5 (1) The authority, upon adoption of its final approval, may enter into, with any

7 terms and provisions of each agreement, including the amount of approved costs,
8 the amount of the inducement, the job maintenance requirement, and any
9 limitations the authority may deem necessary, shall be determined by negotiations
10 between the authority and the approved company, except that each agreement shall
11 include the following provisions:

12 (a) The amount the approved company may recover through inducements under
13 this subchapter for the initial project, which shall be a negotiated percentage
14 not to exceed fifty percent (50%) of eligible costs. However, the authority
15 may negotiate an increase in the percentage such that both the initial project
16 and any supplemental projects are eligible for seventy-five percent (75%) of
17 eligible costs upon approval of a supplemental project. The adjustment to the
18 initial project shall be made on the total approved costs and any credits taken
19 prior to the addition of a supplemental project shall then be subtracted from
20 that increased amount of approved costs. Neither the initial project nor any
21 supplemental project shall ever be eligible for inducements greater than
22 seventy-five percent (75%) of the eligible costs. The authority shall negotiate
23 a maximum allowable inducement for each year of the agreement, and the

25 year during the term of the agreement, except that the annual maximum
26 allowable inducement may be exceeded if a carry-forward of unused
27 inducements from previous years exists. Any carry-forward of unused

- 1 inducements will lapse upon maturity or termination of the agreement;
- 2 (b) A provision that sets the activation date for the initial project within three (3)
3 years of the final approval. Prior to the activation date, the authority may
4 extend the time for the completion of the jobs retention project and
5 compliance with the required investment upon request of the approved
6 company for good cause; however, the ten (10) year period for the term of the
7 agreement shall begin from the activation date. No inducements from the jobs
8 retention project shall be available, other than the transferred credits provided
9 for under subsection (2) of this section, until activation. Upon activation, the
10 balance of transferred credits shall expire;
- 11 (c) A provision that states that within three (3) months of the completion of the
12 jobs retention project, the approved company shall document the actual cost
13 of the project in a manner acceptable to the authority. The authority may
14 employ an independent consultant or utilize technical resources to verify the
15 cost of the project. The approved company shall reimburse the authority for
16 the cost of the consultant;
- 17 (d) A provision that establishes a minimum required number of full-time jobs that
18 must be maintained at the site of the jobs retention project and filled with
19 residents of the Commonwealth subject to Kentucky income tax and states
20 that the authorized inducements may be suspended at the discretion of the
21 authority from the date of noncompliance until the date compliance is
22 reestablished if the approved company's employment falls below the
23 established minimum employment requirement. If the company does not
24 increase the number of full-time employees at the site who are residents of the
25 Commonwealth and subject to Kentucky income tax sufficiently to meet the
26 minimum employment requirement within one (1) year from the date of the
27 initial suspension, the remaining unused inducements may be terminated at

1 the discretion of the authority;

2 (e) A provision that gives the authority discretion to suspend or terminate the
3 authorized inducements for any failure to comply with the terms of the
4 agreement; and

5 (f) 1. A provision that provides the term shall not be longer than the earlier of:
6 a.~~[1.]~~ The date on which the approved company has received
7 inducements or withheld assessments equal to the amount that the
8 company may recover under paragraph (a) of this subsection; or
9 b.~~[2.]~~ Ten (10) years from the activation date.

10 2. ~~[However,]~~ The term *in subparagraph 1. of this paragraph* may be
11 extended to a period longer than ten (10) years upon:

12 a. *The approved company demonstrating that less than seventy-five*
13 *percent (75%) of the incentives awarded under the agreement*
14 *will be claimed during the term of the agreement; or*

15 b. The addition of a supplemental project as negotiated and approved
16 by the authority.

