3 (7) The assets being transferred to the trust were not derived from unlawful activities.

4 ➔SECTION 61. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO  
5 READ AS FOLLOWS:

6 (1) Notwithstanding any law to the contrary, including KRS 386B.5-020(7)(a), no  
7 action of any kind, including but not limited to an action to enforce a judgment  
8 entered by a court or other body having adjudicative authority, shall be brought  
9 at law or in equity for an attachment or other provisional remedy against property  
10 that is the subject of a qualified disposition to a qualified trust or for the  
11 avoidance of a qualified disposition to a qualified trust, unless:

12 (a) The action is brought pursuant to the Kentucky Uniform Voidable  
13 Transactions Act, KRS 378A.005 to 378A.140; and

14 (b) The qualified disposition was made with actual intent to defraud a creditor  
15 whose claim arose after a qualified disposition.

16 (2) (a) Notwithstanding KRS 378A.090, a creditor's claim under subsection (1) of  
17 this section shall be extinguished:

18 1. If the person is a creditor when the qualified disposition to a qualified  
19 trust is made, unless the action is commenced within the later of two

20 (2) years after the qualified disposition is made or six (6) months after  
21 the person discovers or reasonably should have discovered the  
22 qualified disposition; or

23 2. If the person becomes a creditor after a qualified disposition to a  
24 qualified trust is made, unless the action is commenced within two (2)  
25 years after the qualified disposition is made.

26 (b) Any valid lien attaching to property before a disposition of that property to a  
27 trustee of a qualified trust shall survive the disposition, and the trustee shall

1 take title to the property subject to the valid lien and subject to any  
2 agreements that created or perfected the valid lien. This chapter shall not be  
3 construed to authorize any disposition that is prohibited by the terms of any  
4 agreements, notes, guaranties, mortgages, indentures, instruments,  
5 undertakings, or other documents. In the event of any conflict between this  
6 subparagraph and any other provision of this chapter, this subparagraph  
7 shall control.

8 (c) If paragraph (a) of this subsection applies:

9 1. A person shall be deemed to have discovered the existence of a  
10 qualified disposition to a qualified trust at the time any public record  
11 is made of any transfer of property relative to the qualified disposition,  
12 including but not limited to the conveyance of real property that is  
13 recorded in the office of the county clerk in which the property is  
14 located, the filing of a financing statement under Article 9 of KRS  
15 Chapter 355, or the equivalent recording or filing of either with the  
16 appropriate person or official under the laws of a jurisdiction other  
17 than this Commonwealth; and

18 2. No creditor shall bring an action with respect to property that is the  
19 subject of a qualified disposition unless that creditor proves by clear  
20 and convincing evidence that the settlor's transfer of the property was  
21 made with intent to defraud that specific creditor.

22 (3) For purposes of Sections 59 to 69 of this Act, a qualified disposition that is made  
23 by means of a disposition by a transferor who is a trustee shall be deemed to have  
24 been made as of the time the property that is the subject of the qualified  
25 disposition was originally transferred to the transferor acting in the capacity of  
26 trustee, or any predecessor trustee, in a form that meets the requirements of  
27 subsection (11)(a) and (c) of Section 59 of this Act.

1 (4) Notwithstanding any law to the contrary:

2 (a) A creditor, including a creditor whose claim arose before or after a  
3 qualified disposition, or any other person shall have only the rights with  
4 respect to a qualified disposition that are provided in this section and  
5 Section 63 of this Act;

6 (b) Neither a creditor nor any other person shall have any claim or cause of  
7 action against the trustee, an advisor of a qualified trust, or any person  
8 involved in the counseling, drafting, preparation, execution, or funding of a  
9 qualified trust; and

10 (c) For purposes of this subsection, counseling, drafting, preparation,  
11 execution, or funding of a qualified trust includes the counseling, drafting,  
12 preparation, execution, or funding of a limited partnership or limited  
13 liability company if interests in the limited partnership or limited liability  
14 company are subsequently transferred to the qualified trust.

15 (5) Notwithstanding any law to the contrary, no action of any kind, including but not  
16 limited to an action to enforce a judgment entered by a court or other body  
17 having adjudicative authority, shall be brought at law or in equity against a  
18 trustee or an advisor of a qualified trust, or against any person involved in the  
19 counseling, drafting, preparation, execution, or funding of a qualified trust if, as  
20 of the date the action is brought, an action by a creditor with respect to the  
21 qualified trust would be barred under this section.

