STATE IMPACT: Class A, B, & C felonies are based on an average daily prison rate of \$116.93. Community Custody Class C and most Class D felons are housed in one of seventy-four (74) full-service or regional jails for up to five (5) years. Department of Corrections cost to incarcerate a felony inmate in jail is \$44.97 per day, which includes \$35.34 per diem, medical costs, and central office administrative costs (substance abuse treatment not included).*

Projected Impact: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

The legislation would have a minimal impact on incarceration costs. The necessary appropriations associated with the costs estimated in this corrections impact statement require a continuation of current service funding for adult correctional institutions.

There are currently only 11 inmates serving on multiple Theft by Unlawful Taking offenses in which the sentencing date occurred between 90 days to 1 year of each other.

Class D felons are housed in a county jail and DOC pays counties a per diem for housing those inmates. A Class D Felony sentence is 1 to 5 years. One (1) Class D Felon costs KY \$16,414.05 to \$82,070.25.

LOCAL IMPACT: Local governments are responsible for the cost of incarcerating individuals charged with Class A or B misdemeanors and felony defendants until the disposition of the case. The estimated impact will be based on the \$44.97 cost to incarcerate for the Department of Corrections, including \$35.34 per diem and medical that DOC pays jails to house felony offenders. This cost to incarcerate may not be the actual housing cost for the jail.*

Projected Impact: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

The legislation would have a minimal impact on incarceration costs at the local level. There are currently only 11 inmates serving on multiple Theft by Unlawful Taking offenses in which the sentencing date occurred between 90 days to 1 year of each other.

Class D felons are housed in a county jail and DOC pays counties a per diem for housing those inmates. A Class D Felony sentence is 1 to 5 years. One (1) Class D Felon costs KY \$16,414.05 to \$82,070.25.

PROJECTED IMPACT FROM AMENDMENTS: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

**All projections are based on the daily rate x 365 days x number of years. The cost to incarcerate as calculated by the Department is shown here as rounded to the hundredths. Offenders may have multiple offenses or be incarcerated on other charges unless otherwise noted. Unless otherwise noted, numbers will include inchoate offenses at the underlying offense level.*
