STATE IMPACT: Class A, B, & C felonies are based on an average daily prison rate of \$105.23. Community Custody Class C and most Class D felons are housed in one of seventy-four (74) full service or regional jails for up to five (5) years. Department of Corrections' cost to incarcerate a felony inmate in a jail is \$40.11 per day, which includes \$35.34 per diem, medical costs, & central office administrative costs (substance abuse treatment not included).*

Projected Impact: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

There would be no impact to the Department of Corrections at the state level.

LOCAL IMPACT: Local governments are responsible for the cost of incarcerating individuals charged with Class A or B misdemeanors and felony defendants until disposition of the case. The estimated impact will be based on the \$40.11 cost to incarcerate for the Department of Corrections, including \$35.34 per diem and medical that DOC pays jails to house felony offenders. This cost to incarcerate may not be the actual housing cost for the jail.*

Projected Impact: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

This legislation adds a new misdemeanor of intimidation of a sports official. Establishing new misdemeanor offenses could result in additional county prisoners being housed in county jails, but the impact is expected to be a minimal increase. Misdemeanor offenders are subject to the jurisdiction and cost of the county.

It is not known how many additional misdemeanor offenders would be generated under this legislation, however, given the specific focus of the offense, the number of convictions would likely be few.

There is currently 1 inmate in custody and 3 offenders on supervision for offenses related to Sports Officials.

PROJECTED IMPACT FROM AMENDMENTS:

NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

**All projections are based on the daily rate x 365 days x number of years. The cost to incarcerate as calculated by the Department is shown here as rounded to the hundredths. Offenders may have multiple offenses or be incarcerated on other charges unless otherwise noted. Unless otherwise noted, numbers will include inchoate offenses at the underlying offense level.*