22 (6) In circumstances where more than one (1) qualified disposition is made by means  
23 of the same qualified trust:

24 (a) The making of a subsequent qualified disposition shall be disregarded in  
25 determining whether a creditor's claim with respect to a prior qualified  
26 disposition is extinguished as provided in subsection (2) of this section; and

27 (b) Any distribution to a beneficiary shall be deemed to have been made from

1 the latest qualified disposition.

2 (7) (a) If, in any action brought against a qualified trust, a court takes any action  
3 whereby the court declines to apply the law of this Commonwealth in  
4 determining the effect of a spendthrift provision of the trust:

5 1. The trustee shall immediately, upon the court's action and without the  
6 further order of any court, cease in all respects to be trustee and a  
7 successor trustee shall succeed as trustee in accordance with the terms  
8 of the trust; or

9 2. If the trust does not provide for a successor trustee and the trust would  
10 otherwise be without a trustee, a court of this Commonwealth, upon  
11 the application of any beneficiary of the trust, shall appoint a  
12 successor trustee upon the terms and conditions it determines to be  
13 consistent with the purposes of the trust and Sections 59 to 69 of this  
14 Act.

15 (b) Upon the trustee's ceasing to be trustee, the trustee shall have no power or  
16 authority other than to convey the trust property to the successor trustee  
17 named in the trust in accordance with this subsection.

18 (8) A qualified trust shall be subject to this section whether or not the transferor  
19 retains any or all of the powers and rights described in Section 68 of this Act or  
20 serves as an investment advisor pursuant to Section 66 of this Act.

21 (9) (a) Notwithstanding subsection (1) or (2) of this section, the limitations on  
22 actions by creditors in law or equity shall not apply, and such creditors'  
23 claims shall not be extinguished, if the transferor is indebted on account of  
24 an agreement, judgment, or order of a court for the payment of any of the  
25 following:

26 1. Past due child support;

27 2. Past due temporary or permanent maintenance to a spouse or former

- 1                    spouse;
- 2                    3. A written agreement, judgment, or order of a court for division of
- 3                    marital property of a spouse or former spouse, but only to the extent of
- 4                    the debt, legally mandated interest on the debt, and the reasonable cost
- 5                    of collection of the debt; or
- 6                    4. A valid note, mortgage, security interest, or debt instrument in
- 7                    existence prior to the qualified disposition.
- 8                    (b) 1. A claim under this subsection shall be asserted against a trustee only:
- 9                    a. Upon a final, nonappealable determination of a Kentucky court
- 10                    or a fully domesticated, final, nonappealable order of a court of
- 11                    another state as defined by Section 116 of this Act that the debt is
- 12                    past due; and
- 13                    b. After the court has determined that the claimant has made
- 14                    reasonable attempts to collect the debt from any other sources of
- 15                    the transferor or that such attempts would be futile.
- 16                    2. Nothing in this paragraph shall be construed to prohibit the court
- 17                    from making the findings required in subparagraph 1. of this
- 18                    paragraph in the same proceeding and order.
- 19                    (c) This subsection shall not apply to any claim for forced heirship, legitime, or
- 20                    elective share.

21                    ➔SECTION 62. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO

22                    READ AS FOLLOWS:

23                    A transferor shall only have the powers and rights conferred by the qualified trust. The

24                    powers and rights conferred by the qualified trust upon the transferor are personal

25                    powers and rights that may not be exercised by a creditor or any other person, except

26                    as expressly permitted by the trust. Except as permitted by Sections 66 and 68 of this

27                    Act, the transferor shall have no rights or authority with respect to the corpus of the

1 qualified trust or the income from the trust, and any agreement or understanding  
2 purporting to grant or permit the retention of any greater rights or authority shall be  
3 void.

4       ➔SECTION 63. A NEW SECTION OF KRS CHAPTER 386 IS CREATED TO  
5 READ AS FOLLOWS:

6 (1) A qualified disposition to a qualified trust shall be avoided only to the extent  
7 necessary to satisfy the transferor's debt to the creditor at whose instance the  
8 disposition was avoided, together with costs, including attorneys' fees, that the  
9 court may allow.

