

HB 333, Section 21 creates a new section of KRS 423 to provide that county clerks who file notary public assurances and administer oaths must promptly record the fact and date in the Secretary of State's notary public database.

Section 27 of HB 333 creates a new section of KRS Chapter 423 to allow that county clerks may assess fees for services required to fulfill obligations set forth in Sections 1 to 31 of this Act.

Section 28 of HB 333 creates a new section of KRS Chapter 423 to provide that a record of real property is deemed to comply with all applicable requirements upon acceptance for recording by a county clerk in which the real property is located.

Section 29 of HB 333 creates a new section of KRS Chapter 423 to exempt county clerks from any suit arising from any acts or omissions relating to recording records that have been notarized by electronic means, unless the clerk was grossly negligent or engaged in willful misconduct.

Section 30 of HB 333 creates a new section of KRS Chapter 423 to allow a governmental agency that accepts paper printouts of electronic records the ability to establish rules, procedures, or requirements governing this acceptance.

Section 31 of HB 333 creates a new section of KRS Chapter 423 to provide that with respect only to notarial acts performed in relation to tangible records, a county clerk of a county in whose office any notary public has filed his signature and surety bond shall, when requested, subjoin to any certificate of proof or acknowledgement signed by the notary a certificate under his or her hand and seal stating that such notary public's written signature is on file in the clerk's office, and was at the time of taking such proof or acknowledgement duly authorized to take the same, that the clerk is well acquainted with the handwriting of the notary public, and believes that the signature to the proof or acknowledgement is genuine.

Section 32 of HB 333 creates a new section of KRS 382 to provide that, regarding "paper documents" (as defined), a county clerk:

- May receive, index, store, archive, and transmit electronic documents;
- May provide for access to, and search and retrieval of, documents and information by electronic means;
- Who accepts electronic documents for recording shall continue to accept 3 paper documents as authorized by state law and shall place entries for both 4 types of documents in the same index;
- May convert paper documents accepted for recording into electronic form;
- May convert into electronic form information recorded before the clerk began to record electronic documents;
- May accept electronically any fee, levy, or tax that the clerk is authorized to collect; and

- May agree with other officials of a state or a political subdivision of that state, or of the United States, on procedures or processes to facilitate the electronic satisfaction of prior approvals and conditions precedent to recording and the electronic payment of fees, levies, and taxes that the clerk is authorized to accept.

Section 33 of HB 333 creates a new section of KRS Chapter 382 to provide the requirements of certification under which a county clerk shall record a paper copy of a certified document relating to real property that was originally in an electronic form.

Section 36 of HB 333 135 creates a 10-member Kentucky Notarization and Recording Standards Commission, of which a majority of the membership must be county clerks.
