25 designating the entity responsible for filing any federal forms, adoption of
26 policies required for proper plan administration, acceptance of the contractual
27 provisions with health insurance carriers or third-party administrators, and

3 to penalties for noncompliance with data reporting requirements as specified
4 by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions
5 to protect the confidentiality of each individual employee; however,
6 confidentiality assertions shall not relieve a carrier from the requirement of
7 providing stipulated data to the Commonwealth.

8 (e) The Personnel Cabinet shall develop the necessary techniques and capabilities
9 for timely analysis of data received from carriers and, to the extent possible,
10 provide in the request-for-proposal specifics relating to data requirements,

12 shall own the enrollment, claims, and utilization data provided by each carrier
13 and shall develop methods to protect the confidentiality of the individual. The
14 Personnel Cabinet shall include in the October annual report submitted
15 pursuant to the provisions of KRS 18A.226 to the Governor, the General

18 loss ratios, methods of risk adjustment, measurements of carrier quality of
19 service, prescription coverage and cost management, and statutorily required

23 (f) If any agency participating in the state-sponsored employee health insurance
24 program for its active employees terminates participation and there is a state
25 appropriation for the employer's contribution for active employees' health
26 insurance coverage, then neither the agency nor the employees shall receive
27 the state-funded contribution after termination from the state-sponsored

- 1 employee health insurance program.
- 2 (g) Any funds in flexible spending accounts that remain after all reimbursements
3 have been processed shall be transferred to the credit of the state-sponsored
4 health insurance plan's appropriation account.
- 5 (h) Each entity participating in the state-sponsored health insurance program shall
6 provide an amount at least equal to the state contribution rate for the employer
7 portion of the health insurance premium. For any participating entity that used
8 the state payroll system, the employer contribution amount shall be equal to
9 but not greater than the state contribution rate.
- 10 (3) The premiums may be paid by the policyholder:
- 11 (a) Wholly from funds contributed by the employee, by payroll deduction or
12 otherwise;
- 13 (b) Wholly from funds contributed by any department, board, agency, public
14 postsecondary education institution, or branch of state, city, urban-county,
15 charter county, county, or consolidated local government; or
- 16 (c) Partly from each, except that any premium due for health care coverage or
17 dental coverage, if any, in excess of the premium amount contributed by any
18 department, board, agency, postsecondary education institution, or branch of
19 state, city, urban-county, charter county, county, or consolidated local
20 government for any other health care coverage shall be paid by the employee.
- 21 (4) If an employee moves his or her place of residence or employment out of the
22 service area of an insurer offering a managed health care plan, under which he or
23 she has elected coverage, into either the service area of another managed health care
24 plan or into an area of the Commonwealth not within a managed health care plan
25 service area, the employee shall be given an option, at the time of the move or
26 transfer, to change his or her coverage to another health benefit plan.
- 27 (5) No payment of premium by any department, board, agency, public postsecondary

1 educational institution, or branch of state, city, urban-county, charter county,
2 county, or consolidated local government shall constitute compensation to an
3 insured employee for the purposes of any statute fixing or limiting the
4 compensation of such an employee. Any premium or other expense incurred by any
5 department, board, agency, public postsecondary educational institution, or branch
6 of state, city, urban-county, charter county, county, or consolidated local
7 government shall be considered a proper cost of administration.

8 (6) The policy or policies may contain the provisions with respect to the class or classes
9 of employees covered, amounts of insurance or coverage for designated classes or
10 groups of employees, policy options, terms of eligibility, and continuation of
11 insurance or coverage after retirement.

12 (7) Group rates under this section shall be made available to the disabled child of an
13 employee regardless of the child's age if the entire premium for the disabled child's
14 coverage is paid by the state employee. A child shall be considered disabled if he or
15 she has been determined to be eligible for federal Social Security disability benefits.

16 (8) The health care contract or contracts for employees shall be entered into for a
17 period of not less than one (1) year.

18 (9) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of
19 State Health Insurance Subscribers to advise the secretary or the secretary's
20 designee regarding the state-sponsored health insurance program for employees.
21 The secretary shall appoint, from a list of names submitted by appointing
22 authorities, members representing school districts from each of the seven (7)
23 Supreme Court districts, members representing state government from each of the
24 seven (7) Supreme Court districts, two (2) members representing retirees under age
25 sixty-five (65), one (1) member representing local health departments, two (2)

12 obtaining or performing an abortion, nor shall any state funds be used for the
13 purpose of obtaining or performing an abortion on behalf of employees or their
14 dependents.

15 (11) Interruption of an established treatment regime with maintenance drugs shall be
16 grounds for an insured to appeal a formulary change through the established appeal
17 procedures approved by the Department of Insurance, if the physician supervising
18 the treatment certifies that the change is not in the best interests of the patient.

19 (12) Any employee who is eligible for and elects to participate in the state health
20 insurance program as a retiree, or the spouse or beneficiary of a retiree, under any
21 one (1) of the state-sponsored retirement systems shall not be eligible to receive the
22 state health insurance contribution toward health care coverage as a result of any
23 other employment for which there is a public employer contribution. This does not
24 preclude a retiree and an active employee spouse from using both contributions to
25 the extent needed for purchase of one (1) state sponsored health insurance policy
26 for that plan year.

27 (13) (a) The policies of health insurance coverage procured under subsection (2) of

1 this section shall include a mail-order drug option for maintenance drugs for
2 state employees. Maintenance drugs may be dispensed by mail order in
3 accordance with Kentucky law.

4 (b) A health insurer shall not discriminate against any retail pharmacy located
