and response to threats to school safety and security; and
- 5 3. Preparing for, conducting, and reviewing school security risk  
6 assessments in accordance with KRS 158.4410;

7 (k) Develop and implement a system to provide certification to school districts  
8 that the center has verified that:

- 9 1. A potential Kentucky guardian, as defined in KRS 158.4431, has met all  
10 of the requirements of KRS 158.4431(3); and
- 11 2. Individuals employed as guardians meet the requirements of KRS  
12 158.4431(4) and (5), as necessary;

13 (l) If funds are available, employ an individual whose job responsibilities include  
14 oversight of the guardian program, including but not limited to:

- 15 1. The requirements of paragraph (k) of this subsection; and
- 16 2. The creation of model policy to be used by local boards of education  
17 when adopting the policies in KRS 158.4431(8); and

18 (m) ~~[Administer and oversee the School Mapping Data Program established  
19 pursuant to KRS 158.4433; and~~

20 ~~(n)~~ ]Award a school safety coordinator certificate of completion to a school safety  
21 coordinator upon satisfactory completion of the training program.