17 *An extension of a project under subparagraph 2.a. of this paragraph*
18 *shall not amend any provision of the agreement impacting the scope of*
19 *the project or the maximum amount of incentives awarded under the*
20 *tax incentive agreement.*

21 (2) In consideration of the execution of the agreement, during the time the agreement is
22 in effect, which time shall commence on the date of the agreement, the approved
23 company may be permitted the following inducements:

24 (a) Beginning on the effective date of the jobs retention agreement, which shall
25 also be the date of final approval, if the approved company has a balance of
26 unused approved costs on a previously existing and active incentive
27 agreement approved by the authority pursuant to KRS Chapter 154, the

1 approved company may impose wage assessments on employees whose jobs
2 are at the facility where the project defined in the previously existing
3 incentive agreement was located. The wage assessments may be imposed as
4 provided in KRS 154.25-040, and shall be available in an amount up to the
5 balance of transferred credits from the previously existing project.

- 6 1. The transferred credits shall only be available to the approved company
7 until the activation date, the term from the original incentive agreement
8 expires, or the balance of transferred credits is exhausted, whichever
9 occurs first; and
- 10 2. Should the approved company exercise this option, the incentive
11 agreement from which the credits were transferred shall be terminated
12 upon transfer and all parties shall be released from their obligations
13 thereunder.

14 (b) After the activation date:

- 15 1. A one hundred percent (100%) credit against the taxes imposed by KRS
16 141.020, 141.040, and 141.0401 that would otherwise be owed by the
17 approved company, in the approved company's taxable year, as
18 determined under KRS 141.402, on the taxable income, Kentucky gross
19 receipts, or Kentucky gross profits of the approved company generated
20 by or arising from the jobs retention project. The ordering of credits
21 shall be as provided in KRS 141.0205;
- 22 2. The aggregate assessment withheld by the approved company as
23 provided in KRS 154.25-040 in each year after the activation date;

24 (c) The tax credits allowed to the approved company shall be equal to the lesser
25 of the total amount of the tax liability or the amount that the company may
26 recover under subsection (1)(a) of this section that has not yet been recovered,

19 preliminarily approved company may undertake the project in accordance
20 with the memorandum of agreement, and may begin to hire employees that
21 may be counted toward the minimum full-time job requirements established
22 by the memorandum of agreement;

23 (c) After preliminary approval but before final approval, the authority shall post
24 the preliminarily approved company's name, the location of the economic
25 development project, and the incentives that have been preliminarily approved
26 on the Cabinet for Economic Development's website~~Web site~~;

27 (d) The preliminarily approved company shall submit any documentation

1 required by the authority upon request of the authority;

2 (e) To obtain final approval, the preliminarily approved company shall submit:

4 requirements established by the memorandum of agreement have been
5 met; and

6 2. Documentation of official action taken by a local governmental entity

10 authorize the execution of a tax incentive agreement between the authority
11 and the approved company pursuant to KRS 154.32-040. The tax incentive
12 agreement shall establish an activation date, which shall be within two (2)
13 years of final approval;

14 (f) 1. On or before the activation date, the approved company shall notify the
15 authority of its intention to activate the tax incentive agreement. The
16 approved company shall submit:

17 a. Documentation that it has met the minimum full-time job,
18 minimum investment, and minimum wage and employee benefits

20 activation; and

21 b. The confirmed approved costs incurred as of the date of activation,
22 which shall be the total eligible costs that may be recovered by the

24 2. If the approved company fails to meet any of the minimum investment,

26 established by KRS 154.32-020 on the activation date, the tax incentive
27 agreement shall be canceled and the approved company shall not be

1 eligible for incentives.

2 3. If an approved company meets the minimum investment, full-time job,
3 and wage requirements, including employee benefits, established by
4 KRS 154.32-020, but fails to meet higher job targets and minimum
5 wage targets, including employee benefits, established in the tax

15 necessary for the authority to monitor the agreement.

16 2. The authority shall, based on the documentation provided, confirm that
17 the approved company is in continued compliance with the provisions of
18 the tax incentive agreement and, therefore, eligible for incentives.

19 3. Upon annual review, if the approved company meets the minimum job
20 and wage requirements, including employee benefits, established by
21 KRS 154.32-020, but fails to meet the job target and minimum wage
22 target, including employee benefits, established in the tax incentive
23 agreement, then the provisions of subsection (4) of this section shall
24 apply in determining the incentives for which the approved company
25 qualifies in any year.

26 4. Upon final approval, the authority shall notify the department that an

5 department shall discontinue the availability of incentives for the
6 approved company.

