Part II: Bill Provisions and the Estimated Fiscal Impact Relating to Local Government

Section 1 of HB 123 would create a new section of KRS Chapter 186 to establish a Break the Silence special license plate. The new section would provide that a portion of the fees collected for a Break the Silence plate would be used to support programs for survivors of domestic violence and sexual assault, and would be appropriated to the Kentucky Coalition Against Domestic Violence for that purpose. **Section 2** of the proposed bill would amend KRS 186.162 (2ac) to establish an initial fee of \$38 for issuance of the plate, and a renewal fee of \$20. The plates would be obtained on application and payment of the fee to the county clerk of the county of the applicant's residence.

By separate statute the county clerk is to retain \$3 of each license plate initial and renewal fee for the use of the county clerk's office. HB 123 would result in no net increase or decrease in the fees received by county clerks, since the clerk retains the same amount of fees for issuance and renewal of the special plate as it does for a regular license plate.
