**PURPOSE OF MEASURE:** The purpose of this measure is to modify the allocation of lottery proceeds and make technical changes.

**FISCAL EXPLANATION:** HB 189 will increase General Fund expenditures in fiscal year (FY) 2024 by \$1.2 million. HB 189 modifies existing statute to remove the annual designation of lottery revenues to the Collaborative Center for Literacy Development (CCLD), which is housed at the University of Kentucky (UK). Based on the current Executive Branch budget bill, 2022 Regular Session House Bill 1, a line item from the Department of Education’s Learning and Results Services appropriation unit will be paid utilizing General Fund, at large, instead of dedicated lottery revenues.

The excess \$1.2 million in lottery revenues generated in FY 2024 from no longer supporting CCLD will be managed in accordance with the existing Executive Branch budget bill. In future fiscal years, lottery revenues will be forecasted, and General Fund appropriations will adjust according to the decisions of the General Assembly.
