PURPOSE OF MEASURE: The measure amends the Executive Branch budget to reduce General Fund appropriations to the Teachers' Retirement System (TRS) by \$39.3 million in each fiscal year for sick leave benefits for retirees.

FISCAL EXPLANATION: This measure would provide a net savings to the General Fund of \$39.3 million in each fiscal year. Per TRS, the budget bill line item to support sick leave benefits is not needed because those benefits were funded through the actuarially determined employer contribution in the Executive Branch budget bill.
