STATE IMPACT: Class A, B, & C felonies are based on an average daily prison rate of \$116.93. Community Custody Class C and most Class D felons are housed in one of seventy-four (74) full-service or regional jails for up to five (5) years. Department of Corrections cost to incarcerate a felony inmate in jail is \$44.97 per day, which includes \$35.34 per diem, medical costs, and central office administrative costs (substance abuse treatment not included).*

Projected Impact: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

The legislation would likely have no impact to operational costs at the state level.

LOCAL IMPACT: Local governments are responsible for the cost of incarcerating individuals charged with Class A or B misdemeanors and felony defendants until the disposition of the case. The estimated impact will be based on the \$44.97 cost to incarcerate for the Department of Corrections, including \$35.34 per diem and medical that DOC pays jails to house felony offenders. This cost to incarcerate may not be the actual housing cost for the jail.*

Projected Impact: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

The legislation would likely have minimal impact at the local level.

The bill allows the right of an individual 21 years of age or older to possess, use, buy, or sell in doing so it would no longer be criminal, which would potentially decrease the amount of people arrested/sentenced. Since all misdemeanants and Class D felons and some Class C felons serve their sentence in a county jail, the population of local facilities could be directly impacted.

PROJECTED IMPACT FROM AMENDMENTS: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

**All projections are based on the daily rate x 365 days x number of years. The cost to incarcerate as calculated by the Department is shown here as rounded to the hundredths. Offenders may have multiple offenses or be incarcerated on other charges unless otherwise noted. Unless otherwise noted, numbers will include inchoate offenses at the underlying offense level.*
