5 debt, or both, with warrants, rights, or other means of equity conversion attached, a
6 near equity interest such as a simple agreement for future equity or "SAFE
7 agreement", or other convertible debt instruments that are determined to qualify as
8 an adequate investment interest by the executive director of the Office of
9 Entrepreneurship and Innovation.

10 ➔Section 7. KRS 164.6023 is amended to read as follows:

- 11 (1) The science and technology organization shall have the authority, upon approval by
12 the cabinet, to review applications, qualify companies, and certify qualified
13 companies to receive funding from the Kentucky enterprise fund.
- 14 (2) The science and technology organization shall develop application criteria and an
15 application process subject to the following limitations. The proposed project shall
16 be likely to:
- 17 (a) Produce a measurable result and be technically sound;
 - 18 (b) Lead to innovative technology or new knowledge;
 - 19 (c) Lead to commercially successful products, processes, or services within a
20 reasonable period of time; or
 - 21 (d) Show significant potential for stimulating economic growth and a reasonable
22 probability to enhance employment opportunities within the Commonwealth.
- 23 (3) The applicant shall provide to the science and technology organization an
24 application that shall include but not be limited to the following information:
- 25 (a) Verification that the applicant is an eligible company that:
 - 26 I. Meets the definition of a Kentucky-based company, or has
 - 27 demonstrated potential to become a Kentucky-based company within

1 one hundred eighty (180) days after certification authorizing funding
2 under subsection (5) of this section, or within a timeframe determined
3 by the executive director of the Office of Entrepreneurship and
4 Innovation; and

5 2. Is an early-stage or high-growth~~[and medium-size company or small]~~
6 company;

- 7 (b) A technology description and plan that is sufficient for outside expert review;
- 8 (c) A detailed financial analysis that includes the commitment of resources by the
9 applicant and others;
- 10 (d) Sufficient detail concerning proposed project partners, type and amount of
11 work to be performed and financing to be contributed by each partner, and
12 expected product or service with estimated costs to be reflected in the
13 negotiated contract or agreement; and
- 14 (e) A statement of the economic development potential of the project.
- 15 (4) The science and technology organization shall conduct an independent review with
16 the use of outside experts to evaluate each application. Following the application
17 review, the science and technology organization shall make a determination of the
18 application and may determine that the applicant is a qualified company as defined
19 in KRS 164.6011.
- 20 (5) Upon a qualified company's presentation of a legal agreement or contract meeting
21 the conditions under subsection (6) of this section, the science and technology
22 organization shall present the qualified company, the project partners, if any, and
23 the college or university in the Commonwealth, if any, with a certification
24 authorizing funding.
- 25 (6) Prior to receiving certification authorizing funding from the science and technology
26 organization, the qualified company shall:
- 27 (a) Negotiate an agreement and funding contract with a college or university in

1 the Commonwealth, if any, and with a project partner, if any, that is
2 satisfactory to the science and technology organization, to undertake the
3 commercialization work; and

4 (b) Provide assurance to the science and technology organization that the college
5 or university and the qualified company have negotiated the ownership and
6 disposition of patents, royalties, all other intellectual property rights, and
7 equity or related position relating to the contract between the qualifying
8 company and the college or university;

9 unless the requirement to partner with a college or university is recommended to be
10 waived by the science and technology organization.

11 (7) Prior to certifying a qualified company, the science and technology organization
12 may negotiate with the qualified company the ownership and disposition of patents,
13 royalties, all other intellectual property rights, and an equity, near equity such as a
14 simple agreement for future equity or "SAFE agreement", convertible debt, or
15 similar investment format that is approved by the executive director of the Office of
16 Entrepreneurship and Innovation on behalf of the Kentucky enterprise fund for the
17 sole purpose of reinvesting and sustaining a revolving fund to carry out the
18 provisions of KRS 164.6021 and 164.6023.

19 (8) The science and technology organization, upon approval by the cabinet, shall set
20 forth guidelines as to when and how all areas of the state will be notified about the
21 program's availability and a program schedule, including but not limited to the
22 following:

23 (a) A review cycle including:

- 24 1. A deadline for submission of applications at least biannually; and
- 25 2. A deadline for reviewing applications of no more than one hundred
26 twenty (120) days after the application submission deadline; and

27 (b) A deadline, from the date an applicant is determined to be a qualified

1 company, by which certification shall be made. If certification is not made by
2 that deadline the funding voucher award is made void.