10 (2) In the event any qualified disposition is avoided as described in subsection (1) of  
11 this section:

12 (a) If the court is satisfied that a qualified trustee has not acted in bad faith in  
13 accepting or administering the property that is the subject of the qualified  
14 disposition:

15 1. The qualified trustee shall have a first and paramount lien against the  
16 property that is the subject of the qualified disposition in an amount  
17 equal to the entire cost, including attorneys' fees, properly incurred by  
18 the qualified trustee in defense of the action or proceedings to avoid  
19 the qualified disposition except any valid lien attaching to the property  
20 before a disposition of that property to a trustee of a qualified trust  
21 shall survive the disposition, and the trustee shall take title to the  
22 property subject to the valid lien and subject to any agreements that  
23 created or perfected the valid lien;

24 2. The qualified disposition shall be avoided subject to the proper fees,  
25 costs, preexisting rights, claims, and interests of the qualified trustee  
26 and of any predecessor qualified trustee that has not acted in bad  
27 faith; and

1           3. For purposes of this paragraph, it shall be presumed that the qualified

10           2. For purposes of this paragraph, it shall be presumed that the  
 11           beneficiary, including a beneficiary who is also a transferor of the  
 12           trust, did not act in bad faith merely by creating the trust or by  
 13           accepting a distribution made in accordance with the terms of the  
 14           trust.

15           **(3) A disposition by a trustee that is not a qualified trustee to a trustee that is a**  
 16           **qualified trustee shall not be treated as other than a qualified disposition solely**  
 17           **because the trust instrument fails to meet the requirements of subsection (11)(a)**

4           withdraw income, a specified dollar amount, or a percentage of value  
5           of some or all of the trust property;
- 6           4. A presently exercisable general power of appointment; or
- 7           5. A right to receive an ascertainable part of the trust property on the  
8           trust's termination which is not subject to the exercise of discretion or  
9           to the occurrence of a specified event that is not certain to occur.
- 10       (2) Subject to subsection (3) of this section and Section 99 of this Act, an authorized  
11       fiduciary that has expanded distributive discretion over the principal of a first  
12       trust for the benefit of one (1) or more current beneficiaries may exercise the  
13       decanting power over the principal of the first trust.
- 14       (3) Subject to Section 98 of this Act, in an exercise of the decanting power under this  
15       section, a second trust shall not:
- 16           (a) Include as a current beneficiary a person that is not a current beneficiary of  
17           the first trust, except as otherwise provided in subsection (4) of this section;
- 18           (b) Include as a presumptive remainder beneficiary or successor beneficiary a  
19           person that is not a current beneficiary, presumptive remainder beneficiary,  
20           or successor beneficiary of the first trust, except as otherwise provided in  
21           subsection (4) of this section; or
- 22           (c) Reduce or eliminate a vested interest.
- 23       (4) Subject to subsection (3)(c) of this section and Section 99 of this Act, in an  
24       exercise of the decanting power under this section, a second trust may be a trust  
25       created or administered under the law of any jurisdiction and may:
- 26           (a) Retain a power of appointment granted in the first trust;
- 27           (b) Omit a power of appointment granted in the first trust, other than a

- 1                   presently exercisable general power of appointment;
- 2                   (c) Create or modify a power of appointment if the powerholder is a current
- 3                   beneficiary of the first trust and the authorized fiduciary has expanded
- 4                   distributive discretion to distribute principal to the beneficiary; and
- 5                   (d) Create or modify a power of appointment if the powerholder is a
- 6                   presumptive remainder beneficiary or successor beneficiary of the first
- 7                   trust, but the exercise of the power may take effect only after the
- 8                   powerholder becomes, or would have become if then living, a current
- 9                   beneficiary.
- 10                  (5) A power of appointment described in paragraphs (a) to (d) of subsection (4) of
- 11                  this section may be general or nongeneral. The class of permissible appointees in
- 12                  favor of which the power may be exercised may be broader than or different from
- 13                  the beneficiaries of the first trust.
- 14                  (6) If an authorized fiduciary has expanded distributive discretion over part but not
- 15                  all of the principal of a first trust, the fiduciary may exercise the decanting power
- 16                  under this section over that part of the principal over which the authorized
- 17                  fiduciary has expanded distributive discretion.
- 18                  ➔SECTION 97. A NEW SECTION OF SUBCHAPTER 13 OF KRS CHAPTER
- 19                  386B IS CREATED TO READ AS FOLLOWS:
- 20                  (1) As used in this section, "limited distributive discretion" means a discretionary
- 21                  power of distribution that is limited to an ascertainable standard or a reasonably
- 22                  definite standard.
- 23                  (2) An authorized fiduciary that has limited distributive discretion over the principal
- 24                  of the first trust for the benefit of one (1) or more current beneficiaries may
- 25                  exercise the decanting power over the principal of the first trust.
- 26                  (3) Under this section and subject to Section 99 of this Act, a second trust may be
- 27                  created or administered under the law of any jurisdiction. Under this section, the

