6 district may levy an equivalent tax rate as defined in ~~subsection (9)(a) of~~
7 KRS 160.470(8)(a) which will produce up to fifteen percent (15%) of those
8 revenues guaranteed by the program to support education excellence in
9 Kentucky. The levy for the 1990-91 school year shall be made no later than
10 October 1, 1989, and no later than October 1, 1990, for the 1991-92 school

18 existing school facilities, or the purchase of land if approved by the
19 commissioner of education as provided in KRS 157.420(4)(b). The five cents
20 (\$0.05) shall be in addition to the thirty cents (\$0.30) required by KRS
21 160.470(8)(9) and any levy pursuant to paragraph (a) of this subsection. The
22 levy shall be made no later than October 1 of each odd-numbered year.
23 Eligibility for equalization funds for the biennium shall be based on the
24 district funds committed to debt service on that date. The five cents (\$0.05)
25 shall be equalized at one hundred fifty percent (150%) of the statewide
26 average per pupil assessment. The equalization funds shall be committed to
27 debt service to the greatest extent possible, but any excess equalization funds

1 not needed for debt service shall be deposited to a restricted building fund
2 account. The funds may be escrowed for future debt service or used to address
3 categorical priorities listed in the approved facilities plan pursuant to KRS
4 157.420.

5 (c) The board of education of each school district may contribute the levy
6 equivalent tax rate of five cents (\$0.05) and equalization funds for energy
7 conservation measures under guaranteed energy savings contracts pursuant to
8 KRS 45A.345, 45A.352, and 45A.353. Use of these funds, as provided under
9 KRS 45A.353, 56.774, and 58.600 shall be based on the following guidelines:

14 operating costs;
- 15 4. The savings generated by the energy conservation measures are
16 guaranteed;
- 17 5. The levy equivalent tax rate of five cents (\$0.05) and equalization funds
18 contributed to the energy conservation measures shall be defined as
19 capital cost avoidance as provided in KRS 45A.345(2) and shall be
20 subject to the restrictions on usage as specified in KRS 45A.352(9); and
- 21 6. The equipment that is replaced has exceeded its useful life as
22 determined by a life cycle cost analysis.

23 (d) The rate levied by a district board of education under the provisions of this
24 subsection shall not be subject to the public hearing provisions of KRS
25 160.470~~(6)~~~~(7)~~ or to the recall provisions of KRS 160.470~~(7)~~~~(8)~~.

26 (e) A school district which is at or above the equivalent tax rates permitted under
27 the provisions of the Kentucky Education Reform Act of 1990, 1990 Ky. Acts

1 ch. 476, shall not be required to levy an equivalent tax rate which is lower
2 than the rate levied during the 1989-90 school year.

3 (2) (a) A district may exceed the maximum provided by subsection (1) of KRS
4 160.470 provided that, upon request of the board of education of the district,
5 the county board of elections shall submit to the qualified voters of the
6 district, in the manner of submitting and voting as prescribed in paragraph (b)
7 of this subsection, the question whether a rate which would produce revenues
8 in excess of the maximum provided by subsection (1) of KRS 160.470 shall
9 be levied. The rate that may be levied under this section may produce revenue
10 up to no more than thirty percent (30%) of the revenue guaranteed by the
11 program to support education excellence in Kentucky plus the revenue
12 produced by the tax authorized by this section. Revenue produced by this levy
13 shall not be equalized with state funds. If a majority of those voting on the
14 question favor the increased rate, the tax levying authority shall, when the
15 next tax rate for the district is fixed, levy a rate not to exceed the rate
16 authorized by the voters.

17 (b) The election shall be held not less than fifteen (15) or more than thirty (30)
18 days from the time the request of the board is filed with the county clerk, and
19 reasonable notice of the election shall be given. The election shall be
20 conducted and carried out in the school district in all respects as required by
21 the general election laws and shall be held by the same officers as required by
22 the general election laws. The expense of the election shall be borne by the
23 school district.