7 (2) (a) The authority may establish procedures and standards for the review and

25 total investment in the economic development project, and total proposed
26 eligible costs;

27 (c) The projected number of new full-time jobs to be created as a result of the

- 1 economic development project and identification of any affiliates who may
2 employ persons hired to fill those jobs;
- 3 (d) The number of existing full-time jobs at the site of the economic development
4 project on the date of the application and a description and breakdown of the
5 relevant affiliated employers;
- 6 (e) Proposed wage and employee benefit amounts for the new full-time jobs to be
7 created as a result of the proposed economic development project;
- 8 (f) For proposed economic development projects new to the Commonwealth,
9 certification by the eligible company that the economic development project

2 receive full incentives as provided in the tax incentive agreement.

3 (c) If, upon activation or annual review, an approved company achieves less than
4 ninety percent (90%) of either the job target or minimum wage target,

11 including employee benefits, paid. If both the number of actual average full-
12 time jobs and average wages paid, including employee benefits, are below
13 ninety percent (90%) of the targets on the same measurement date, then the

15 reducing the incentives available by the sum of the two (2).

16 (d) If, upon annual review, either the actual number of new full-time jobs or the
17 average wages paid for those jobs, including employee benefits, is less than
18 the minimum requirements established by KRS 154.32-020, then the

10 years, provided that no credit may be carried forward beyond the term of the tax
11 incentive agreement.

12 (3) The approved company shall not be required to pay estimated tax payments under

24 (6) (a) An approved company receiving preliminary approval after July 1, 2026,
25 may receive, in addition to the tax incentives allowed under subsections (1)

16 ➔Section 19. KRS 154.32-090 is amended to read as follows:

17 (1) An approved company or, with the authority's consent, an affiliate of an approved
 18 company may impose wage assessments against employees as provided in this
 19 section if a wage assessment is included in the incentives awarded to the approved
 20 company in the tax incentive agreement. The level of wage assessment shall be
 21 negotiated as part of the tax incentive agreement.

22 (2) If an economic development project is located in a heritage~~[an enhanced incentive]~~
 23 county, the approved company or, with the authority's consent, an affiliate of the
 24 approved company may require that each employee subject to the tax imposed by
 25 KRS 141.020, whose job is determined by the authority to be created as a result of
 26 the economic development project, as a condition of employment, agree to an
 27 assessment of up to one hundred percent (100%) of the individual income tax rate

1 imposed by KRS 141.020, and that assessment shall operate as the
2 Commonwealth's wage assessment. Although not required for an economic
3 development project located in a heritage~~[an enhanced incentive]~~ county, a local
4 jurisdiction may agree to forgo all or a portion of its local occupational license fee
5 as a local wage assessment.

6 (3) (a) If the economic development project is not located in a heritage~~[an enhanced
7 incentive]~~ county, and is located in a local jurisdiction where:

8 1. No local occupational license fee is imposed;

9 2. a. A local occupational license fee greater than or equal to twenty
10 percent (20%) of the individual income tax rate in KRS 141.020 is
11 imposed; and

12 b. The local jurisdiction agrees to forgo, as the local wage
13 assessment, at least twenty percent (20%) of the individual income
14 tax rate imposed by KRS 141.020 via credits against the local
15 occupational license fee for the affected employees; or

16 3. a. A local occupational license fee less than twenty percent (20%) of
17 the individual income tax rate in KRS 141.020 is imposed; and

18 b. The local jurisdiction agrees to forgo the total amount of the local
19 occupational license fee as the local wage assessment; then

20 (b) An approved company or, with the authority's consent, an affiliate of an
21 approved company may require that each employee subject to tax imposed by
22 KRS 141.020, whose job is determined by the authority to be created as a
23 result of the economic development project, as a condition of employment,
24 agree to pay an assessment of up to sixty percent (60%) of the individual
25 income tax rate imposed by KRS 141.020 and that assessment shall operate as
26 the Commonwealth's wage assessment.

