                                                                                   Health Benefit Mandate             State Employee Health Plan

**Part II: Bill Provisions and the Estimated Fiscal Impact Relating to Local Government**

HB 182 would prohibit state and local government entities from using the word “free” in the description of any benefit, product, or service when the benefit, product, or service is financed with public funds.

**HB 182 would have a minimal negative fiscal impact on local governments associated with reviewing and editing literature, websites, or other promotions that contain the word “free” in reference to a benefit, product, or service that is publicly funded.**
