STATE IMPACT: Class A, B, & C felonies are based on an average daily prison rate of \$116.93. Community Custody Class C and most Class D felons are housed in one of seventy-four (74) full-service or regional jails for up to five (5) years. Department of Corrections cost to incarcerate a felony inmate in jail is \$44.97 per day, which includes \$35.34 per diem, medical costs, and central office administrative costs (substance abuse treatment not included).*

Projected Impact: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

This legislation has no impact on operational costs at the state level.

LOCAL IMPACT: Local governments are responsible for the cost of incarcerating individuals charged with Class A or B misdemeanors and felony defendants until the disposition of the case. The estimated impact will be based on the \$44.97 cost to incarcerate for the Department of Corrections, including \$35.34 per diem and medical that DOC pays jails to house felony offenders. This cost to incarcerate may not be the actual housing cost for the jail.*

Projected Impact: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

Creating the provision to automatically apply for an order of protection and permitting it to be effective for the lifetime of the victim or defendant could increase the number of instances of violations. Violation of an order of protection is a Class A misdemeanor.

Misdemeanor offenders are subject to the jurisdiction and cost of the county. A Class A misdemeanor is 90 days to 1 year in jail. One (1) Class A misdemeanant: \$4,047.30 to \$16,414.05

There are currently 21 offenders on supervision for KRS 456.180 - Violation of IPO.

PROJECTED IMPACT FROM AMENDMENTS: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

**All projections are based on the daily rate x 365 days x number of years. The cost to incarcerate as calculated by the Department is shown here as rounded to the hundredths. Offenders may have multiple offenses or be incarcerated on other charges unless otherwise noted. Unless otherwise noted, numbers will include inchoate offenses at the underlying offense level.*

The following offices contributed to this Corrections Impact Statement:

Dept. of Corrections Dept. of Kentucky State Police Administrative Office of the Courts Parole Board Other

NOTE: Consideration should be given to the cumulative impact of all bills that increase the felon population, lengthen the term of incarceration, or impose new obligations on state or local governments.