1 second trusts, in the aggregate, shall grant each beneficiary of the first trust  
 2 beneficial interests which are substantially similar to the beneficial interests of  
 3 the beneficiary of the first trust.

4 (4) A power to make a distribution under a second trust for the benefit of a  
 5 beneficiary who is an individual is substantially similar to a power under the first  
 6 trust to make a distribution directly to the beneficiary. A distribution is for the  
 7 benefit of a beneficiary if:

8 (a) The distribution is applied for the benefit of the beneficiary;

9 (b) The beneficiary is under a legal disability or the trustee reasonably believes  
 10 the beneficiary is incapacitated, and the distribution is made as permitted  
 11 under this chapter; or

12 (c) The distribution is made as permitted under the terms of the first-trust  
 13 instrument and the second-trust instrument for the benefit of the  
 14 beneficiary.

15 (5) If an authorized fiduciary has limited distributive discretion over part but not all  
 16 of the principal of a first trust, the fiduciary may exercise the decanting power  
 17 under this section over that part of the principal over which the authorized  
 18 fiduciary has limited distributive discretion.

19 ➔SECTION 98. A NEW SECTION OF SUBCHAPTER 13 OF KRS CHAPTER  
 20 386B IS CREATED TO READ AS FOLLOWS:

21 (1) As used in this section:

22 (a) "Beneficiary with a disability" means a beneficiary of a first trust who the  
 23 special needs fiduciary believes may qualify for governmental benefits based  
 24 on disability, whether or not the beneficiary currently receives those benefits  
 25 or is an individual who has been adjudicated incompetent;

26 (b) "Governmental benefits" means financial aid or services from a state,  
 27 federal, or other public agency;

1 (c) "Special needs fiduciary" means, with respect to a trust that has a  
2 beneficiary with a disability:

3 1. A trustee or other fiduciary, other than a settlor, that has discretion to  
4 distribute part or all of the principal of a first trust to one (1) or more  
5 current beneficiaries;

6 2. If no trustee or fiduciary has discretion under subparagraph 1. of this  
7 paragraph, a trustee or other fiduciary, other than a settlor, that has  
8 discretion to distribute part or all of the income of the first trust to one  
9 (1) or more current beneficiaries; or

10 3. If no trustee or beneficiary has discretion under subparagraphs 1. and  
11 2. of this paragraph, a trustee or other fiduciary, other than a settlor,  
12 that is required to distribute part or all of the income or principal of  
13 the first trust to one (1) or more current beneficiaries; and

14 (d) "Special needs trust" means a trust that the trustee believes would not be  
15 considered a resource for purposes of determining whether a beneficiary  
16 with a disability is eligible for governmental benefits.

17 (2) A special needs fiduciary may exercise the decanting power in Section 96 of this  
18 Act over the principal of the first trust as if the fiduciary had authority to  
19 distribute principal to a beneficiary with a disability subject to expanded  
20 distributive discretion if:

21 (a) A second trust is a special needs trust that benefits the beneficiary with a  
22 disability; and

23 (b) The special needs fiduciary determines that exercise of the decanting power  
24 will further the purposes of the first trust.

25 (3) In an exercise of the decanting power under this section, the following rules  
26 apply:

27 (a) Notwithstanding subsection (3)(b) of Section 96 of this Act, the interest in

1 the second trust of a beneficiary with a disability may:

2 1. Be a pooled trust as defined by Medicaid law for the benefit of the  
 3 beneficiary with a disability under 42 U.S.C. sec. 1396p(d)(4)(A), as  
 4 amended; or

5 2. Contain payback provisions complying with reimbursement  
 6 requirements of Medicaid law under 42 U.S.C. sec. 1396p(d)(4)(A), as  
 7 amended;

8 (b) Subsection (3)(c) of Section 96 of this Act shall not apply to the interests of  
 9 the beneficiary with a disability; and

10 (c) Except as affected by any change to the interests of the beneficiary with a  
 11 disability, the second trust, or if there are two (2) or more second trusts, the  
 12 second trusts in the aggregate, shall grant each other beneficiary of the first  
 13 trust beneficial interests in the second trust which are substantially similar  
 14 to the beneficiary's beneficial interests in the first trust.

