STATE IMPACT: Class A, B, & C felonies are based on an average daily prison rate of \$80.24. Community Custody Class C and most Class D felons are housed in one of seventy-seven (77) full service or regional jails for up to five (5) years. Department of Corrections' cost to incarcerate a felony inmate in a jail is \$37.35 per day, which includes \$31.34 per diem, medical costs, & central office administrative costs (substance abuse treatment not included).*

Projected Impact: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

This legislation establishes the regulation of cannabis. Sections 1-13 discuss licensing and tracking. There are restrictions for individuals with criminal records.

Section 6 allows a home grower with a permit to have five (5) mature cannabis plants and up to five (5) immature cannabis plants.

Section 14 mandates that cannabis, cannabis products, and accessories may only be purchased, possessed, consumed, or used by a person age twenty-one (21) or older. Minors under the age of twenty-one (21) are restricted from entering a licensed cannabis establishment for the purchase or receipt of cannabis. A minor shall not misrepresent his/her age or use false identification. Violations are a Class B misdemeanor. If under the age of eighteen (18), violations are deemed a status offense. Section 16 requires postings, to include the criminal penalties for minors.

Section 15 prohibits smoking of cannabis in public or in a motor vehicle, subject to a maximum fine of \$100.

Sections 17-32 discuss taxation, civil penalties, permits, oversight, and reporting. Section 33 adds the purchase of cannabis, products, and accessories as an exception to the age of majority. Sections 34-38 establish regulation authority.

Section 39 redefines KRS 218A.1421 Trafficking in Marijuana to include transfers of cannabis outside of the license established within the legislation. Home grower permits would not be in violation based on plant weight only.

- ◆ Trafficking in Marijuana ranges from a Class A misdemeanor to a Class B felony depending on the amount and offense number.

Section 40 redefines KRS 218A.1422 Possession of Marijuana to unlawfully possessing more than one (1) ounce of marijuana.

- ◆ Possession of Marijuana is a Class B misdemeanor.

Section 41 provides an exception to KRS 218A.1423 Marijuana Cultivation for those holding a license or permit to cultivate or grow under this legislation.

- ◆ Marijuana Cultivation is a Class D or Class C felony depending on the number of plants and subsequent offenses.

Section 42 provides an exclusion to KRS 219A.500 Possession of Drug Paraphernalia for cannabis accessories and items used in the cultivation of cannabis licensed under this legislation.

- ◆ Possession of Drug Paraphernalia is a Class A misdemeanor.

Under Sections 43-44, individuals who have been convicted of a misdemeanor for possession of marijuana or marijuana related paraphernalia may petition the court for expungement of the record. Filing fees and court costs shall be waived.

Section 45 discusses taxes. Section 46 adds cannabis offenses to the list of juvenile status offenses. Section 47 creates the Division of Cannabis under the Department of Alcoholic Beverage Control.

- ◆ Currently the Department of Corrections has 462 inmates incarcerated on marijuana related offenses. Those inmates have 369 Trafficking in Marijuana convictions, forty-four (44) convictions for Cultivating Marijuana, and ninety-four (94) misdemeanor Possession offenses. (*Note: offenders may be incarcerated for other offenses or have multiple offenses.*)
- ◆ Four thousand five hundred forty-one (4,541) community offenders are on supervision for 4,854 marijuana related offenses. One thousand eight hundred eighty-nine (1,889) have convictions for Trafficking in Marijuana, 420 have convictions for Cultivating Marijuana, and 2,545 for Possession of Marijuana convictions.
- ◆ AOC records for FY 2020 reflect 301 Class D, seventy-four (74) Class C, and seven (7) Class B felony convictions for marijuana related offenses. (*Includes inchoate offenses.*)

The legislation would reduce the number of offenders receiving convictions for possession, trafficking, and cultivation, though there would be individuals who continue to commit the offenses of possessing, trafficking, and cultivating beyond the licensing requirements and amount quantities as specified under the legislation.

The statutory changes as introduced will have an impact on supervision of offenders, substance abuse treatment, and drug testing/monitoring.

Cost to Incarcerate

A Class B Felony sentence is 10 to 20 years.
1 Class B Felon costs KY \$292,877.46 to \$585,754.92

A Class C Felony sentence is 5 to 10 years.
1 Class C Felon costs KY \$146,438.73 to \$292,877.46

A Class D Felony sentence is 1 to 5 years.
1 Class D Felon costs KY \$13,634.54 to \$68,172.72

10 Class B Felons cost KY \$2,928,774.58 to \$5,857,549.15
100 Class B Felons cost KY \$29,287,745.77 to \$58,575,491.55

10 Class C Felons cost KY \$1,464,387.29 to \$2,928,774.58
100 Class C Felons cost KY \$14,643,872.89 to \$29,287,745.77

10 Class D Felons cost KY \$136,345.44 to \$681,727.22
100 Class D Felons cost KY \$1,363,454.45 to \$6,817,272.25

LOCAL IMPACT: Local governments are responsible for the cost of incarcerating individuals charged with Class A or B misdemeanors and felony defendants until disposition of the case. The estimated impact will be based on the \$37.35 cost to incarcerate while \$31.34 is the per diem and medical that DOC pays jails to house felony offenders. Since the cost to incarcerate is an estimated average cost of housing an inmate, this may not be the actual housing cost for the jail.*

Projected Impact: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

Under the legislation, there would be reduced marijuana related convictions. Marijuana can be possessed lawfully in small amounts, reducing the number of criminal convictions for Possession of Marijuana.

- ◆ Possession of marijuana is a Class B misdemeanor, subject to county jurisdiction and costs.
- ◆ AOC records for FY2020 show a total of 8,420 misdemeanor marijuana related convictions.
 - Of those, 7,641 convictions were specific to Possession of Marijuana.
- ◆ Currently, there are 2,545 offenders on community supervision with a conviction for Possession of Marijuana. Additionally, there are a total of 598 supervised offenders with misdemeanor Trafficking or Cultivating Marijuana convictions.

Behavior that currently would result in a district court action would not be criminal under the legislation, providing fewer offenses related to marijuana and possibly fewer incarcerated individuals, impacting both the county and state incarcerated population.

Cost to Incarcerate

A Class A misdemeanor is 90 days to 1 year in jail.
1 Class A misdemeanor: \$3,361.94 to \$13,634.54

A Class B misdemeanor is up to 90 days in jail.
1 Class B misdemeanor: up to \$3,361.94

10 Class A misdemeanants: \$33,619.42 to \$136,345.44
100 Class A misdemeanants: \$336,194.25 to \$1,363,454.45

10 Class B misdemeanants: up to \$33,619.42
100 Class B misdemeanants: up to \$336,194.25

Projected Corrections Impact from Amendments:

**All projections are based on the daily rate x 365 days x number of years. The cost to incarcerate as calculated by the Department is shown here as rounded to the hundredths. Offenders may have multiple offenses or be incarcerated on other charges unless otherwise noted. Unless otherwise noted, numbers will include inchoate offenses at the underlying offense level.*
