PURPOSE OF MEASURE: The purpose of the measure is to allow the Auditor of Public Accounts (APA) to perform an annual audit of the abortion reporting requirements provided to the Vital Statistics Branch (VSB) located within the Department for Public Health (DPH).

FISCAL EXPLANATION: This legislation adds language to allow the APA to perform an annual audit of the abortion reporting requirements provided to the VSB. DPH would be required to pay for conducting the audit. The department estimates the cost to be at or less than \$5,000 annually. Applying a blended match rate of 65 percent Federal Funds, and 29 percent Restricted Funds, and 6 percent General Fund, there would be a fiscal impact of \$3,250 Federal Funds, and \$1,450 Restricted Funds, and \$300 in General Fund dollars to DPH to conduct the required audit.