15 ➔SECTION 99. A NEW SECTION OF SUBCHAPTER 13 OF KRS CHAPTER  
 16 386B IS CREATED TO READ AS FOLLOWS:

17 (1) As used in this section:

18 (a) "Determinable charitable interest" means a charitable interest that is a  
 19 right to a mandatory distribution currently, periodically, on the occurrence  
 20 of a specified event, or after the passage of a specified time and which is  
 21 unconditional or will be held solely for charitable purposes; and

22 (b) "Unconditional" means not subject to the occurrence of a specified event  
 23 that is not certain to occur, other than a requirement in a trust instrument  
 24 that a charitable organization be in existence or qualify under a particular  
 25 provision of the United States Internal Revenue Code of 1986, as amended,  
 26 on the date of the distribution, if the charitable organization meets the  
 27 requirement on the date of determination.

- 1 (2) If a first trust contains a determinable charitable interest, the Attorney General  
2 has the rights of a qualified beneficiary and may represent and bind the  
3 charitable interest.
- 4 (3) If a first trust contains a charitable interest, the second trust or trusts shall not:  
5 (a) Diminish the charitable interest;  
6 (b) Diminish the interest of an identified charitable organization that holds the  
7 charitable interest;  
8 (c) Alter any charitable purpose stated in the first-trust instrument; or  
9 (d) Alter any condition or restriction related to the charitable interest.
- 10 (4) If there are two (2) or more second trusts, the second trusts shall be treated as one  
11 (1) trust for purposes of determining whether the exercise of the decanting power  
12 diminishes the charitable interest or diminishes the interest of an identified  
13 charitable organization for purposes of subsection (3) of this section.
- 14 (5) If a first trust contains a determinable charitable interest, the second trust or  
15 trusts that include a charitable interest pursuant to subsection (3) of this section  
16 shall be administered under the law of this Commonwealth unless:  
17 (a) The Attorney General, after having received notice under Section 92 of this  
18 Act, fails to object in a signed record delivered to the authorized fiduciary  
19 within the notice period;  
20 (b) The Attorney General consents in a signed record to the second trust or  
21 trusts being administered under the law of another jurisdiction; or  
22 (c) The court approves the exercise of the decanting power.
- 23 (6) Sections 87 to 114 of this Act do not limit the powers and duties of the Attorney  
24 General under the law of this Commonwealth other than the provisions of  
25 Sections 87 to 114 of this Act.

26 ➔SECTION 100. A NEW SECTION OF SUBCHAPTER 13 OF KRS  
27 CHAPTER 386B IS CREATED TO READ AS FOLLOWS:

- 1 (1) An authorized fiduciary may not exercise the decanting power to the extent the  
 2 first-trust instrument expressly prohibits the exercise of:  
 3 (a) The decanting power; or  
 4 (b) A power granted by state law to the fiduciary to distribute part or all of the  
 5 principal of the trust to another trust or to modify the trust.
- 6 (2) Exercise of the decanting power is subject to any restriction in the first-trust  
 7 instrument that expressly applies to the exercise of:  
 8 (a) The decanting power; or  
 9 (b) A power granted by state law to a fiduciary to distribute part or all of the  
 10 principal of the trust to another trust or to modify the trust.
- 11 (3) A general prohibition of the amendment or revocation of a first trust, a  
 12 spendthrift clause, or a clause restraining the voluntary or involuntary transfer of  
 13 a beneficiary's interest does not preclude exercise of the decanting power.
- 14 (4) Subject to subsections (1) and (2) of this section, an authorized fiduciary may  
 15 exercise the decanting power under Sections 87 to 114 of this Act even if the first-  
 16 trust instrument permits the authorized fiduciary or another person to modify the  
 17 first-trust instrument or to distribute part or all of the principal of the first trust to  
 18 another trust.
- 19 (5) If a first-trust instrument contains an express prohibition described in subsection  
 20 (1) of this section or an express restriction described in subsection (2) of this  
 21 section, the provision shall be included in the second-trust instrument.
- 22 ➔SECTION 101. A NEW SECTION OF SUBCHAPTER 13 OF KRS  
 23 CHAPTER 386B IS CREATED TO READ AS FOLLOWS:
- 24 (1) If a first-trust instrument specifies an authorized fiduciary's compensation, the  
 25 fiduciary may not exercise the decanting power to increase the fiduciary's  
 26 compensation above the specified compensation unless:  
 27 (a) All qualified beneficiaries of the second trust consent to the increase in a