24 (3) For the 1966 tax year and for all subsequent years for levies which were approved
25 prior to December 8, 1965, no district board of education shall levy a tax at a rate

27 defined in KRS 132.010, except as provided in subsection (4) of this section and

1 except that a rate which has been approved by the voters under this section but
2 which was not levied by the district board of education in 1965 may be levied after
3 it has been reduced to the compensating tax rate as defined in KRS 132.010, and
4 except that in any school district where the rate levied in 1965 was less than the
5 maximum rate which had been approved by the voters, the compensating tax rate
6 shall be computed and may be levied as though the maximum approved rate had
7 been levied in 1965 and the amount of revenue which would have been produced
8 from such maximum levy had been derived therefrom.

9 (4) Notwithstanding the limitations contained in subsection (3) of this section, no tax
10 rate shall be set lower than that necessary to provide such funds as are required to
11 meet principal and interest payments on outstanding bonded indebtedness and
12 payments of rentals in connection with any outstanding school revenue bonds
13 issued under the provisions of KRS Chapter 162.

14 (5) The chief state school officer shall certify the compensating tax rate to the levying
15 authorities.

26 responsible for all personnel actions including hiring, assignments, transfer,
27 dismissal, suspension, reinstatement, promotion, and demotion and reporting the

1 actions to the local board.

2 (2) All personnel actions by the superintendent as described in subsection (1) of this
3 section shall be recorded in the minutes of the local board of education at the next
4 meeting after the action is taken and shall not be effective prior to receipt of written
5 notice of the personnel action by the affected employee from the superintendent.

6 ➔Section 6. KRS 160.460 is amended to read as follows:

7 (1) All school taxes shall be levied by the board of education of each school district.

12 (2) The tax-levying authority shall make an annual school levy not later than July 1.
13 The school levy shall not be made until the working~~[general school]~~ budget has

15 authority to make the levy by the date prescribed shall not invalidate any levy made
16 thereafter.

17 (3) All school taxes shall be levied on all property subject to local taxation in the
18 jurisdiction of the tax-levying authority. If the school levy is to be made upon the
19 city assessment, which is hereby authorized for independent school districts
20 embraced by designated cities, the clerk of the city shall furnish to the school
21 district or districts which the city embraces, the assessed valuation of property
22 subject to local taxation in the school district, as determined by its tax assessor. If
23 the school levy is to be made upon the county assessment the county clerk shall
24 furnish to the proper school district or districts the assessed valuation of property
25 subject to local taxation in the district or districts, as certified by the Kentucky
26 Department of Revenue. No later than July 1, 1994, all real property located in the
27 state and subject to local taxation shall be assessed at one hundred percent (100%)

1 of fair cash value.

2 (4) As used in this section, "designated city" means a city classified as a city of the
3 first, second, third, or fourth class as of January 1, 2014, under the city
4 classification system in effect prior to January 1, 2015. The Department of
5 Education shall, on or before January 1, 2015, create an official registry listing the

9 (1) (a) Notwithstanding any statutory provisions to the contrary, no district board of
10 education shall levy a general tax rate which will produce more revenue,
11 exclusive of revenue from net assessment growth as defined in KRS 132.010,
12 than would be produced by application of the general tax rate that could have
13 been levied in the preceding year to the preceding year's assessment, except as
14 provided in subsections (8) and (9)~~[(9) and (10)]~~ of this section and KRS
15 157.440.

16 (b) If an election is held as provided for in KRS 132.017 and the question should
17 fail, such failure shall not reduce the "...general tax rate that could have been
18 levied in the preceding year..." referred to in subsection (1)(a) of this section,
19 for purposes of computing the general tax rate for succeeding years.

20 In the event of a merger of school districts, the limitations contained in this section
21 shall be based upon the combined revenue of the merging districts, as computed
22 under the provisions of this section.

23 (2) No district board of education shall levy a general tax rate within the limits imposed
24 in subsection (1) of this section which respectively exceeds the compensating tax

- 16 (5) Within thirty (30) days after the district board of education has received its
17 assessment data, the rates levied shall be forwarded to the Kentucky Board of

19 education to furnish the rates within the time prescribed shall not invalidate any
20 levy made thereafter.
- 21 (6) ~~{(a) Each district board of education shall, on or before January 31 of each~~

23 ~~revenues and proposed expenditures for the subsequent fiscal year. On or~~
