## Part II: Bill Provisions and the Estimated Fiscal Impact Relating to Local Government

**The fiscal impact on specific jails will be minimal to perhaps moderate.** SB 84 HCS creates a new section of KRS Chapter 196 forbidding the placement of inmates who are pregnant or in the immediate postpartum period in restrictive housing, administrative segregation, or solitary confinement for medical observation.

The Act defines "immediate postpartum period", and creates a new section of KRS Chapter 196 to establish notice of availability and access to applicable community-based programs and social workers. SB 84 HCS establishes parameters for care of an infant for the 72-hour period after birth. The bill requires that an annual restricted housing report be filed with the Legislative Research Commission and Judiciary Committee.

Compliance with the provisions of SB 84 HCS providing **requirements for the care of pregnant and immediate post-partum inmates, and related reporting will require additional time and effort and the provision of accommodating facilities**.

Part III: Differences to Local Government Mandate Statement from Prior Versions

SB 84 HCS makes technical changes (only) that do not materially change the provisions of the Senate bill, and the fiscal impact is the same as for SB 84 GA.
