**PURPOSE OF MEASURE:** The bill would create a Crisis Intervention Team training program for firefighters and would dedicate \$1.25 million to a program for firefighters affected by post-traumatic stress and post traumatic injury disorders.

**FISCAL EXPLANATION:** The Cabinet for Health and Family Services states that the requirements in Section 1 to modify the training curriculum and train the Crisis Intervention Team training instructors would have no fiscal impact on the Cabinet. Section 1 of the bill would result in no fiscal impact on the Fire Commission or the Firefighters Foundation Program Fund because it would not require all firefighters to take the new Crisis Intervention Team training program, but would add the Crisis Intervention Team training program to the menu of training options that firefighters can choose from in order to complete their training requirements.

Section 2 of the bill would codify an existing program, and thus would result in no fiscal impact on the Fire Commission. The current budget (20 RS HB 352) already includes the \$1.25 million Restricted Funds for firefighters affected by post-traumatic stress and post traumatic injury disorders.
