HB 96 defines "coercive control" and adds it to the definitions of "dating violence and "dating violence and abuse." HB 96 also defines "stalking" and adds "coercive control" in relation to orders of protection.

**HB 96 will have an indeterminable, but minimal negative fiscal impact on local governments.** The changes may result in an increase of domestic violence orders and inter-personal protective orders for peace officers to serve and respond to.
