**STATE IMPACT:** Class A, B, & C felonies are based on an average daily prison rate of \$116.93. Community Custody Class C and most Class D felons are housed in one of seventy-four (74) full-service or regional jails for up to five (5) years. Department of Corrections cost to incarcerate a felony inmate in jail is \$44.97 per day, which includes \$35.34 per diem, medical costs, and central office administrative costs (substance abuse treatment not included).\*

**Projected Impact:**  NONE  MINIMAL to MODERATE (< \$1 million)  SIGNIFICANT (> \$1 million)

This legislation would have no impact on operational costs at the state level.

**LOCAL IMPACT:** Local governments are responsible for the cost of incarcerating individuals charged with Class A or B misdemeanors and felony defendants until the disposition of the case. The estimated impact will be based on the \$44.97 cost to incarcerate for the Department of Corrections, including \$35.34 per diem and medical that DOC pays jails to house felony offenders. This cost to incarcerate may not be the actual housing cost for the jail.\*

**Projected Impact:**  NONE  MINIMAL to MODERATE (< \$1 million)  SIGNIFICANT (> \$1 million)

The legislation would likely have a minimal impact on operational costs at the local level by creating a new Class A misdemeanor.

Misdemeanor offenders are subject to the jurisdiction and cost of the county. A Class A misdemeanor is 90 days to 1 year in jail. One (1) Class A misdemeanant costs \$4,047.30 to \$16,414.05

There are no offenders in custody and 1 offender on supervision for offenses related to sell of firearms.

**PROJECTED IMPACT FROM AMENDMENTS:**  NONE  MINIMAL to MODERATE (< \$1 million)  SIGNIFICANT (> \$1 million)

*\*All projections are based on the daily rate x 365 days x number of years. The cost to incarcerate as calculated by the Department is shown here as rounded to the hundredths. Offenders may have multiple offenses or be incarcerated on other charges unless otherwise noted. Unless otherwise noted, numbers will include inchoate offenses at the underlying offense level.*
