

1       A RESOLUTION recognizing September 17, 2026, as United States Constitution  
2 Day and June 1, 2026, as Kentucky Constitution Day in the Commonwealth of Kentucky.

3       WHEREAS, in the summer of 1787, 55 delegates from throughout the fledgling  
4 United States, intent on erecting a government that would stand the test of time and  
5 protect the hard-won freedoms secured during the Revolutionary War, gathered at the  
6 Pennsylvania State House in Philadelphia; and

7       WHEREAS, the document they produced – our United States Constitution –  
8 remains the bedrock of our system of government, one rooted in equality under the law  
9 and an unyielding commitment to individual liberty; and

10       WHEREAS, with profound wisdom, the framers of our United States Constitution  
11 divided political power among three separate and coequal branches, and further between  
12 the Federal and State governments, ensuring that a government of the people, by the  
13 people, and for the people would remain accountable to its citizens, from whom all  
14 legitimate political power is derived; and

15       WHEREAS, our United States Constitution outlines a government that encourages  
16 individuals to flourish while still empowering the states to perform necessary functions  
17 like protecting law and order and providing essential public goods; and

18       WHEREAS, this revolutionary concept has made and continues to make our nation  
19 the most free and just society in the world; and

20       WHEREAS, our rights and liberties are rooted in the United States Constitution and  
21 its Bill of Rights which gave birth to our great nation, and we, as Americans, enjoy our  
22 freedom and rule of law through these cherished documents that our founding fathers  
23 created; and

24       WHEREAS, we recognize that each generation needs to renew the spirit of  
25 America by upholding our constitutional system, honoring its framers and those who  
26 have sacrificed to defend it, and embracing the duty we as citizens have to preserve the  
27 society it has built; and

1 WHEREAS, Constitution Day was established to celebrate the United States  
2 Constitution and its Bill of Rights and provides an opportunity for American citizens to  
3 reaffirm the achievements of our founding fathers and recommit ourselves to preserving  
4 the rights, privileges, and responsibilities our nation's founders secured for themselves  
5 and for the posterity of future generations of Americans; and

6 WHEREAS, the Commonwealth of Kentucky was admitted into the Union as the  
7 fifteenth state on June 1, 1792; and

8 WHEREAS, the original 1792 Constitution of Kentucky established a framework  
9 for governance, including a bicameral legislature, an executive branch, and a judicial  
10 system, while incorporating a bill of rights; and

11 WHEREAS, the Commonwealth has since adopted subsequent constitutions in  
12 1799, 1850, and the current constitution in 1891, each reflecting the evolving values and  
13 principles of its citizens; and

14 WHEREAS, the Constitution of Kentucky has played a pivotal role in shaping the  
15 state's legal and cultural identity, ensuring the rights and liberties of its people; and

16 WHEREAS, recognizing June 1, 2026, as Kentucky Constitution Day offers an  
17 opportunity for citizens to reflect upon and celebrate the rich constitutional heritage of  
18 the Commonwealth;
