20 (5) No payment of premium by any department, board, agency, public postsecondary
21 educational institution, or branch of state, city, urban-county, charter county,
22 county, or consolidated local government shall constitute compensation to an
23 insured employee for the purposes of any statute fixing or limiting the
24 compensation of such an employee. Any premium or other expense incurred by any
25 department, board, agency, public postsecondary educational institution, or branch
26 of state, city, urban-county, charter county, county, or consolidated local

7 dependents.

8 (11) Interruption of an established treatment regime with maintenance drugs shall be
9 grounds for an insured to appeal a formulary change through the established appeal
10 procedures approved by the Department of Insurance, if the physician supervising

12 (12) Any employee who is eligible for and elects to participate in the state health
13 insurance program as a retiree, or the spouse or beneficiary of a retiree, under any
14 one (1) of the state-sponsored retirement systems shall not be eligible to receive the
15 state health insurance contribution toward health care coverage as a result of any
16 other employment for which there is a public employer contribution. This does not
17 preclude a retiree and an active employee spouse from using both contributions to
18 the extent needed for purchase of one (1) state sponsored health insurance policy
19 for that plan year.

20 (13) (a) The policies of health insurance coverage procured under subsection (2) of
21 this section shall include a mail-order drug option for maintenance drugs for

16 and if the hospital located within that county does not offer surgical services,
17 intensive care services, obstetrical services, level II neonatal services, diagnostic
18 cardiac catheterization services, and magnetic resonance imaging services, the
19 employee may select a plan available in a contiguous county that does provide
20 those services, and the state contribution for the plan shall be the amount available
21 in the county where the plan selected is located.

22 (18) If a state employee's residence and place of employment are each located in
23 counties in which the hospitals do not offer surgical services, intensive care

9 allows for a regional rating structure that allows carriers to submit bids that may
10 vary by region for a given product offering as described in this subsection:

11 (a) The regional rating bid scenario shall not include a request for bid on a
12 statewide option;

13 (b) The Personnel Cabinet shall divide the state into geographical regions which

15 Medicaid Services for purposes of the Kentucky Health Care Partnership
16 Program established pursuant to 907 KAR 1:705;

17 (c) The request for proposal shall require a carrier's bid to include every county