1 signed record; or

2 (b) The increase is approved by the court.

3 (2) If a first-trust instrument does not specify an authorized fiduciary's  
 4 compensation, the fiduciary may not exercise the decanting power to increase the  
 5 fiduciary's compensation above the compensation permitted by this chapter  
 6 unless:

7 (a) All qualified beneficiaries of the second trust consent to the increase in a  
 8 signed record; or

9 (b) The increase is approved by the court.

10 (3) A change in an authorized fiduciary's compensation which is incidental to other  
 11 changes made by the exercise of the decanting power is not an increase in the  
 12 fiduciary's compensation for purposes of subsections (1) and (2) of this section.

13 ➔SECTION 102. A NEW SECTION OF SUBCHAPTER 13 OF KRS  
 14 CHAPTER 386B IS CREATED TO READ AS FOLLOWS:

15 (1) Except as otherwise provided in this section, a second-trust instrument may not  
 16 relieve an authorized fiduciary from liability for breach of trust to a greater  
 17 extent than the first-trust instrument.

18 (2) A second-trust instrument may provide for indemnification of an authorized  
 19 fiduciary of the first trust or another person acting in a fiduciary capacity under  
 20 the first trust for any liability or claim that would have been payable from the first  
 21 trust if the decanting power had not been exercised.

22 (3) A second-trust instrument may not reduce fiduciary liability in the aggregate.

23 (4) Subject to subsection (3) of this section, a second-trust instrument may divide and  
 24 reallocate fiduciary powers among the fiduciaries, including one (1) or more  
 25 trustees, distribution advisors, investment advisors, trust protectors, or other  
 26 persons, and relieve a fiduciary from liability for an act or failure to act of  
 27 another fiduciary as permitted by law of this Commonwealth other than Sections

1        87 to 114 of this Act.

2        ➔SECTION 103.     A NEW SECTION OF SUBCHAPTER 13 OF KRS  
3 CHAPTER 386B IS CREATED TO READ AS FOLLOWS:

4        An authorized fiduciary may not exercise the decanting power to modify a provision in  
5 a first-trust instrument granting another person power to remove or replace the  
6 fiduciary unless:

7        (1) The person holding the power consents to the modification in a signed record and  
8 the modification applies only to that person;

9        (2) The person holding the power and the qualified beneficiaries of the second trust  
10 consent to the modification in a signed record and the modification grants a  
11 substantially similar power to another person; or

12        (3) The court approves the modification and the modification grants a substantially  
13 similar power to another person.

14        ➔SECTION 104.     A NEW SECTION OF SUBCHAPTER 13 OF KRS  
15 CHAPTER 386B IS CREATED TO READ AS FOLLOWS:

16        (1) As used in this section:

17        (a) "Grantor trust" means a trust as to which a settlor of a first trust is  
18 considered the owner under 26 U.S.C. secs. 671 to 677, as amended, or 26  
19 U.S.C. sec. 679, as amended;

20        (b) "Internal Revenue Code" means the United States Internal Revenue Code  
21 of 1986, as amended;

22        (c) "Nongrantor trust" means a trust that is not a grantor trust; and

23        (d) "Qualified benefits property" means property subject to the minimum  
24 distribution requirements of 26 U.S.C. sec. 401(a)(9), as amended, and any  
25 applicable regulations, or to any similar requirements that refer to 26  
26 U.S.C. sec. 401(a)(9) or the regulations.