27 (4) (a) If the economic development project is not located in a heritage~~[an enhanced~~

1 ~~incentive~~ county, and is located in a local jurisdiction where:

2 1. a. A local occupational license fee greater than or equal to twenty
3 percent (20%) of the individual income tax rate in KRS 141.020 is
4 imposed; and

5 b. The local jurisdiction agrees to forgo an amount of the local
6 occupational license fee that is less than twenty percent (20%) of
7 the individual income tax rate in KRS 141.020 as the local wage
8 assessment; or

9 2. a. A local occupational license fee of lesser than twenty percent
10 (20%) of the individual income tax rate in KRS 141.020 is
11 imposed; and

12 b. The local jurisdiction agrees to forgo only a portion of the total
13 amount of the local occupational license fee as the local wage
14 assessment; then

15 (b) An approved company or, with the authority's consent, an affiliate of an
16 approved company may require that each employee subject to tax imposed by
17 KRS 141.020, whose job is determined by the authority to be created as a
18 result of the economic development project, as a condition of employment,
19 agree to pay an assessment equal to three (3) times the forgone local wage
20 assessment rate and that assessment shall operate as the Commonwealth's
21 wage assessment.

22 (5) If the project is not located in a heritage~~[an enhanced incentive]~~ county, and:

23 (a) Is located in a local jurisdiction that does not impose a local occupational
24 license fee, the local jurisdiction shall be required to provide some alternative
25 inducement satisfactory to the authority at the local level in order for a
26 preliminarily approved company to receive final approval. However, the
27 authority may waive this requirement if there are reasonable circumstances

- 1 that prevent the local jurisdiction from providing a reasonable inducement; or
- 2 (b) Is located in a local jurisdiction that does impose a local occupational license
- 3 fee, the jurisdiction may request that the authority waive the local
- 4 occupational license fee requirements established by subsection (3) or (4) of
- 5 this section if the local jurisdiction offers alternative inducements of similar
- 6 value satisfactory to the authority. The authority shall review all requests for a
- 7 waiver, and may waive the local occupational license fee requirements and
- 8 instead require the local jurisdiction to provide alternative inducements of
- 9 similar value if the authority determines that the circumstances warrant an
- 10 alternative contribution by the local jurisdiction.
- 11 (6) Each employee paying the assessment shall simultaneously be entitled to a credit
- 12 against the Kentucky individual income tax required to be withheld under KRS
- 13 141.310 equal to the state portion of the assessment and shall be entitled to a credit
- 14 against the local occupational license tax equal to the local portion of the
- 15 assessment.
- 16 (7) If more than one (1) local jurisdiction imposes an occupational license fee, the local
- 17 jurisdiction portion of the assessment shall be prorated proportionately among the
- 18 taxes imposed by the local jurisdictions unless one (1) local jurisdiction agrees to
- 19 forgo the receipt of these taxes in an amount equal to the local jurisdiction portion
- 20 of the wage assessment, in which case no proration shall be made.
- 21 (8) If a full-time employee subject to state tax imposed by KRS 141.020 is already
- 22 employed by the approved company at a site other than the site of the economic
- 23 development project, that full-time employee's job shall be deemed to have been
- 24 created when the full-time employee is transferred to the site of the economic
- 25 development project if the full-time employee's existing job is filled with a new
- 26 full-time employee.
- 27 (9) If an approved company elects to impose the assessment as a condition of

1 employment, it shall be authorized to deduct the assessment from each payment of
2 wages to the employee.

3 (10) Notwithstanding any other provision of the Kentucky Revised Statutes, if an
4 approved company elects not to deduct the assessment from each payment of wages
5 to the employee, but rather requests a reimbursement of state tax imposed by KRS
6 141.020 or local occupational tax in the aggregate after they have been paid to the
7 state or local jurisdiction, no interest shall be paid by the state or by the local
8 jurisdiction on that reimbursement.

9 (11) No credit, or portion thereof, shall be allowed against any occupational license fee
10 imposed by or dedicated solely to the board of education in a local jurisdiction.

11 (12) An approved company imposing an assessment shall make its payroll, books, and
12 records available to the authority or the department upon request, and shall file with
13 the authority or department documentation pertaining to the assessment as the
14 authority or department may require.

15 (13) Any assessment of the wages of employees of an approved company in connection
16 with their employment at an economic development project shall permanently cease
