4 READ AS FOLLOWS:

5 (1) As used in this section:

6 (a) "Department" means the Kentucky Department of Education; and

15 Assembly to ensure that a school district or principal incurs no cost for the
16 participation in the first, second, and fourth years of the practicum and the
17 principal receives a stipend toward the cost of the fifth year of the practicum. The
18 Kentucky Department of Education shall develop and operate the practicum,

10 2. The mentorship shall also provide the cohort of new principals an
11 opportunity to build a peer support network; and

26 program established in Section 2 of this Act based on the leadership needs
27 of the new principal. However, a principal may elect to substitute this

1 requirement with an additional year of the high-level leadership training
2 provided during the fifth year of the practicum with the district's support.
3 Any high-level leadership trainings completed during the third year shall
4 not negate the fifth-year requirements under paragraph (g) of this
5 subsection;

6 (f) The fourth year of the practicum shall require the new principal participate
7 in an intensive leadership program during the summer with follow-up

16 leadership training and make it available to new principals; and

17 (h) After the fifth year, each principal shall continue leadership development
18 through the effective instructional leadership program established in
19 Section 2 of this Act.

20 (3) A principal may submit the participant hours of instruction that the principal
21 earns under this section during a year toward the twenty-one (21) participant
22 hours required by the effective instructional leadership program established in
23 Section 2 of this Act. The department shall grant program credit for the verified
24 hours the principal submits.

25 (4) If a person discontinues serving as a principal during the first five (5) years of
