

As examples of typical fees, the City of Danville charges 10 cents per page for paper copies, 99 cents for an audio recording, and 99 cents for a DVD. The City of Louisville charges 10 cents per page for paper copies and \$2 for audio tape or CD. There are additional charges for color or nonstandard size copies. The actual cost for mailing is additional. Louisville may not charge for copies sent via fax, and there is charge for emailed records.

There may be minimal training related to the bill's provisions.

Part III: Differences to Local Government Mandate Statement from Prior Versions

Part II, above, pertains to HB 174 HCS 1. **The fiscal impact of HB 174 HCS 1 is unchanged from that of HB 174 as introduced.** HB 174 HCS 1 makes the following changes to the introduced version:

- permits the photographs or videos to be made available at the request of any party (or family or legal representative or an insurance company) involved in the underlying incident, while the introduced version did not allow them to be made available to these persons;
- deletes the references to “gruesome photograph or video”;
- deletes language applying the bill’s provisions to civil or criminal proceedings;
- deletes language allowing the retroactive application to videos or photographs in existence prior to the bill’s effective date; and
- makes technical changes relating to the facsimile or email transmission of applications to inspect public records.