27        (2) An exercise of the decanting power is subject to the following limitations:

1 (a) If a first trust contains property that qualified, or would have qualified but  
2 for provisions of Sections 87 to 114 of this Act other than this section, for a  
3 marital deduction for purposes of the gift or estate tax under the Internal  
4 Revenue Code or a state gift, estate, or inheritance tax, the second-trust  
5 instrument shall not include or omit any term that, if included in or omitted  
6 from the trust instrument for the trust to which the property was  
7 transferred, would have prevented the transfer from qualifying for the  
8 deduction, or would have reduced the amount of the deduction, under the  
9 same provisions of the Internal Revenue Code or state law under which the  
10 transfer qualified;

11 (b) If the first trust contains property that qualified, or would have qualified but  
12 for provisions of Sections 87 to 114 of this Act other than this section, for a  
13 charitable deduction for purposes of the income, gift, or estate tax under the  
14 Internal Revenue Code or a state income, gift, estate, or inheritance tax, the  
15 second-trust instrument shall not include or omit any term that, if included  
16 from or omitted from the trust instrument for the trust to which the property  
17 was transferred, would have prevented the transfer from qualifying for the  
18 deduction, or would have reduced the amount of the deduction, under the  
19 same provisions of the Internal Revenue Code or state law under which the  
20 transfer qualified;

21 (c) If the first trust contains property that qualified, or would have qualified but  
22 for provisions of Sections 87 to 114 of this Act other than this section, for  
23 the exclusion from the gift tax described in:

24 1. 26 U.S.C. sec. 2503(b), as amended, the second-trust instrument shall  
25 not include or omit a term that, if included in or omitted from the trust  
26 instrument for the trust to which the property was transferred, would  
27 have prevented the transfer from qualifying under 26 U.S.C. sec.

1                   2503(b), as amended; or  
2                   2. 26 U.S.C. sec. 2503(c), as amended, the second-trust instrument shall  
3                   not include or omit a term that, if included in or omitted from the trust  
4                   instrument for the trust to which the property was transferred, would  
5                   have prevented the transfer from qualifying under 26 U.S.C. sec.  
6                   2503(c), as amended;

7                   (d) If the property of the first trust includes shares of stock in an S corporation  
8                   as defined in 26 U.S.C. sec. 1361, as amended, and the first trust is, or but  
9                   for provisions of Sections 87 to 114 of this Act other than this section would  
10                   be, a permitted shareholder under any provision of 26 U.S.C. sec. 1361, as  
11                   amended, an authorized fiduciary may exercise the power with respect to  
12                   part of all the S corporation stock only if any second trust receiving the  
13                   stock is a permitted shareholder under 26 U.S.C. sec. 1361(c)(2), as  
14                   amended. If the property of the first trust includes shares of stock in an S  
15                   corporation and the first trust is, or but for provisions of Sections 87 to 114  
16                   of this Act other than this section would be, a qualified subchapter S trust  
17                   within the meaning of 26 U.S.C. sec. 1361(d), as amended, the second-trust  
18                   instrument shall not include or omit a term that prevents the second trust  
19                   from qualifying as a qualified subchapter S trust;

20                   (e) If the first trust contains property that qualified, or would have qualified but  
21                   for provisions of Sections 87 to 114 of this Act other than this section, for a  
22                   zero inclusion ratio for purposes of the generation-skipping transfer tax  
23                   under 26 U.S.C. sec. 2642(c), as amended, the second-trust instrument shall  
24                   not include or omit a term that, if included in or omitted from the first-trust  
25                   instrument, would have prevented the transfer to the first trust from  
26                   qualifying for a zero inclusion ratio under 26 U.S.C. sec. 2642(c), as  
27                   amended;

1 (f) If the first trust is directly or indirectly the beneficiary of qualified benefits  
2 property, the second-trust instrument shall not include or omit any term  
3 that, if included in or omitted from the first-trust instrument, would have  
4 increased the minimum distributions required with respect to the qualified  
5 benefits property under 26 U.S.C. sec. 401(a)(9), as amended, and any  
6 applicable regulations, or any similar requirements that refer to 26 U.S.C.  
7 sec. 401(a)(9), as amended, or the regulations. If an attempted exercise of  
8 the decanting power violates the preceding sentence, the trustee is deemed to  
9 have held the qualified benefits property and any reinvested distributions of  
10 the property as a separate share from the date of the exercise of the power,  
11 and Section 107 of this Act applies to the separate share;

