The Kentucky Racing Commission provided that the following properties are currently under construction:

- Property adjacent to Churchill Downs Racetrack (Jefferson)
- Non-contiguous property owned by ELC Corbin, LLC
- Non-contiguous property owned by Ellis Entertainment, LLC
- Sandy’s Racetrack, owned by Revolutionary Racing, LLC (Boyd)
- Sandy’s Gaming, non-contiguous property owned by Revolutionary Racing, LLC

KRS 230.210(24)(c) allows for a non-contiguous property to be within a 60 mile radius of the association’s racetrack; thus, it may be in another county.

It is expected that the money going into the pari-mutuel racing local government support fund will increase as the new facilities come online.
