

CORRECTIONS IMPACT STATEMENT

SESSION: 25RS BILL #: SB 235

Introduced

BR #: 953

BILL SPONSOR(S): Sen. D. Yates

AMENDMENT SPONSOR(S):

TITLE: AN ACT relating to crisis aversion and rights retention orders.

SUMMARY OF LEGISLATION: Establish KRS Chapter 202D and create new sections thereof relating to crisis aversion and rights retention orders; provide limitations on interpretation of the Act; define terms; allow law enforcement officers to petition a court to issue orders when a respondent presents an immediate and present danger of causing serious physical injury to themselves or others through purchasing, possessing, or receiving a firearm; establish procedures for the filing, review, hearing, service of process, termination, or renewal of the petition and orders; provide court processes and evidentiary standards; allow entry of the orders into law enforcement systems; prescribe issuance and service procedures for additional proceedings; establish procedures for the surrender, storage, transfer, and return of firearms; establish penalties for violations; allow for recognition and enforcement of foreign orders; amend KRS 431.076 to conform.

AMENDMENT:

STATE IMPACT: Class A, B, & C felonies are based on an average daily prison rate of \$122.84. Community Custody Class C and most Class D felons are housed in one of seventy-four (74) full-service or regional jails for up to five (5) years. Department of Corrections cost to incarcerate a felony inmate in jail is \$47.43 per day, which includes \$35.34 per diem, medical costs, and central office administrative costs (substance abuse treatment not included).*

Projected Impact: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

The legislation would result in an increase in operational costs at the state level. The fiscal impact for system upgrades to KOMS is approximately \$5,000. This is in addition to the operational increase of creating new Class B, C, and D felonies.

Class D felons are housed in a county jail, and DOC pays counties a per diem for housing those inmates. A Class D Felony sentence is 1 to 5 years.

- One (1) Class D Felon costs KY \$17,313.27 to \$86,566.34.
- Ten (10) Class D Felons cost KY \$173,132.67 to \$865,663.37.
- One hundred (100) Class D Felons cost KY \$1,731,326.74 to \$8,656,633.71.

Class C felons are able to serve their time in a county jail, but only if they are community custody. DOC pays counties for housing those inmates. A Class C Felony sentence is 5 to 10 years.

- One (1) Class C Felon costs KY \$224,186.94 to \$448,373.88.
- Ten (10) Class C Felons cost KY \$2,241,869.38 to \$4,483,738.77.
- One hundred (100) Class C Felons cost KY \$22,418,693.84 to \$44,837,387.68.

Class B felons serve time in state prison. A Class B Felony sentence is 10 to 20 years.

- One (1) Class B Felon costs KY \$448,373.88 to \$896,747.75

- Ten (10) Class B Felons cost KY \$4,483,738.77 to \$8,967,477.54
- One hundred (100) Class B Felons cost KY \$44,837,387,.68 to \$89,674,775.36

Population counts and offender data are sourced from the Kentucky Offender Management System (KOMS). Cost to Incarcerate can be found on corrections.ky.gov/public-information.

LOCAL IMPACT: Local governments are responsible for the cost of incarcerating individuals charged with Class A or B misdemeanors and felony defendants until the disposition of the case. The estimated impact will be based on the \$47.43 cost to incarcerate for the Department of Corrections, including \$35.34 per diem and medical that DOC pays jails to house felony offenders. This cost to incarcerate may not be the actual housing cost for the jail.*

Projected Impact: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

The legislation would result in an increase in operational costs at the local level by creating a new misdemeanor and new Class C and D felonies.

Class D felons are housed in a county jail, and DOC pays counties a per diem for housing those inmates. A Class D Felony sentence is 1 to 5 years.

- One (1) Class D Felon costs KY \$17,313.27 to \$86,566.34.
- Ten (10) Class D Felons cost KY \$173,132.67 to \$865,663.37.
- One hundred (100) Class D Felons cost KY \$1,731,326.74 to \$8,656,633.71.

Class C felons are able to serve their time in a county jail, but only if they are community custody. DOC pays counties for housing those inmates. A Class C Felony sentence is 5 to 10 years.

- One (1) Class C Felon costs KY \$224,186.94 to \$448,373.88.
- Ten (10) Class C Felons cost KY \$2,241,869.38 to \$4,483,738.77.
- One hundred (100) Class C Felons cost KY \$22,418,693.84 to \$44,837,387.68.

Misdemeanor offenders are subject to the jurisdiction and cost of the county.

A Class A misdemeanor is 90 days to 1 year in jail.

- One (1) Class A misdemeanor: \$4,269.02 to \$17,313.27
- Ten (10) Class A misdemeanants: \$42,690.25 to \$173,132.67
- One hundred (100) Class A misdemeanants: \$426,902.48 to \$1,731,326.74

Population counts and offender data are sourced from the Kentucky Offender Management System (KOMS). Cost to Incarcerate can be found on corrections.ky.gov/public-information.

PROJECTED IMPACT FROM AMENDMENTS: NONE MINIMAL to MODERATE (< \$1 million) SIGNIFICANT (> \$1 million)

**All projections are based on the daily rate x 365 days x number of years. The cost to incarcerate as calculated by the Department is shown here as rounded to the hundredths. Offenders may have multiple offenses or be incarcerated on other charges unless otherwise noted. Unless otherwise noted, numbers will include inchoate offenses at the underlying offense level.*

The following offices contributed to this Corrections Impact Statement:

- Dept. of Corrections Dept. of Kentucky State Police Administrative Office of the Courts Parole Board Other

NOTE: Consideration should be given to the cumulative impact of all bills that increase the felon population, lengthen the term of incarceration, or impose new obligations on state or local governments.
