## Government

SB 304 would amend KRS 65.003 to state that an appeal from a final order issued by a person or group responsible for enforcement of a code of ethics may be taken to the Circuit Court of the county in which that person or group is located.

The fiscal impact of SB 304 on local governments is expected to be minimal. This may result in some changes in court costs or fees to a local government whose decision is subject to appeal.