12 (g) If the first trust qualifies as a grantor trust because of the application of 26  
13 U.S.C. sec. 672(f)(2)(A), as amended, the second trust shall not include or  
14 omit a term that, if included in or omitted from the first-trust instrument,  
15 would have prevented the first trust from qualifying under 26 U.S.C. sec.  
16 672(f)(2)(A), as amended;

17 (h) As used in this paragraph, "tax benefit" means a federal or state tax  
18 deduction, exemption, exclusion, or other benefit not otherwise listed in this  
19 section, except for a benefit arising from being a grantor trust. Subject to  
20 paragraph (i) of this subsection, a second-trust instrument shall not include  
21 or omit a term that, if included in or omitted from the first-trust instrument,  
22 would have prevented qualification for a tax benefit if:

23 1. The first-trust instrument expressly indicates an intent to qualify for  
24 the benefit or the first-trust instrument clearly is designed to enable  
25 the first trust to qualify for the benefit; and

26 2. The transfer of property held by the first trust or the first trust  
27 qualified, or but for the provisions of Sections 87 to 114 of this Act

1 other than this section, would have qualified for the tax benefit;

2 (i) Subject to paragraph (d) of this subsection:

3 1. Except as otherwise provided in paragraph (g) of this subsection, the  
 4 second trust may be a nongrantor trust, even if the first trust is a  
 5 grantor trust; and

6 2. Except as otherwise provided in paragraph (j) of this subsection, the  
 7 second trust may be a grantor trust, even if the first trust is a  
 8 nongrantor trust; and

9 (j) An authorized fiduciary may not exercise the decanting power if a settlor  
 10 objects in a signed record delivered to the fiduciary within the notice period  
 11 and:

12 1. The first trust and a second trust are both grantor trusts, in whole or  
 13 in part, the first trust grants the settlor or another person the power to  
 14 cause the first trust to cease to be a grantor trust, and the second trust  
 15 does not grant an equivalent power to the settlor or other person; or

16 2. The first trust is a nongrantor trust and a second trust is a grantor  
 17 trust, in whole or in part, with respect to the settlor, unless:

18 a. The settlor has the power at all times to cause the second trust to  
 19 cease to be a grantor trust; or

20 b. The first-trust instrument contains a provision granting the  
 21 settlor or another person a power that would cause the first trust  
 22 to cease to be a grantor trust and the second-trust instrument  
 23 contains the same provision.

24 ➔SECTION 105. A NEW SECTION OF SUBCHAPTER 13 OF KRS  
 25 CHAPTER 386B IS CREATED TO READ AS FOLLOWS:

26 (1) Subject to subsection (2) of this section, a second trust may have a duration that  
 27 is the same as or different from the duration of the first trust.

1 (2) To the extent that property of a second trust is attributable to property of the first  
2 trust, the property of the second trust is subject to any rules governing maximum  
3 perpetuity, accumulation, or suspension of the power of alienation which apply to  
4 the property of the first trust.

5 ➔SECTION 106. A NEW SECTION OF SUBCHAPTER 13 OF KRS  
6 CHAPTER 386B IS CREATED TO READ AS FOLLOWS:

7 An authorized fiduciary may exercise the decanting power whether or not under the  
8 first trust's discretionary distribution standard the fiduciary would have made or could  
9 have been compelled to make a discretionary distribution of principal at the time of the  
10 exercise.

11 ➔SECTION 107. A NEW SECTION OF SUBCHAPTER 13 OF KRS  
12 CHAPTER 386B IS CREATED TO READ AS FOLLOWS:

13 (1) If exercise of the decanting power would be effective under Sections 87 to 114 of  
14 this Act except that the second-trust instrument in part does not comply with the  
15 provisions of Sections 87 to 114 of this Act, the exercise of the power is effective  
16 and the following rules shall apply with respect to the principal of the second  
17 trust attributable to the exercise of the power:

18 (a) A provision in the second-trust instrument which is not permitted under  
19 Sections 87 to 114 of this Act is void to the extent necessary to comply with  
20 Sections 87 to 114 of this Act; and

21 (b) A provision required by Sections 87 to 114 of this Act to be in the second-  
22 trust instrument which is not contained in the instrument is deemed to be  
23 included in the instrument to the extent necessary to comply with Sections  
24 87 to 114 of this Act.

25 (2) If a trustee or other fiduciary of a second trust determines that subsection (1) of
