MEASURE'S PURPOSE: The purpose of this measure is to make a technical correction, revising the date requiring the Finance and Administration Cabinet to supply each branch of government the prescribed uniform forms and instructions relating to the budget instructions from September 1 to August 1 of each odd-numbered year.

PROVISIONS/MECHANICS: Amends KRS 48.040 (4), changing the above-described date from September 1 to August 1.

FISCAL EXPLANATION: This change merely revises the date by one month earlier than previously practiced. The new deadline could result in increased personnel expenses, such as overtime or compensatory time, although the impact on the agencies' expenditures would be de minimis. The fiscal impact is indeterminable, but less than \$100,000.
