PURPOSE OF MEASURE: This measure requires the Secretary of State to provide for the issuance of a jailer service card to jailers who are currently serving or have previously served as jailers in the Commonwealth of Kentucky.

FISCAL EXPLANATION: The measure would require an increase in administrative costs to verify the certifications of past and present jailers in all 120 counties and an increase in printing costs to print the jailer service cards. The impact of the measure would be revenue neutral as the fees paid by applicants would cover the costs of producing the cards.
